A Little Book of Ping-Pong Verse Dana Estes and Company, 2016-09-05 Excerpt from A Little Book of Ping-Pong Verse: Containing Also the Complete Rules for Playing the Popular Game of Table-Tennis The verses in this little book make no pretensions to literary merit. If they are amusing and

timely, they serve their end. A large number of newspaper rhymes, below the average maintained by these selections, have been read and discarded. The amount of more or less meritorious verse inspired by this everywhere-popular pastime, is very extensive. If anything of real excellence has been overlooked, no one can regret the fact more than the compiler. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. World Class American Table Tennis Players of the Classic Age Dean Johnson, Tim

Boggan, 2014-06-06 This Volume, No. 4 in our 6-Volume series of American Legends, features five of our most popular and beloved -- Bernie Bukiet, Bobby Gusikoff, Erwin Klein and Leah and Tybie Thall. Bernie Bukiet's life is an incredible story of survival. Table Tennis to Bernie was a passport to everything - to survival during World War II, to America and, finally, to becoming "a show business celebrity." One day, during WWII, at 3 a.m., there's a knock on Bernie's door. What's your name?...gather up your belongings, you're coming with us. He's put on a train and sent to a concentration camp in Russia. When he is finally released he has to go somewhere so he heads to Munich where he believes he may have some relatives. At a train station, by chance, he meets a man he's never seen before who says, Hey, aren't you the table tennis player from before the War? He

takes Bernie home, gives him a room, and fixes him up with a job coaching at a club in Germany. Bernie went on to become a 3-time U.S. Men's Singles Champion, 6-time U.S. Men's Doubles champion, 3-time U.S. Mixed Doubles Champion and an 8-time Member of the U.S. Team to the World Championships -- not the table tennis bum some official had once called him...but a show-business celebrity. Bobby Gusikoff came from a very musical family. His mother's father, Bohumil Kryl, had played the cornet for John Philip Sousa; his mother was a very accomplished pianist; and his father was a noted violinist and symphony orchestra conductor. But there would be no performance-concerts in Bobby's future -- his footsteps would have him traveling to a different kind of playing hall. Bobby's introduction to table tennis came on an evening in the late 1940s when his father brought him to the fabled Herwald Lawrence's Broadway Courts in Manhattan. "There was no way to know that in a few minutes my entire life would be changed," he said. "When the big steel door of Lawrence's opened we walked into a smoky, slightly seedy-looking room packed with people. It was standing room only, and there before me was Dick Miles playing Marty Reisman a money match. I had

never before seen anything like this. That night I had found my love. Erwin Klein, at age 16, at the Canadian International in Toronto, won the Men's Singles, Men's Doubles, Mixed Doubles and Junior titles – in the Men's defeating John Somael, Bernie Bukiet, and Sol Schiff, the U.S.'s 3rd, 4th, and 5th ranked players. How can this be explained by anything other than “pure talent?” Erwin went on to win the U.S. Open Boys twice, the U.S. Open Juniors three times, Canadian Open Men's Singles four times, U.S. Open Men's Singles and Men's Doubles four times and the 1956 World's Mixed Doubles Championship (with Leah Neuberger). The Legacy of Erwin Klein may be that he was the greatest table tennis player America ever produced -- in terms of pure talent, rivaling the legendary careers of Dick Miles and Marty Reisman. Leah & Tybie Thall won nearly 170 titles between them! Leah won 71 U.S. and Canadian titles including 9 U.S. Open Women's Singles titles, 12 Women's Doubles and 9 Mixed Doubles. Her greatest triumph of course was at Tokyo in 1956 when she and teenager Erwin Klein won the World's Mixed Doubles from 14-10 down in the 5th over Ivan Andreadis and Ann Haydon, both World Singles runner-ups. Tybie's greatest triumphs came in the years 1948 and 1949. In

1949 she was a member of the winning U.S. Corbillon Cup Team and the winner of the English Open Mixed and Women's Doubles Championships. But Tybie's greatest triumph of all? Winning the World's Mixed Doubles Championship with Dick Miles in 1948. Describing Tybie's play in this match, English Coach Jack Carrington said in Table Tennis that Tybie “treated us to a display of mixed doubles play which few women could ever equal.” She “inspired her partner to fight. She chopped Vana's drives and services safely back, pushed his difficult chops, and drove with ferocity whenever possible.”

World Class American Table Tennis Players of the Classic Age Volume III Dean Johnson, Tim Boggan, 2013-11-09 Volume III contains 257 pages of profiles, 283 photos (many in color), cartoons and articles, career highlights and complete records of Dick Miles & Marty Reisman. Foreword is by Dr. Scott Gordon, past president and founder of the USATT Hardbat Committee, Dick Miles is a 10-time U.S. Open Men's Singles Champion (1945, '46, '47, '48, '49, '51, '53, '54, '55, '62), 4-time U.S. Open Men's Doubles Champion (1952, '53, '58, '62), 1948 London World's Mixed Doubles Champion (with Tybie Thall) and a semi-finalist at the 1959 World Championships, in Dortmund, Germany (Lost

to eventual winner Jung Kuo-tuan.) Marty Reisman is arguably the most charismatic of all American players. In Tim Boggan's words: Marty is class, is charisma -- he knows he is, rightfully a legendary player. Reisman is Reisman, he and his unique, lifelong game are not to be duplicated. A casually magical figure, more psychic force than man -- proud bullfighter flirting with death bravado, so engaged and thrilled the audience. The Reisman of old will come again and live in this now so unheroic world. Marty's accomplishments include: 1947 U.S. National Junior Champion, (at age 17) 1947 Canadian Men's Singles, Doubles and Junior Champion, 3-time Canadian Men's Singles Champion, Member, U.S. team to '48, '49, '51, '52, '57 World Championships, 1949 World Championships semi-finalist, 1949 English Open winner (defeating 5-time World Champion Viktor Barna in the final, 1952 World Consolation Champion, 1958 U.S. Nationals Men's Singles and Doubles Champion (with Dick Miles), 1960 U.S. Nationals Men's Singles Champion and 1997 U.S. National Hardbat Champion. Subsequent Volumes in the series will include (Volume IV) Bernie Bukiet/Bobby Gusikoff/Leah & Tybie Thall and Erwin Klein, (Volume V) photos and profiles of 43 Hall of Fame Players, (Volume VI) 11 Officials, 19

Contributors, 71 Honorable Mention players and 18 USTTA presidents. Photos and Championship dates of Men's and Women's Singles Champions are also included. This collection is one of significance for the average table tennis enthusiast along with the seasoned 'pro' and especially for those who are fascinated by the history of the sport. I strongly recommend this series to everyone and hope that you will enjoy it as much as I have, and as I continue to. Dr. Michael Babuin Chairman of the Board for USA Table Tennis

Table Tennis American Sports Publishing Company, 2017-09-12 Excerpt from Table Tennis: A Description of the Game, With Rules and Instructions for Playing Royal Aquarium, and The ping-pong Association, with its champion ships decided at the Queen's Hall. It seems a pity, of course, that there should be two associations under different names, both playing exactly the same game under the same rules, but it is owing to the fact' that Messrs. John Jaques Son and Hamley Bros. Own the copyright, and in England, unless with their consent, no one is allowed to use the word ping-pong. Table Tennis seems to be a much more sensible name, as it is Lawn Tennis played on a table and

although no one ever uses the courts which are marked out on the table as a variation for a foursome, it makes rather an interesting game. Ping Pong received its name from the sounds which the banjo head of the racquets gave out when striking the little celluloid balls, and as now not one man in a hundred plays with anything except a wooden racquet, the appropriateness of the name seems to have been done away with. There is almost as much argument now as to the rival merits of wooden, vellum, cork, leather covered, sandpapered faces, gut and metal racquets as there used to be over the merits and demerits of different heads of golf clubs, but a great deal of the talk is nonsense, and the best are most assuredly the wooden ones, at least the writer has never found anyone who was not perfectly willing to discard his old vellum or gut racquet as soon as he tried a wooden one. At the Aquarium Championship in England recently, one woman emphasized her supreme contempt for all the new patent racquets by playing through the whole tournament with the back of her hand mirror, and a corking good game she played, and received more applause than anyone. A Table for Two: How the Sport of Table Tennis Provides Physical Fitness and Can Add Years to Your Life Dean Johnson, 2019-08-10 Raconteur Dean Johnson weaves a series of interconnected events that helped him achieve success in life, love, and business. Sometimes coincidental, more often serendipitous and divinely inspired, Johnson's stories include over 250 photos. The common thread is table tennis, the sport which he has pursued for over 60 years as a player, organizer and most recently as a promoter of the health benefits of the sport, especially for seniors. Peppered with historical anecdotes, A Table For Two shares the passion that Johnson has for life and table tennis,

his friendship with legendary players, and his 2015 induction into the United States Table Tennis Hall of Fame.

Ping-Pong (Table Tennis); The Game and How to Play Arnold Parker, 2015-06-24 Excerpt from Ping-Pong (Table Tennis); The Game and How to Play In compiling this hand-book my main object was to put before the public in the simplest and clearest manner, the way in which the chief strokes of this fascinating game can be performed. No literary merit is claimed, but it is hoped that this little work will introduce a great deal of new interest into a game which is sure to stay, for as an indoor game it has not a rival. Everything has been explained with great detail for the benefit of those who live far from the great towns and have not the opportunity of personally gaining knowledge of the game. My deepest thanks and gratitude are due to Mr. W. E. Houlbrook for his valuable assistance throughout every stage of the work; to Mr. T. G. Figgis for his article on the state of the game in Dublin; and to Messrs. Jaques for permitting me to print the official rules of PingPong. Without their help and that of many other friends too numerous to mention, it would have been impossible for me to have compiled

this little manual. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Ping-Pong (Registered Trademark U. S. No. 36, 854) Arnold Parker, 2017-09-12 Excerpt from Ping-Pong (Registered Trademark U. S. No. 36, 854): The Game and How to Play It Many people must have asked themselves, why ping-pong in SO short a time has become so amazingly popular. The answer, I think, is easy, and will be found in the following facts: Firstly, all who have played must allow that it is an excellent game, excellent because it affords amusement for hours together, and because there is no small amount of Skill required to play it at all well; this will account for much of its popularity. But there are other and, I think, weightier reasons. It has been called the poor man's billiards, not that it resembles that king of indoor games any further than that balls are used in the playing of both, but because it supplies its place in the houses of those whose rooms and means are too small to permit the adoption of billiards, since a very small outlay will purchase all accessories necessary for ping-pong; and if the proportions mentioned in a later chapter of this work be Observed as regards height of net, not only can an excellent game be had on a small table, but any one can

learn to play it well and will find himself able to do SO on a larger table; play on a small table being excel lent practice for play on the club-size table.
