Drag Racing 201 – Racing in the New Economy Ike Heckler Jr, 2011-11-25 Following the success of his first book, *Drag Racing 101*, where IH Racing's Team Owner Ike Heckler Jr. explains how to build your first race car and secure sponsorship, Ike now brings you *Drag Racing 201 – Racing in the New Economy*. After racing at NHRA tracks in the northeast and southeast for the past 10 years in a booming economy where securing sponsorships was relatively easy, Ike takes you on an exciting journey through 2010 and explains what it is like to uproot your personal life in order to pursue the goal of semi-pro drag racing. With over 52 career round wins and national media exposure from SPEED TV's *Pinks All Out*, NHRA's *National Dragster*, and NMCA's *Fastest Street Car* magazine, Ike has secured corporate sponsorships from Lucas Oil, VP Racing Fuels, WIX Filters, O'Reilly Auto Parts, ReMax Realty, Holiday Inn Hotels & Resorts, CARQUEST Auto Parts, and Ken's Speed & Machine. IH Racing's primary sponsor, Premier Properties of the Space Coast, is owned by Mr. Heckler and develops residential and commercial properties in southeast Florida. In *Drag Racing 201* Ike explains how to use your own company together with your other sponsors to be able to fund a full race season and be able to travel the hundreds of miles from racetrack to racetrack economically. From getting into the Final 32 at the *Pinks All Out* event in West Palm, FL to making the *WIX All Out* 16 at the *Pinks All Out* event at zMax Dragway in Charlotte, Ike brings you along to all the other races and other fun events he was able to attend in 2010 with the help of good friends and sponsors. You will also ride along as he moves from Florida to North Carolina, then back to Florida just so he could honor his commitment to all his sponsors and race the season. He will also show you how the degrading economy affected his racing operation in 2010 and how he had to adjust and sacrifice his personal life to be able to race and survive. *Drag Racing 201* then looks into the future of the sport and projects how it may look a few years from now and gives the reader some valuable tips on how to afford racing a full season and how the racer may have to live differently in order to race and live their dream. Ike also gives the reader some valuable sponsorship tips along the way that will help with sponsor exposure and could make securing sponsorships a little easier. This 80 page full color book has over 75 pictures highlighting the West Palm FL, Charlotte NC, and the Bristol TN *Pinks All Out* events (and getting on SPEED TV), the Atlanta, NHRA *Unleashed* event, and what it feels like to work for an NHRA national event. If your goal is to drag race in the New Economy, this book is a must read that will save you money and increase your sponsor exposure !!

The Millionaire Fastlane MJ DeMarco,2011-01-04 10TH ANNIVERSARY EDITION Is the financial

plan of mediocrity -- a dream-stealing, soul-sucking dogma known as The Slowlane your plan for creating wealth? You know how it goes; it sounds a lil something like this: Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich. The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to settle-for-less and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of do what you love will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.
