The Clown Egg Register Luke Stephenson,Helen Champion,2018-03-20 Step right up for the Greatest Book on Earth! For more than 70 years, Clowns International—the oldest established clowning organization—has been painting the faces of its members on eggs. Each one is a record of a clown's unique identity, preserving the unwritten rule that no clown should copy another's look. This mesmerizing volume collects more than 150 of these portraits, from 1946 to the modern day, accompanied by short personal histories of many of the clowns. Here are Tricky Nicky, Taffy, Bobo, Sammy Sunshine, the legendary Emmett Kelly, and Jolly Jack, clowning since 1977 and still performing today with a penguin puppet named Biscuit. A treasure just like the eggs it enshrines, The Clown Egg Register is an extraordinary archive of images and lives of the men and women behind the make-up.

Transcendence and Liberation H. Bruce May,2016-08-30 Transcendent experience reveals

the spiritual nature of consciousness and opens spiritual reality to those willing to embrace it with an open mind. Liberation marks a turning point in your journey through life as a spiritual being and begins an even more powerful personal transformation whereby you can let the normal egoistic way of viewing the world fall away to be replaced with a clear view that can only be described as empty and marvelous... an emptiness that reveals the spiritual nature of consciousness and your true nature as a spiritual being which is of course, simply marvelous! When you can look at the world without labeling or judging it you can see it in its original suchness, unclothed in concepts and ideas that exist only in the human mind. When you see the world with the eyes of a child all things are new again and you will find your own spiritual foundation is filled with comfort and joy.
