

College Football Scoreboard

Bill Connelly

Scoreboard, Baby Ken Armstrong, Nick Perry, 2010-09-01 The adjectives associated with the University of Washington's 2000 football season—mystical, magical, miraculous—changed when Ken Armstrong and Nick Perry's four-part exposé of the 2000 Huskies hit the newspaper stands: "explosive . . . chilling" (Sports Illustrated), "blistering" (Baltimore Sun), "shocking . . . appalling" (Tacoma News Tribune), "astounding" (ESPN), "jaw-dropping" (Orlando Sentinel). Now, in *Scoreboard, Baby*, Armstrong and Perry go behind the scenes of the Huskies' Cinderella story to reveal a timeless morality tale about the price of obsession, the creep of fanaticism, and the ways in which a community can lose even when its team wins. The authors unearth the true story from firsthand interviews and thousands of pages of documents: the forensic report on a bloody fingerprint; the notes of a detective investigating allegations of rape; confidential memoranda of prosecutors; and the criminal records of the dozen-plus players arrested that year with scant mention in the newspapers and minimal consequences in the courts. The statement of a judge, sentencing one player to thirty days in jail, says it all: "to be served after football season." Read additional praise.

Honor on the Line Robert J. Scott, Myles A. Pocta, 2012-07-27 It was the fall of 1940, and Americans turned to college football for relief from the turbulent world around them. The Depression still had its grip on the nation and, across the Atlantic, the Battle of Britain raged. As war crept closer every day, the nation's first peacetime draft called Americans to the defense of the country. While the great Tom Harmon of Michigan set new standards on the gridiron, on other fields black stars struggled for the right to play. At Stanford, coaching genius Clark Shaughnessy reinvented the game and in the process engineered the greatest turnaround in the history of college football. But the team everybody was talking about was Cornell. Fueled by the most powerful offense in the country, the Big Red dominated the national rankings until, on a snowy field at Dartmouth, they eked out a win with a touchdown

on the last play of the game or did they? When it came to light that the touchdown had been scored on a grievous error by the officials, Cornell, undefeated and in the race for the national championship, faced a wrenching decision. The 1940 season was one of the most exciting on record and one that taught America about the values that really matter.
