Clearwater in Pictures Robert La Follette,2009-04-24 Over the course of four months, Clearwater In Pictures is the result of the most comprehensive and up to date images from one of the most exciting and energetic cities on the gulf coast of Florida.From the pristine white beaches of Clearwater Beach, the architecture of downtown to the energy of a great downtown, it is no wonder why Clearwater is ranked amongst the best cities in Florida and this book will show it all in full color.Commissioned by the Clearwater Downtown Partnership, this hard cover book contains 80 pages and 130 full color photos of one of Florida's most popular cities on the gulf coast.

Clearwater Beach, Florida Wild Oasis,2019-03-19 This is a 120 page 1/4 lined notebook or journal with a photo of the sunset on Clearwater Beach in Florida from January of 2019.

Tampa Bay and Florida's West Coast Adventure Guide Chelle Koster Walton,2008 This easy-to-use book is packed with practical information and enticing facts that make it fun to read.Sarasota owes its development and artistic reputation to, ironically, the circus, which wintered there beginning in the late 1800s. In contrast to circus raucousness, however, John Ringling was a man swayed by esthetics. The art he loved had a bit of three-ring showiness to it, nonetheless, as shown by the baroque Italianate palace he built himself in Sarasota. A clean, attractive layout makes it easy to find what you're looking for within each of the book's six sections, whether it be suggestions for finding the best food, lodging, kayaking, fishing or shopping; even driving directions are included. --Provided by publisher
