Jessica J Manson

Honor on the Line Robert J. Scott, Myles A. Pocta, 2012-07-27 It was the fall of 1940, and Americans turned to college football for relief from the turbulent world around them. The Depression still had its grip on the nation and, across the Atlantic, the Battle of Britain raged. As war crept closer every day, the nation's first peacetime draft called Americans to the defense of the country. While the great Tom Harmon of Michigan set new standards on the gridiron, on other fields black stars struggled for the right to play. At Stanford, coaching genius Clark Shaughnessy reinvented the game and in the process engineered the greatest turnaround in the history of college football. But the team everybody was talking about was Cornell. Fueled by the most powerful offense in the country, the Big Red dominated the national rankings until, on a snowy field at Dartmouth, they eked out a win with a touchdown on the last play of the game or did they? When it came to light that the touchdown had been scored on a grievous error by the officials, Cornell, undefeated and in the race for the national championship, faced a wrenching decision. The 1940 season was one of the most exciting on record and one that taught America about the values that really matter.

The 10 Most Intense College Football Rivalries Kevin Yuen, 2008-04 Oversized books written in the popular top-ten countdown format.

Game Day Craig James, 2009-08-11 The popular college football analyst weighs in on the craziness of college football and the 2008 season. If television's college football analysts had a Hall of Fame, Craig James would definitely be in it. His opinion and insight on ABC and ESPN—not to mention occasional jabs of sharp humor and Texas charm—are as addictive as the games are. *Game Day* takes a complete inside look at the 2008 college football season—from James's

behind-the-scenes Spring Tour when he met with players and coaches from twenty top programs to the bowl season. He makes the book timeless by using the season as a springboard to tell tons of great college football stories from his twenty years spent covering the sport . Captures twenty years of unforgettable college football wit and wisdom from his time as a player at SMU and for the New England Patriots through his time in the booth Includes details about most of the top twenty programs around the country Covers the game the way only James can (No one can capture the essence and spirit of a college football season better than Craig.-Doug Flutie) No matter what team you support or how well they did in 2008, if you love college football, Game Day is a book you just have to read.

Scoreboard, Baby Ken Armstrong, Nick Perry, 2010-09-01 The adjectives associated with the University of Washington's 2000 football season-mystical, magical, miraculous-changed when Ken Armstrong and Nick Perry's four-part exposé of the 2000 Huskies hit the newspaper stands: "explosive . . . chilling" (Sports Illustrated), "blistering" (Baltimore Sun), "shocking . . . appalling" (Tacoma News Tribune), "astounding" (ESPN), "jaw-dropping" (Orlando Sentinel). Now, in Scoreboard, Baby, Armstrong and Perry go behind the scenes of the Huskies' Cinderella story to reveal a timeless morality tale about the price of obsession, the creep of fanaticism, and the ways in which a community can lose even when its team wins. The authors unearth the true story from firsthand interviews and thousands of pages of documents: the

forensic report on a bloody fingerprint; the notes of a detective investigating allegations of rape; confidential memoranda of prosecutors; and the criminal records of the dozen-plus players arrested that year with scant mention in the newspapers and minimal consequences in the courts. The statement of a judge, sentencing one player to thirty days in jail, says it all: "to be served after football season." Read additional praise.

Football in the Pac-10 Adam Hofstetter, 2007-08-15 Profiles the history and individual teams of the Pac-10 football conference.

Every Week a Season Brian Curtis, 2007-12-18 "Brian Curtis tells the stories behind the stories. He brings the meetings, practice sessions, recruiting calls and game day experience to light like never before. Fans who want to know what goes on behind the scenes will find out in this book." -RON ZOOK, head football coach, the University of Florida In *Every Week a Season*, acclaimed sports reporter and author Brian Curtis takes readers on an unprecedented whirlwind tour of NCAA Division I football. It's a world that breeds great drama, a world that millions watch but few understand. It is a multibillion-dollar business. It is an obsession. To get to the beating heart of college football, Curtis embarked on a breakneck itinerary that took him where all red-blooded college football fans long to be: behind the scenes at nine big-time programs. In nine weeks, Curtis visited Colorado State University, the University of Georgia, Boston College, the University of Tennessee, the University of Maryland, the University of Wisconsin, Louisiana State University, Florida State University, and Arizona State University. He braved the rain to watch Wisconsin pull off the upset of the year; he was at Neyland Stadium to see Tennessee manage a thrilling overtime victory; he was in Tallahassee to witness Florida State's dramatic double overtime battle for

the ACC title. As added bonuses, he was with Georgia when the team fought for the SEC Championship, and on the LSU sideline when the boys from Baton Rouge defeated Oklahoma to capture the BCS National Championship. At each stop, he brings us inside the game's inner sanctum: in team meetings and scouting sessions; on the field and on the sidelines, during scrimmages, practices, and games; at pre-game traditions, meals, and religious services; in the locker room before the game and at half-time. Virtually nothing and no one was off-limits. Along with the players, Curtis got to know the coaches—from the young guns to the legends—spending time with them in their offices and on the road. We see firsthand the challenges of running a major college football program—when called on, coaches must serve as CEOs, PR gurus, lawyers, politicians, and policemen. We also learn of the sacrifices made by wives and children that enable coaches to keep the numerous young athletes under their supervision focused, secure, and happy. Brian Curtis gives a no-holds-barred insider's account that will rank as one of the most honest and accurate books on big-time sports in America. Short of strapping on a helmet, you'll never get closer to the game.

College Football's Most Memorable Games, 2d ed. Fred Eisenhammer, Eric B. Sondheimer, 2010-09-24 Presented here are 60 games featuring some of the most outstanding efforts in history—dramatic comebacks (such as USC's 1974 triumph over Notre Dame), stunning upsets (Columbia's 21-20 win over Army in 1947 or Appalachian State's over Michigan, 34-32, in 2007—see front cover), great individual efforts (Jim Brown's 43 points in a single game), bizarre plays (Roy Riegel's wrong-way run that helped Georgia Tech defeat California), and Yale-Harvard, 29-29, in 1968 (the latter scoring 16 points in the final 42 seconds). Each story includes the highlights of the games, with quotes from

many of the principals, a look at the contest's effects on football overall, career follow-ups for the key participants, and seasonal wrap-ups for the teams involved.

Who's #1? Christopher J. Walsh, 2007-09-27 There's nothing quite as controversial in American sports as college football's national championship, making it common fodder for talk around the water cooler as well as loftier debates among professional journalists in the sports pages. Walsh takes a comprehensive view of over a century of controversy, breaking teams down into

one of three categories: perennial powers, contenders, and former greats. He then reviews the ten most controversial championships, suggests candidates for the best overall football program, and concludes with some thoughts on the future of the BCS. A comprehensive appendix lists national champions since 1869; AP and USA Today/UPI final polls; final BCS standings; first-team All-Americans; and College Football Hall of Fame inductees.
