How to Cocktail America's Test Kitchen,2019-10-08 All the kitchen secrets, techniques, recipes, and inspiration you need to craft transcendent cocktails, from essential, canonical classics to imaginative all-new creations from America's Test Kitchen. Cocktail making is part art and part science--just like cooking. The first-ever cocktail book from America's Test Kitchen brings our objective, kitchen-tested and -

perfected approach to the craft of making cocktails. You always want your cocktail to be something special--whether you're in the mood for a simple Negroni, a properly muddled Caipirinha, or a big batch of Margaritas or Bloody Marys with friends. After rigorous recipe testing, we're able to reveal not only the ideal ingredient proportions and best mixing technique for each drink, but also how to make homemade tonic for your Gin and Tonic, and homemade sweet vermouth and cocktail cherries for your Manhattan. And you can't simply quadruple any Margarita recipe and have it turn out right for your group of guests--to serve a crowd, the proportions must change. You can always elevate that big-batch Margarita, though, with our Citrus Rim Salt or Sriracha Rim Salt. *How to Cocktail* offers 150 recipes that range from classic cocktails to new America's Test Kitchen originals. Our two DIY chapters offer streamlined recipes for making superior versions of cocktail cherries, cocktail onions, flavored syrups, rim salts and sugars, bitters, vermouths, liqueurs, and more. And the final chapter includes a dozen of our test cooks' favorite cocktail-hour snacks. All along the way, we solve practical challenges for the home cook, including how to make an array of cocktails without having to buy lots of expensive bottles, how to use a Boston shaker, what kinds of ice are best and how to make them, and much more.

Cocktails at Dinner Michael Turback, Julia Hastings-Black, 2015-01-06 *Cocktails at Dinner* is equal parts cookbook and bar book. It explores a fascinating edge of the culinary frontier—food and cocktail pairings—with an imaginative collection of companionable recipes. As mixologists strive to catch up in culinary creativity with their counterparts in restaurant kitchens, collaboration has become a natural progression. Seriously interesting, ingredient-driven cocktails, concocted with top-shelf liquors, fresh seasonal fruits, flavored bitters,

and other artisanal components, have begun to reflect a restaurant's artful cuisine. First-rate food and mixed drinks—judiciously and harmoniously paired—become something more than the sum of the parts. The kitchen flows seamlessly into the bar, as cocktails take on a fresh, farm-to-glass aesthetic, and when paired with inspired dishes, the unions beget never-before-imagined taste sensations. Cocktails at Dinner serves as a vital introduction to these “new wave” combinations, bridging the gap between the upscale restaurant and the home kitchen and bar, for creative dinner parties and special occasions and for curious cooks and bartenders at all levels. It is meant to showcase a range of innovative and original yet accessible recipes from a diversity of cuisines that open the door to new possibilities in dining and entertaining. Michael Turback and Julia Hastings-Black have recruited working chefs and bartenders from forty-four progressive restaurants with innovative cocktail programs—each contributing the recipe for a cocktail paired with the recipe for a compatible small plate, main plate, or dessert. The process or methodology by which chef and bartender work in consort and their joint efforts to stretch palate perspectives are explored in lively headnotes, guiding the reader along the sensorial journey. Immensely readable, Cocktails at Dinner is an essential guide for everyone who loves food and drink.
