The Other End of the Leash Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog

lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Boost Your Immune System Jennifer Meek, 1996 Is there a cure for the common cold? Will there ever be an answer to the AIDS epidemic? Why is the incidence of cancer and other immune related diseases, from arthritis to cystitis, on the increase? Do the answers lie in boosting your immune system?

It's also been a hit among critics, too, with one recently writing, The worldview developed here transcends science, dogma, and belief, giving readers a new code to reconnect with their true, authentic individual and the Divine within that knows how to take back control, lead authentically and live freely on your terms. Brian Tracy, Author, Chairman and CEO of Brian Tracy International, quotes, This is an inspiring, enjoyable, fast-moving book that shows you how to unlock your full power for unlimited success. Marie Diamond, Global Transformational Teacher, a star from *The Secret*, describes it as A life manual that assists you in understanding how the Law of Attraction works, and it gives you valuable insights into the science of healing and changing your mindset that will transform your existence. The Hon Richard Evans, CEO ACE Modular Construction, depicts it as A fascinating read and easy to apply to everyday life, and a great book to return to time and time again.
