Clickers II J. F. Gonzalez, Brian Keene, 2022-11-26 The first wave was just

the beginning ... The United States is in ruins. It has just suffered one of the worst hurricanes in history, the people are demoralized, and the president is a religious fanatic. Then things get really bad - the Clickers return. Thousands of the monsters swarm across the entire nation and march inland, slaughtering anyone and anything they come across. But this time the Clickers aren't blindly rushing onto land - they are being led by an intelligence older than civilization itself. A force that wants to take dry land away from the mammals. Those left alive soon realize that they must do everything and anything they can to protect humanity - no matter the cost. This isn't war, this is extermination.

Here's what you'll discover in this book: - What is clicker training and how to use it for the first time... - Simple ways to capture your pet's good behavior with a clicker... - Time tested strategies to master the art of targeting... - Step-by-step instructions to use a clicker to teach your pet specific behaviors... - How to effectively use verbal and non-verbal signals... - Things you should NEVER do when it comes

to clicker training... - Common myths about clicker training... - How to use clicker training during your daily routines... - Frequently Asked Questions & Answers about clicker training... - And much more...
