Class Clown Johanna Hurwitz, 1987-05-29 Once again Hurwitz exhibits her talent for creating characters who talk, act, and think just like real kids. Realistic dialogue . . . and commonplace situations that sparkle with humor combine to make this a fine choice.--School Library Journal. Illustrated. Copyright © Libri GmbH. All rights reserved.

**Class Clowns** Jonathan A. Knee, 2016-11-29 The past thirty years have seen dozens of otherwise successful investors try to improve education through the application of market principles. They have funneled billions of dollars into alternative schools, online education, and textbook publishing, and they have, with surprising regularity, lost their shirts. In *Class Clowns*, professor and investment banker Jonathan A. Knee dissects what drives investors' efforts to improve education and why they consistently fail. Knee takes readers inside four spectacular financial failures in education: Rupert Murdoch's billion-dollar effort to reshape elementary education through technology; the unhappy investors—including hedge fund titan John Paulson—who lost billions in textbook publisher Houghton Mifflin; the abandonment of Knowledge Universe, Michael Milken's twenty-year mission to revolutionize the global education industry; and a look at Chris Whittle, founder of EdisonLearning and a pioneer of large-scale transformational educational ventures, who continues to attract investment despite decades of financial and operational disappointment. Although deep belief in the curative powers of the market drove these initiatives, it was the investors' failure to appreciate market structure that doomed them. Knee asks: What makes a good education business? By contrasting rare successes, he finds a dozen broad lessons at the heart of these cautionary case studies. *Class Clowns* offers an

important guide for public policy makers and guardrails for future investors, as well as an intelligent exposé for activists and teachers frustrated with the repeated underperformance of these attempts to shake up education.

*Class Clown Academy* Stephen Mooser, 2013-01-06 During the summer the Class Clown Academy opens for twelve days to let class clowns brush up on their skills. The Class Clown Academy is a special place that keeps our educational system afloat, a unique institution that requires a steady supply of dedicated jokers—people who aren't afraid to propel a classroom of students out of their seats and onto the floor, howling with laughter. Could that be you? Would you like to be part of the next generation of class clowns? Are you dead serious about being ridiculously funny? Can you laugh hard enough to blow milk out of your nose? Build a paper airplane in under ten seconds? Do them both at the same time! In this book you'll get a first hand peek at what it takes to gain the school credits necessary to be an official class clown. Meet the students and the teachers, complete an application for the Class Clown Academy!

*Class Clown* Robert N. Munsch, 2019-08-06 Leonardo can't stop being the class clown despite his teacher's protestations.

*Class Clown* Lett Lockett, 2015-07-08 What a day in class! Everyone brings a toy for show and tell day, except for our little friend Michael. The item that he brings from home to show the class ends up in a place that you would never imagine. Have you ever brought something to school and it got away?

Teaching Class Clowns (And What They Can Teach Us) William Watson Purkey, 2006-03-23 Publisher description: This first-of-its-kind resource shows teachers, administrators, and counselors how to teach these unique yet at-risk learners while also leveraging their blend of humor and intelligence

to inject joy and enthusiasm into the classroom. Written by a veteran educator (and self-described class clown), this concise guide combines laugh-out-loud writing with the author's field-tested expertise to help educators: Identify the four signature tendencies of class clowns. Employ practical classroom strategies to keep instruction moving. Prevent class clowns from acting out by understanding how to teach them.

**A Real Class Clown** Otto Coontz, 1979-01-01 When Rudy the clown attends school for the first time, he is not appreciated by his teacher.

**Jake Drake, Class Clown** Andrew Clements, 2012-07-24 Knock, knock. Who's there? Jake. Jake who? Jake Drake, Class Clown. Miss Bruce is the new student teacher in second grade, and she never smiles. Never. But when Jake cracks up the class during a spelling bee, he sees the tiniest hint of a smile at the corner of her mouth. Suddenly, Jake has a new mission in life: to be so funny that even Miss Bruce will laugh! But then things get out of hand, and Jake finds himself in big trouble. Has Jake discovered -- too late -- that not everybody loves a clown?

Class Clown Pino Coluccio, 2017-08-29 Lyric poetry that is light without being frivolous, for people who are more punk than prog. This is poetry that doesn't try too hard to be important, instead revelling in its utter lack of importance and celebrating man's right to clown around -- often his only defense against a cruelly stacked deck.

*Confessions of a Class Clown* Arianne Costner, 2022-03-01 This middle-school class clown's hilarious online videos might get thousands of views . . . but

is fame worth the price of friendship? A heartfelt story with multiple perspectives about the challenges of social media. Meet Jack Reynolds. Making people laugh is his life's work. Jack's wacky MyTube channel is really starting to take off. The only problem is, for the truly epic posts, he needs a collaborator. And, well, he doesn't exactly have any friends. So Jack has to swallow his pride and join the new afterschool club, Speed Friendshiping. But who would make the best partner in comedy? • Brielle, Miss Perfect candidate for student body president? • Mario, whose mom won't even let him have a smart phone? • Or Tasha, the quiet, mysterious girl with a shaved head and a crocheted hat for every day of the week? One of these kids could help catapult Jack to internet fame . . . or even become a true friend. But what will it cost him to go viral? This middle school novel explores themes of friendship, belonging, and the ways social media can put pressure on today's kids.

**Super Burp! #1** Nancy Krulik, 2010-07-08 The first day at a new school is always the hardest, right? No, not always as George finds out the hard way. On the second day at...Sugarman Elementary School, he is suddenly seized by uncontrollable burps, burps so loud they practically break the sound barrier, burps that make him do wild and crazy stuff and land him in trouble with a capital T. One thing is for sure: these are not normal burps, they are magic burps—and they must be stopped! But how?

Bart Simpson Class Clown Matt Groening, 2010-05 Bart Simpson may be known as an underachiever at school, but there is no title this juvenile jokester holds more dearly than that of class clown. Watch Bart go to the top of the

class and take his place at the top of the dishonour role!

Danitra Brown, Class Clown Nikki Grimes, 2005-07-26 They may be best friends, but Zuri Jackson and Danitra Brown respond very differently to the start of school. For Zuri, there are so many things to ponder -- a new teacher who replaced the old one she liked so much, passing math, and worrying about her mother's health. But for Danitra, the only real deal is being true to herself, having fun, and supporting Zuri in any way she can. Multiple Coretta Scott King award winners Nikki Grimes and E. B. Lewis have poured their best into Danitra Brown, Class Clown. This third book starring Zuri and Danitra speaks to everyone who has faced the trials of a new school year.

Attack of the Tightly Whities! #7 Nancy Krulik, 2012-02-16 B-U-R-P spells you-know-what! In the seventh book in the popular George Brown, Class Clown series, George learns the hard way that an onion a day won't keep the Super Burp away - despite what his best friend Alex might've hoped. It's bad enough that one of the pesky, magic belches escapes at the mall and another lets loose on a miniature golf course, but George is representing his school at the countywide spelling bee. A burp at the bee could definitely spell D-I-S-A-S-T-E-R!

**Class Clown** Michelle Taylor, 2013-06 Kaymun, put that down! Kaymun, get over

here! Kaymun probably hears his name a hundred times a day. Kaymun is that class clown that is a big part of every class. Kaymun knows he is important and tries to show everyone that he is more than a class clown, especially when he meets the smelly Oriane or when he tries to explain why the band room is filled with bubbles. Read what happens between Kaymun and his rival, Orlando. Kaymun is all about having fun. Find out how much fun and what happens to Kaymun through his memoirs. This is a great book for the I don't like to read kid. This is the first book of a four part series.
