Essays in Canadian Economic History Harold Innis,2017-03-17 Harold A. Innis helped to found the field of Canadian economic history. He is best known for the staples thesis which dominated the discourse of Canadian economic history for decades. This volume collects Innis' published and unpublished essays on economic history, from 1929 to 1952, thereby charting the development of the arguments and ideas found in his books *The Fur Trade in Canada* and *The Cod Fisheries*. These essays capture Innis' ever evolving views on the practices and uses of economic history as well as Canadian economic history. The new introduction written by prominent historian Matthew Evenden provides a fresh take on Innis life's work and situates the essays in the context of his scholarship as well as recent studies on Canadian economic history. This volume offers invaluable insight into one of Canada's most original thinkers and his interpretation of our nation's history.

New Zealand's Great War Minesweepers, 1918-1919 Gerald Curtis Wright,2021 New Zealand's Great War Minesweepers 1918-1919, Simplon, Nora Niven, Hananui II during WW1. When German mines were found off the coast of New Zealand in 1917, the only minesweepers were in Britain. Unlike most countries, who did nothing except warn shipping to steer clear of their minefields, New Zealand set about dealing with the problem. Basically this is the story of minesweepers Simplon, Nora Niven and Hananui II, but as Gerry mentions in the foreword.....I first came across this story in 2014 when researching New Zealand Naval Casualties of The Great War. The story has been developed from newspaper reports and official records. On reviewing the hundreds of pages and documents, I was confronted with deciding what to publish and what to ignore. If the story was limited to the minesweepers, it would be a book of less than 50 pages and not record the operation's full story. I decided to publish everything as it was not my role as an author to decide what to use and what to ignore. So here I have recorded the whole saga 'warts and all' --Publisher's website.
