📖 **Qig Time** Max Fiero, 2021-10-07 If you ever have too much free time and would like to use it up, just schedule a discussion with a friend about which of you knows more about rock music and about your most beloved bands. Many hours, many drinks, and a few arguments later, you will be no closer to a resolution than you were when you started. This book attempts to bring data to the problem, by providing you with an objective set of questions that will help you crown the true rock memory god.

📖 **When Music Was Great** Max F, 2023-01-13 A riff is a very powerful thing. A few simple licks put together right, and your day can instantly be filled with the memories of better days; you will have a spring in your step and a glint in your eye, and a song on your lips. Rock music is immortal, and even though its heyday might have been in the 1980s, we are still living in a musical landscape that has been shaped by rock, and where song structures and musical structures are still influenced very heavily by the huge rock bands of the 60s, 70s, and beyond. And even today, rock bands fill stadiums and arenas across the world. If this powerful genre of music is really dead, is it really possible for hundreds of thousands of people to come out in every city to support their favorite rock acts? This book has thousands of quiz questions about classic rock, hard rock, and heavy metal music. How good is your music memory?

📖 **The Classic Rock Quiz Book** Presley Love, Robert Love, Kathy Love, 2000-09 The ever popular Classic Rock Quiz Book covers the whole gamut from Aerosmith to ZZ Top. Questions range in difficulty from easy to brainbusting, and there's plenty of material to keep fans entertained and challenged for hours. No other book makes rock 'n' roll so much fun!

📖 **The Great Book of Rock Trivia** Bill O'Neill, 2018-08-05 Are you the type of rock fan that isn't satisfied with simply listening to the radio? Sure, you enjoy it, but you want more. Do you look up the lyrics and wonder what they mean or if there is a story behind them? What on earth does In-A-Gadda-Da-Vida mean, anyway? We've got those answers for you in The Great Book of Rock Music! This book contains hundreds of riveting facts about your favorite rock songs. Do you want to know how your favorite group got together and who is really the brains behind the band? Whether you're interested in what your favorite musicians like to do in their spare time, where they get the ideas for their music, or which artist had an exorcism in his home, you're in for a treat. This book will satisfy your curiosity and help you impress your friends with your rock and roll knowledge. As easy to follow as a good drummer, this book will take you through the early years of rock and its development through the hippie era, the synthesizer-filled eighties, and the grunge age. You'll read about dramatic, absolutely hilarious, and downright odd moments during the concerts that shaped music history and defined generations. Whether you're a passive listener of your friend's rock playlists or a connoisseur of guitar riffs, you're sure to learn something new that will increase your enjoyment of your favorite music. For an extra challenge, try the quizzes at the end of each chapter. So go ahead, open the cover and enter the world of rock!

📖 **Classic Rock Stories** Tim Morse, 1998-07-15 The first time on the open road with Dad's beat-up clunker and a brand-new driver's license. That first kiss. Practicing Steve Tyler moves in the garage. Lazy summer days with nothing to do but hang out with a group of friends and the radio. Classic Rock. In Classic Rock Stories, classic rockers reveal the sometimes painful, sometimes accidental, and often hilarious process of creating the songs that you can still sing aloud. In their own words, rockers like Pete Dinklage, John Lennon, Stevie Nicks, Elton John, and Keith Richards tell about the drugs, the pain, the love gone bad, and the accidents that resulted in the hits.

📖 **Rock 'n Roll Trivia Quiz Book** Presley Love, 2015-04-30 Rock & Roll Trivia Quiz book, 1950's to 1980's. An encyclopedia of rock & roll's trivia-information in question/answer format. In 1992, music-aficionado Presley Love compiled a vast treasure of rock and roll lyric-memorabilia, including songs from the earliest days of rock and roll up through the late 1980s. This musical quiz-format collection lay dormant except for the release of one small volume, which contained 400 questions. The original book-printed in 1992-became, over the years, an Amazon.com favorite, with very positive response from those who loved the book for its party-flavor appeal. In 2014, the entire vault of Presley Love's music- lyric memorabilia was located in a storage locker-containing his collection of lyric-questions and trivia questions in quiz format! It has taken 2 years of diligent compiling and organizing to create what amounts to the entire Presley Love collection of rock lyrics, rock titles and rock group trivia books in quiz format! We are proud to unveil the first two books of this rare and collectible series: Party Rock Lyrics & Titles Quiz Book and Rock Trivia Quiz Book. We sincerely hope you enjoy these fabulous party favorites in quiz-format, a preview of the exciting treasure trove of rock & roll memories from Presley Love's truly incredible 1955-1989 collection!
