Blood Codes Carmen Cady,2022-07-12 Two families. One choice. It's New Orleans in the 1900s, and in this novella, Jack Calloway stands at a crossroads. Does he continue down the same path of destruction? Or does he become the man his wife once knew? Thrust into a life with little choice and with no one to guide him, vampire William Thomas a.k.a. Jack Calloway, found a home in New Orleans. A new family took him in, taught him how to survive, and gave him a new code to live by. Blood. Thirty years later, Jack is unrecognizable. Slave to his teacher and taught to take without remorse, Jack values little. After centuries of destruction and warring with humans, the Dracul, twelve vampires from the oldest and most powerful families, have instituted a new set of laws. A code that trades antiquated ways of survival for a new structure, one that benefits all. Joined under one rule, the Ascenders learn to live among humans without taking their lives. Unfortunately, a group of rebels, The Vampire Sovereign League refuses to join and won't stop until they take down the Dracul. Jack's nestmate is the head of the VSL's Southern District, and Jack's learned to despise everything about the Dracul. When Jack befriends an Ascender, a growing resentment coupled with new knowledge, has Jack questioning it all. When Jack is given an impossible task, Jack must reconcile his past, present, and future. He must choose which code to live by. In this race against time, and the fight of his life, can Jack count on his friends as he answers the question-Is blood enough?

The Vampire Code E. C. Adams,2013-06-01 In a United States where vampires are another oppressed minority in search of cultural acceptance, and featuring a ruling vampire family that wants to change that - the Fiscards.As part of their plan to connect with mainstream mortal America, when one of their own is unjustly accused of murdering a human, the Fiscards hire one of New York's hottest young attorneys - a young woman by the name Aurora Lake - to stand by them in Vampire Court. But not every vampire wants to be assimilated, and not everybody approves of the obvious attraction between Aurora Lake and the vampire Sebastian Fiscard. As they struggle with their own feelings and with unseen, ancient forces trying to put a stop to their work - and to Aurora - will Aurora and Sebastian overcome The Resistance? And what about their resistance to what their own hearts, mortal and immortal, know to be true?

World of Vampires Code Genius,2013-07-15 Together, Chin-Sun, we made it!Baby, pack your suitcase! I'm taking you for the ride of your life. We are flying to Ottumwa, then Macao, and back to our beautiful home in Silicon Valley.To the popular girls who made fun of me in high school, you missed out!For the anti-socialists (i.e. the nerds, computer geeks, and the so called losers) don't worry because in my story, the nice guy finishes first. I'm living proof! For the dumb women out there like my stupid sisters who continue to date jerks, read the second part of this story carefully. It's your life: Don't settle for someone who is settling for you!To the media reporters who never wrote about my games... you should have seen my greatness when I was a nobody. Haaahaaaa, now you send emails to my company, requesting exclusive content of our games. Nope, sorry, you're getting nothing! I am sticking with the small media outlets, because they supported my work from Day One. I will help them grow, not you! For once, know what it feels like to be rejected.Success is the best revenge.

The Oldest Living Vampire Reborn Joseph Duncan,2017-05-18 Defeated and dismembered by his mortal enemy Khronos, the God King of the vampires, Gon has been consigned to a fate worse than death. Head mounted over the city gates, mute witness to all the horrors of his captor's perverse kingdom, Gon can do naught but await his final dissolution. But even now his allies move to free him, to gather the pieces of his Divided body and restore him, for only Gon has the strength to challenge the God King. Meanwhile, in modern day Germany, the Oldest Living Vampire, weary of his

interminable existence, completes the journey to the land where he was born... to the place where he, with the assistance of a vicious new acolyte, plans to end his very long life. An indie bestseller since its debut in 2010, *The Oldest Living Vampire Saga* has captivated readers with its unique take on the vampire mythos, its lush portrayal of the prehistoric world, and its shocking violence and sexuality.

Thief of Lives Barb Hendee, 2004 Magiere the dhampir thinks that her nights of hunting vampires are over. But far away in the capital city of Bela, a prominent councilman's daughter has been found dead on her own doorstep ... and all signs point to a vampire.

Gothicka Victoria Nelson, 2012-04-23 The Gothic, Romanticism's gritty older sibling, has flourished in myriad permutations since the eighteenth century. In *Gothicka*, Victoria Nelson identifies the revolutionary turn it has taken in the twenty-first. Today's Gothic has fashioned its monsters into heroes and its devils into angels. It is actively reviving supernaturalism in popular culture, not as an evil dimension divorced from ordinary human existence but as part of our daily lives. To explain this millennial shift away from the traditionally dark Protestant post-Enlightenment Gothic, Nelson studies the complex arena of contemporary Gothic subgenres that take the form of novels, films, and graphic novels. She considers the work of Dan Brown and Stephenie Meyer, graphic novelists Mike Mignola and Garth Ennis, Christian writer William P. Young (author of *The Shack*), and filmmaker Guillermo del Toro. She considers twentieth-century Gothic masters H. P. Lovecraft, Anne Rice, and Stephen King in light of both their immediate ancestors in the eighteenth century and the original Gothic—the late medieval period from which Horace Walpole and his successors drew their inspiration. Fictions such as the *Twilight* and *Left Behind* series do more than follow the conventions of the classic Gothic novel. They are radically reviving and reinventing the transcendental worldview that informed the West's premodern era. As Jesus becomes mortal in *The Da Vinci Code* and the child Ofelia becomes a goddess in *Pan's Labyrinth*, Nelson argues that this unprecedented mainstreaming of a spiritually driven supernaturalism is a harbinger of what a post-Christian religion in America might look like.

The Care and Feeding of Stray Vampires Molly Harper, 2012-07-31 A comedic paranormal romance about a vampire concierge, set in Molly Harper's popular world of Half-Moon Hollow. Iris Scanlon, Half-Moon Hollow's only daytime vampire concierge, knows more about the undead than she'd like. Running their daylight errands—from letting in the plumber to picking up some chilled Faux Type O—gives her a look at the not-so-glamorous side of vamps. Her rules are strict; relationships are purely business, not friendship—and certainly not anything more. Then she finds her newest client, Cal, poisoned on his kitchen floor, and her quiet life turns upside down. Cal—who would be devastatingly sexy, if Iris thought vampires were sexy—offers Iris a hefty fee for hiding him at her place. And even though he's imperious, unfriendly, and doesn't seem to understand the difference between “employee” and “servant,” she agrees. But as they search for who wants him permanently dead, Iris is breaking more and more of her own rules...particularly those about nudity. Could it be that what she really needs is some intrigue and romance—and her very own stray vampire?

Seasons in the Literatures of the Medieval North P. S. Langeslag, 2015 A fresh examination of how the seasons are depicted in medieval literature.

Crouching Vampire, Hidden Fang Katie Macalister, 2009-05-05 For a woman married to the vampire of her nightmares, the honeymoon's over- and reality bites... Pia Thomason is torn between two Dark Ones: her husband Kristoff—who doesn't trust her—and his best friend, Alec, who is MIA. So Pia goes back to her humdrum Seattle life, but fate has other plans. And she realizes that if she and Kristoff are going to be shackled together for better or worse, she may as well start to enjoy it... Read Katie MacAlister's posts on the Penguin Blog.

Double Dead Chuck Wendig, 2011-11-15 In the Zombie apocalypse the last vampire on Earth has a hell of time keeping his food alive... A Vampire In Zombieland Coburn's been dead now for close to a century, but seeing as how he's a vampire and all, it doesn't much bother him. Or at least it didn't, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead – but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like flesh. He's smart. Them, not so much. But they outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he's starving. And on the run. And more pissed-off than a beestung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector – after all, a man has to look after his food supply.

The Psychic Vampire Codex Michelle A Belanger, 2004-07-01 *The Psychic Vampire Codex* is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal. Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In *The Psychic Vampire Codex*, Michelle Belanger, author

and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques. Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

Saltwater Vampires Kirsty Eagar,2010-08-25 He looked to the sky, praying for rain, a downpour, some sign from the heavens that he should refuse the abomination contained in that flask. But all he saw was the bloated white face of the moon smiling down on him And the sky around it was cold and clear and black They made their circle of blood. And only the moon witnessed the slaughter that followed. For Jamie Mackie, summer holidays in the coastal town of Rocky Head mean surfing, making money, and good times at the local music festival. But this year, vampires are on the festival's line-up fulfilling a pact made on the wreck of the Batavia, four hundred years ago. If their plans succeed, nobody in Rocky Head will survive to see out the new year.

Nice Girls Don't Bite Their Neighbors Molly Harper,2012-02-28 While dealing with wedding preparations and the cantankerous ghost of her grandma who has declared war on the fanged residents of River Oaks, Jane is ordered by the Council to babysit a newborn vamp until he can control his thirst, which causes her fiance to become insanely jealous.

JPod Douglas Coupland,2011-03-18 A lethal joyride into today’s new breed of technogeeks, Coupland’s JPod updates Microserfs for the age of Google. Ethan Jarlewski and five co-workers whose names start with J are bureaucratically marooned in jPod, a no-escape architectural limbo on the fringes of a massive Vancouver game design company. The six workers daily confront the forces that define our era: global piracy, boneheaded marketing staff, people smuggling, the rise of China, marijuana grow-ops, Jeff Probst and the ashes of the 1990s financial tech dream. jPod’s universe is amoral and shameless. The characters are products of their era even as they’re creating it. Everybody in Ethan’s life inhabits a moral grey zone. Nobody is exempt, not even his seemingly straitlaced parents or Coupland himself, as readers will see. Full of word games, visual jokes and sideways jabs, this book throws a sharp, pointed lawn dart into the heart of contemporary life. JPod is Douglas Coupland at the top of his game.

Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
