Click Date Repeat K. J. Farnham,2014-08-21 These days, finding love online is as commonplace as ordering that coveted sweater. But back in 2003, the whole concept of internet dating was still quite new, with a stigma attached to it that meant those who were willing to test the waters faced a fair amount of skepticism from friends and family. Such is the case for Chloe Thompson, a restless 20-something tired of the typical dating scene and curious about what she might find inside her parents’ computer. With two serious but failed relationships behind her, Chloe isn’t even entirely sure what she’s looking for. She just knows that whatever it is, she wants to find it. Chloe’s foray into online dating involves a head-first dive into a world of matches, ice breakers and the occasional offer of dick pics, all while Chloe strives to shake herself of the ex who just refuses to disappear. Will she simultaneously find herself and “the one” online, or will the ever-growing pile of humorous and downright disastrous dates only prove her friends and family right? There’s only one way to find out... Click. Date. Repeat.

Modern Dating: A Field Guide Chiara Atik, 2013-05-01 From the creators of the popular online dating site HowAboutWe.com comes the definitive guide for navigating the modern dating world. The single woman is having a moment. In the worlds of work, personal finances, and education, women are more successful than ever before. When it comes to dating, they're happy to take their time exploring lots of different relationships before deciding if they want to settle down. Women today, like the generations of women before them, want to fall in love. But they want it to happen organically, at its own pace, and with the right person. Rather than listing a set of rules, Modern Dating offers advice on modern challenges, like how to send a relatively unembarrassing sext, how to create a failproof first date idea, and how to make sure you're getting into a relationship for the right reasons. Instead of telling you How to Win a Husband in Just 3 Easy Steps!, it will gently guide you through all the triumphs and pitfalls of what dating is actually like, from one-night stands, to confusing texts and emails, to your first online date. Frank, funny, and totally relatable, this is a book that really gets at how women are dating today—the ideal travel companion for your dating life. The only rule is that there are no rules, but this book will be there for guidance, or just for laughs, every step of the way.

6 Fun Date Ideas to Win Her Heart Kym Kostos, 2014-05-15 In my 35 years of dating since I was fifteen years old, I have had my fill of good dates and bad dates. I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget. So, what about the ones that turned out perfect? Don't have too many of those? Don't worry, because in this book I will give you some ideas and dates from start to finish for fun first dates, romantic dates, creative dates, indoor dates, outdoor dates, cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship. Guys always want to impress a girl and sweep her off her feet, but sometimes have no clue as to where to start. Females by nature are great planners, especially when it comes to events, dinners, parties, and yes, even dates. Why? Because we pay attention to detail and that is what is the most important thing. Details tell a girl how you feel about her. Simple details to intricate ones, either way they are signs of what you really feel about the girl. If you take a lot of time planning a great date, that tells the girl that you are interested in her and want to get to know her better, especially if it's a date that allows you two to talk and get to know each other better. Girls love dates like that! Taking a girl out, tossing a burger down her throat and taking her to a movie is just plain boring. That's something you do AFTER you have won her heart and even then, it's questionable. Whatever happened to the courtship of dating? When you take the time to plan and give her a date to remember, it shows that you care and want to impress the girl. You don't have to have a lot of money either to do this.
