The Law of Advertising in Ireland Patrick Ambrose, 2015-10-29 *The Law of Advertising in Ireland* identifies both the general and specific laws and regulations that apply to the advertising of products and services in Ireland. Divided into two parts, the first focuses on law, regulation and other key issues to be considered when advertising generally, for example consumer protection and contract law. The second part contains separate chapters on specific advertising law, regulation and codes of practice imposed on certain industries or services, for example financial services, solicitors and alcohol advertising.

EU Electronic Communications Code Handbook Francesco Liberatore, James Konidaris, 2021-07-30 Regulation of electronic communications in the EU Member States is increasingly driven by European legislation. This title collects the key European legislation and other instruments pertinent to the electronic communications sector and in some cases is annotated by Francesco Liberatore and his colleagues at global law firm, Squire Patton Boggs. The timing of this title is particularly opportune as it includes: - The new EU Electronic Communications Code Directive - The Commission's Guidelines on market analysis and its recommendation on relevant markets - Significant measures (other Directives, Commission decisions and recommendations) integral to the regulatory framework - The BEREC Common Position on Remedies and other BEREC texts
