Ann C. Logue

Couponing Made Easy Eve Baker, 2013-03-13 Hello! Raising a family, making ends meet, and keeping food on the table can be a challenge these days. My husband and I sat down at the kitchen table one morning and discussed our situation. My youngest was just starting kindergarten and my other two daughters were in elementary. There was no way that I could get a full time job. It didn't make any sense to try daycare. Any paycheck that I would be able to bring in wouldn't cover three children in an afterschool program. And my girls still needed me so we decided to try something different. Thanks to a few friends, I tried couponing. And couponing is fun!! I started my journey toward saving money by piecing together advice from friends, blogs, and through trial and error in the grocery stores. I know that many people were amazed about the extreme couponing shows and the possibility of buying three hundred bottles of mouth wash and six thousand tooth brushes. I agree that this is amazing but as a stay-at-home mom, I just wanted to reduce my grocery budget every month. And not make my life more complicated. Really, what would I do with fifty toothbrushes when I simply want my

kids to put away their laundry? Learning how to coupon took a bit of time. At first, I remember looking at the coupons on the table in front of me wondering was I really about to start cutting? I felt that I was back in kindergarten. So we made a night of it, my husband and girls would sit around clipping coupons while I tried to get organized. Getting organized is key, believe me, after dozens of shopping trips to the grocery store, I learned how to organize a coupon plan. As my family enjoyed cutting our grocery bill in half, I shared the knowledge. A lot of people have asked me, 'how do I start couponing' or 'where I get coupons'? This led to teaching people one-on-one how to coupon, meeting friends for a fun night out at the grocery store couponing (yeah, it's like that sometimes), and eventually, I began hosting coupon seminars at local churches, people's homes, and at schools. Couponing Made Easy, the 'How to Coupon' book This book is the compilation of helping dozens of people save money. Couponing made Easy is designed to teach you how to use coupons and get the same results the 'extreme couponers' get. You will be able to save money the first time you go shopping with coupons. The immediate savings you get from using coupons will immediately start to save you money on your

grocery bill. Couponing made Easy is a toolkit for anyone, inside you will find:

- Easy to read advice about developing a Coupon Book
- Common sense techniques for coupon preparation
- Proven strategy tips that make the shopping with coupons easier
- Questions to get you thinking about what kind of plan will best fit your needs
- Easy-to-follow instructions How to use this book

Each chapter covers a different aspect of the couponing journey and can be read independently. For those of you who already coupon regularly this book is still for you. I often hear people tell me that they have been couponing for years and learned a few things they didn't know from my talks. Couponing is a fun and financially rewarding activity, with very little effort you will see a rate of return of over a 100% of your investment in it. Couponing is easier and pays more than a part time job! Thanks, Eve

Stuck Is Not a Four-Letter Word Deborah Johnson, 2013-07-08 You may be facing bankruptcy, a broken marriage, a dead-end career, unemployment, or a health crisis. You may feel none of the breaks are going your way and that the circumstances of life are all against you. Feeling stuck can leave you feeling alone, isolated, abandoned, and ultimately confused about the decision of your next

life move. The good news is that you can take action to free yourself and start moving down a new path. Building on inspiring interviews, illustrations, and stories, author Deborah Johnson presents seven steps to getting un-stuck: • Define your trap. • Reassess your assets. • Reinvent yourself. • Eliminate distractions. • Play like you're in the major leagues. • Do the business. • Ask what you can give. *Stuck Is Not a Four-Letter Word* provides you with the direction you need to face your life with the courage that hope brings, and the bravery to take the necessary steps to move forward.

Modern Lifestyles: Coupon Royale: Save Money with Online Coupon Sites Delany

McBay, 2012-05-22 Shopping for an item used to mean paying a premium for buying from a local store, but the rise of e-commerce has all but leveled that issue. With millions of sales and coupon sites already operating, and millions more opening every day, the web has truly become a buyer's market, with price competition-both online and off-continually driving down prices. However, the savvy shopper knows that the trend of declining prices doesn't end with mere retailer wars-in fact, a virtual cache of cash savings awaits in the world of online coupon sites. Knowing how to use these sites gives a

shopper access to amazing deals, ranging from percentage discounts off an order to free shipping or gift bonuses. The idea of using a coupon is no longer restricted to the realm of the dedicated Sunday circular clipper: casual saving through online coupon sites is the new trend.

Day Trading For Dummies® Ann C. Logue, 2011-02-09 Day trading is undoubtedly the most exciting way to make money from home. It's also the riskiest. Before you begin, you need three things: patience, nerves of steel, and a well-thumbed copy of *Day Trading For Dummies*—the low-risk way to find out whether day trading is for you. This plain-English guide shows you how day trading works, identifies its all-too-numerous pitfalls, and get you started with an action plan. From classic and renegade strategies to the nitty-gritty of daily trading practices, it gives you the knowledge and confidence you'll need to keep a cool head, manage risk, and make decisions instantly as you buy and sell your positions. Learn how to: Set up your accounts and your office Connect with research and trading services Plan and research trades carefully and thoroughly Comply with regulations issues and tax requirements Leverage limited capital Cope with the stress quick-action trading Sell short to profit

from price drops Evaluate your day-trading performance Use technical and fundamental analysis Find entry and exit points Use short-term trading to establish a long-term portfolio You'll also find Top-Ten Lists of good reasons to go into day trading, or run from it in terror, as well as lists of the most common (and expensive) mistakes day traders make. Read *Day Trading For Dummies* and get the tips, guidance, and solid foundation you need to succeed in this thrilling, lucrative and rewarding career.

Death of a Coupon Clipper Lee Hollis,2013-07-02 Hayley Powell, food and cocktails columnist for Bar Harbor's Island Times, is, well, kind of broke. So when she's selected for that extreme coupon-clipping reality game show coming to town she's thrilled, especially when her competition is nasty nurse Candace Culpepper. But when Haley stumbles across a face-down-in-the-snow Candace - scissors gleaming between her shoulders - she knows the next thing she'll be selected for will probably be a police line-up.

Develop and manage a portfolio Find investments that suit your income Get the latest information on tax laws Follow time-tested strategies Invest in gold, silver, and other precious metals

Dollarapalooza or The Day Peace Broke Out in Columbus Gregg Sapp, 2011-05-24 This sprawling, footnoted, comedic epic centers around Vonn Carp, who travels to his hometown of Columbus, Ohio,

for a funeral. He is returning disgraced and destitute, when, after a long and productive career in higher education, he was discovered to have falsified his academic credentials 20 years prior. Recently divorced and suddenly unemployable, he reluctantly agrees to join his father, Milt, in what he considers an iffy business venture—Dollarapalooza, a family-owned dollar store. For Milt the shop is the fulfillment of a lifelong dream for old-fashioned mercantilism, a general store. The store falls on hard times when a massive, big box Wow-Mart opens across the street and after a nearly tragic armed robbery in his store, Milt disappears. To the surprise and chagrin of the Carp family, Vonn insists on re-opening Dollarapalooza. Along with the store's eccentric staff, Vonn fashions an alternative business model aiming to make a difference in people's lives one dollar at a time. For just one dollar, Vonn will answer anybody's question on any topic, and the citizens of Columbus come to him seeking his opinions on subjects like love, celibacy, anthropology, metaphysics, the Internet, and the true meaning of value. Through his interactions with the store's staff and customers, he conceives a new way of life with a changed outlook and a restored sense of purpose.

issue (usually no. 7 or 8); 1968- Crop planning issue (usually no. 12; title varies slightly); Machinery management issue (usually no. 2); 1970- Crop planting issue (usually no. 4; title varies slightly).

Garden & Home Builder William Tyler Miller, 1911

Underwater Ryan Dezimmer, 2020-07-14 Winner of the Bruss Real Estate Book Award His assignment was to write about a real-estate frenzy lighting up the Redneck Riviera. So Ryan Dezimmer settled in and bought a home nearby himself. Then the market crashed, and he became one of the millions of Americans who suddenly owed more on their homes than they were worth. A flood of foreclosures made it impossible to sell. It didn't help that his quaint neighborhood fell into disrepair and drug-induced despair. He had no choice but to become a reluctant and wildly unprofitable landlord to move on. Meanwhile, his reporting showed how the speculative mania that caused the crash opened the U.S. housing market to a much larger breed of investors. In this deeply personal story, Dezimmer shows how decisions on Wall Street and in Washington played out on his street in a corner of the Sunbelt that was convulsed by the foreclosure crisis. Readers will witness the

housing market collapse from Dezember's perch as a newspaper reporter. First he's in the boom-to-bust South where a hot-air balloonist named Bob Shallow becomes one of the world's top selling real-estate agents arranging condo flips, developers flop in spectacular fashion and the law catches up with a beach-town mayor on the take. Later he's in New York, among financiers like Blackstone's Stephen Schwarzman who are building rental empires out of foreclosures, staking claim to the bastion of middle-class wealth: the single-family home. Through it all, Dezember is an underwater homeowner caught up in the mess. A cautionary tale of Wall Street's push to turn homes into assets, *Underwater* is a powerful, incisive story that chronicles the crash and its aftermath from a fresh perspective—the forgotten, middle-class homeowner.
