Daily Life of Women in the Progressive Era

Kirstin Olsen, 2019-06-24 This book illustrates the social change that took place in the lives of women during the Progressive Era. The political and social change of the Progressive Era brought conflicts over labor, women's rights, consumerism, religion, sexuality, and many other aspects of American life. As Americans argued and fought over suffrage and political reform, vast changes were also taking place in women's professional, material, personal, recreational, and intellectual lives. In this installment of Greenwood's Daily Life through History series, award-winning author Kirstin Olsen brings to life the everyday experiences, priorities, and challenges of women in America's Progressive Era (ca. 1890-1920). From the barnstorming bloomer girls who showed America that women could play baseball to film star, tycoon, and co-founder of the Academy of Motion Pictures Mary Pickford, and from the highly skilled Hello Girls—telephone operators who helped win World War I—to the remarkable journalist and civil rights activist Ida Wells-Barnett, women led both famous and ordinary lives that were shaped by and helped to drive the dramatic social change taking place during the Progressive Era. All of this and more is described in this book through topical sections as well as stories and profiles that reveal to readers the daily lives of America's women who lived during the Progressive Era. Readers will benefit from Olsen's characteristically sharp eye for detail, power of description, and breadth of historical knowledge.

Packaging Girlhood Sharon Lamb, Ed.D., Lyn Mikel Brown, Ed.D., 2007-04-01 The stereotype-laden message, delivered through clothes, music, books, and TV, is essentially a continuous plea for girls to put their energies into beauty products, shopping, fashion, and boys. This constant

marketing, cheapening of relationships, absence of good women role models, and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences, give them guidance on how to talk to their daughters about these negative images, and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia*, *Odd Girl Out*, *Queen Bees* and *Wannabees* that examine the world of girls, this book promises to not only spark debate but help parents to help their daughters.

Images of Women in the Media Helen Butcher, University of Birmingham. Centre for Contemporary Cultural Studies. Women's Studies Group, 1974

Unheard Witness Jo Scott-Coe, 2023-10-17 *Unheard Witness* foregrounds a young woman's experience of domestic abuse, resistance, and survival before the mass shooting at the University of Texas at Austin in 1966. In 1966, Kathy Leissner Whitman was a twenty-three-year-old teacher dreaming of a better future. She was an avid writer of letters, composing hundreds in the years before she was stabbed to death by her husband, Charles Whitman, who went on to commit a mass shooting from the tower at the University of Texas at Austin. Kathy's writing provides a rare glimpse of how one woman described, and sought to change, her short life with a coercive, controlling, and violent partner. *Unheard Witness* provides a portrait of Kathy's life, doing so at a time when Americans are slowly grasping the link between domestic abuse and mass shootings. Public violence often follows violence in the home, yet such private crimes continue to be treated separately and even erased in the public imagination. Jo Scott-Coe shows how Kathy's letters go against the grain of

the official history, which ignored Kathy's perspective. With its nuanced understanding of abuse and survival, *Unheard Witness* is an intimate, real-time account of trust and vulnerability—in its own way, a prologue to our age of atrocities.

The Body Project Joan Jacobs Brumberg, 1998-09-01
The award-winning author of *Fasting Girls* explores what teenage girls have lost in this new world of freedom and consumerism—a world in which the body is their primary project. Fascinating ... riveting ... Women and girls should read this fine book together. —The New York Times Book Review
A hundred years ago, women were lacing themselves into corsets and teaching their daughters to do the same. The ideal of the day, however, was inner beauty: a focus on good deeds and a pure heart. Today American women have more social choices and personal freedom than ever before. But fifty-three percent of our girls are dissatisfied with their bodies by the age of thirteen, and many begin a pattern of weight obsession and dieting as early as eight or nine. Why? In *The Body Project*, historian Joan Jacobs Brumberg answers this question, drawing on diary excerpts and media images from 1830 to the present. Tracing girls' attitudes toward topics ranging from breast size and menstruation to hair, clothing, and cosmetics, she exposes the shift from the Victorian concern with character to our modern focus on outward appearance—in particular, the desire to be model-thin and sexy. Compassionate, insightful, and gracefully written, *The Body Project* explores the gains and losses adolescent girls have inherited since they shed the corset and the ideal of virginity for a new world of sexual freedom and consumerism—a world in which the body is their primary project.

Middle Tennessee State University Lisa
Pruitt, Holly Barnett, Nancy Morgan, 2001-06-01

Middle Tennessee State University was founded in 1911 as a two-year training school for teachers and has since evolved through myriad changes--in name, in size, in administration, and in academic and athletic resources. Change has also swept through the campus with the ebb and tide of the American climate during some of the twentieth century's most turbulent eras, including World Wars I and II, the New Deal period, and the Civil Rights Movement. What has remained steadfast through the years at this revered Tennessee institution is a commitment to excellence, and a faculty, staff, and student body in constant pursuit of the rewards of higher education. Located on a 500-acre campus in Murfreesboro, Middle Tennessee State University boasts a wide array of opportunities for a student population of nearly 20,000. Courses in everything from agriscience to aerospace, from criminal justice to the recording industry offer budding scholars a chance to explore a wide variety of disciplines, while they also enjoy participating in team sports, academic societies, and social organizations. Within these pages, students, alumni, and friends of the university will travel down memory lane through a unique photographic tribute to the Blue Raiders. Images of dormitories in the 1920s, World War II campus drills, the first Greek organizations, General MacArthur's visit, homecoming floats, band performances, and early sports teams illuminate the school's colorful history.

Resilient Black Girl M. J. Fievre, 2021-09-14 An
Empowering Antiracist Book for Teens Resilient
Black Girl is a timely and powerful book for our
Black girls and girls of color to reclaim their
confidence and be beacons of courage and hope for
generations to come. Shanicia Boswell, author, Oh
Sis, You're Pregnant! #1 New Release in Social
Activists, Maturing, Women, and Teen & Young Adult
21st Century United States History As a social
justice book for teens and a book about racism,
Resilient Black Girl provides Black teen girls a
better understanding of the effects of racism and
equips them with skills for navigating spaces in
their daily lives. An antiracist book for teens
about the realities of being Black and combating
racism. Young Black girls and young Black women
are powerful. Unfortunately, you will face
microaggressions and racism in your daily life.
Resilient Black Girl empowers you to be brave and
face challenges of oppression. Become a community
leader and an important member of society. In the
spirit of the Black Lives Matter movement, learn
to be a positive element in your community through
allyship and activism. This journal and activity
workbook provides the steps to achieving your
personal and public goals. Grow in confidence.
Black girls have many gifts; one is resiliency.
While you are strong and can overcome anything,
racism affects physical and mental health. As an
antiracist book for teens, Resilient Black Girl
teaches Black teen girls about racism and helps
them discover how to be kind to themselves and to
love and take care of themselves. Learn how to:
Understand and combat racism and microaggressions
Become a community leader Be brave, empowered, and
self-reliant Seeking young adult nonfiction social

justice books for teens? Resilient Black Girl is the perfect read for Black teen girls, especially if you enjoyed Badass Black Girl, This Book Is Anti-Racist, or Well-Read Black Girl.

Women, Violence, and the Media Drew

Humphries, 2009-04-15 Provocative collection of essays designed to give students an understanding of media representations of women's experience of violence and to educate a new generation to recognize and critique media images of women

Mean Girls at Work: How to Stay Professional

When Things Get Personal Katherine Crowley, Kathi Elster, 2012-11-02 One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she

doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You’ve just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they’re not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today’s transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of How to Talk to Anyone “If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn’t exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Kreamer, author of It’s Always Personal: Navigating Emotion in the New Workplace “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who’s seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women’s Foundation “A must-read for women of all ages in today’s workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development

and Training, Office of Human Resources,
California State University, Sacramento

Diaries of Girls and Women Suzanne L.

Bunkers, 2001-05-30 Diaries of Girls and Women
captures and preserves the diverse lives of forty-
seven girls and women who lived in Minnesota,
Iowa, and Wisconsin between 1837 and 1999—young
schoolgirls, adolescents coming of age, newlywed
wives, mothers grieving the loss of children,

teachers, nurses, elderly women, Luxembourger immigrant nuns, and women traveling abroad. A compelling work of living history, it brings together both diaries from historical society archives and diaries still in possession of the diarists or their descendents. Editor Suzanne L. Bunkers has selected these excerpts from more than 450 diaries she examined. Some diaries were kept only briefly, others through an entire lifetime; some diaries are the intensely private record of a life, others tell the story of an entire family and were meant to be saved and appreciated by future generations. By approaching diaries as historical documents, therapeutic tools, and a form of literature, Bunkers offers readers insight into the self-images of girls and women, the dynamics of families and communities, and the kinds of contributions that girls and women have made, past and present. As a representation of the girls and women of varied historical eras, locales, races, and economic circumstances who settled and populated the Midwest, *Diaries of Girls and Women* adds texture and pattern to the fabric of American history.

Shaping the American Interior Paula Lupkin, Penny Sparke, 2018-05-11 Bringing together 12 original essays, *Shaping the American Interior* maps out, for the first time, the development and definition of the field of interiors in the United States in the period from 1870 until 1960. Its interdisciplinary approach encompasses a broad range of people, contexts, and practices, revealing the design of the interior as a collaborative modern enterprise comprising art, design, manufacture, commerce, and identity construction. Rooted in the expansion of mass production and consumption in the last years of the nineteenth century, new and diverse structures came to define the field and provide formal and informal contexts for design work. Intertwined

with, but distinct from, architecture and merchandising, interiors encompassed a diffuse range of individuals, institutions, and organizations engaged in the definition of identity, the development of expertise, and the promotion of consumption. This volume investigates the fluid pre-history of the American profession of interior design, charting attempts to commoditize taste, shape modern conceptions of gender and professionalism, define expertise and authority through principles and standards, marry art with industry and commerce, and shape mass culture in the United States.

NIV, True Images Bible Zondervan, 2017-06-27 For 15 years, the best-selling NIV True images Bible for Teen Girls has been a trusted resource guiding teen girls ages 13-18 towards a closer relationship with God. Updated for this generation, this new edition is packed with tools and insight to help teens navigate today's contemporary cultural issues with confidence, love, and grace. Facing today's contemporary issues can be difficult, but the NIV True Images Bible gives teen girls a fresh perspective on faith-related issues and provides tools to navigate a complex world. They will ask the big questions, take valuable lessons to heart, and help others do the same. Beautifully designed from the inside out, this Bible is filled with challenging insights, honest advice, and personal notes helping teen girls build a closer relationship with God as they set out on a personal journey of their world. Following Jesus isn't unfashionable or illusive. It's an authentic way of life! This newly updated edition uses the accurate, readable, and clear NIV translation and includes features strategically designed to empower teen girls in their quest for truth. Features: Complete text of the accurate, readable, and clear New International Version 12 Magazine-

Style Quizzes that help girls learn more about themselves In-depth introductions establish the context of each book in the Old and New Testaments. "In Focus" notes explain the Bible's perspective on contemporary cultural topics such as perfectionism, spiritual growth, eating disorders, pornography, prayer, self-harm, relationships, sex, bullying and popularity on social media Over 300 "Genuine" notes focus on the value of authenticity and true inner beauty. Over 100 "Love Notes" give opportunities to reflect on God's love. 500 "Dare to Believe" challenges help you discover God's truth about life and faith. 52 "Mirror Images" share the stories of Biblical women. "Christianity 101" introduces you to the basics of Christianity "Beliefs 101" helps you dig deep into the underlying principles that shape your worldview

Learning to Win Pamela Grundy, 2003-04-03 Over the past century, high school and college athletics have grown into one of America's most beloved--and most controversial--institutions, inspiring great loyalty while sparking fierce disputes. In this richly detailed book, Pamela Grundy examines the many meanings that school sports took on in North Carolina, linking athletic programs at state universities, public high schools, women's colleges, and African American educational institutions to social and economic shifts that include the expansion of industry, the advent of woman suffrage, and the rise and fall of Jim Crow. Drawing heavily on oral history interviews, Grundy charts the many pleasures of athletics, from the simple joy of backyard basketball to the exhilaration of a state championship run. She also explores conflicts provoked by sports within the state--clashes over the growth of college athletics, the propriety of women's competition, and the connection between sports and racial integration, for example. Within

this chronicle, familiar athletic narratives take on new meanings, moving beyond timeless stories of courage, fortitude, or failure to illuminate questions about race, manhood and womanhood, the purpose of education, the meaning of competition, and the structure of American society.

Good Housekeeping ,1909

Good Housekeeping Magazine ,1909

Reading Women Stephanie Staal,2011-02-22 When Stephanie Staal first read *The Feminine Mystique* in college, she found it “a mildly interesting relic from another era.” But more than a decade later, as a married stay-at-home mom in the suburbs, Staal rediscovered Betty Friedan's classic work—and was surprised how much she identified with the laments and misgivings of 1950s housewives. She set out on a quest: to reenroll at Barnard and re-read the great books she had first encountered as an undergrad. From the banishment of Eve to Judith Butler's *Gender Trouble*, Staal explores the significance of each of these classic tales by and of women, highlighting the relevance these ideas still have today. This process leads Staal to find the self she thought she had lost—curious and ambitious, zany and critical—and inspires new understandings of her relationships with her husband, her mother, and her daughter.

Valdosta State University Deborah Skinner Davis,2001-04-12 In January of 1913, South Georgia State Normal College opened in Valdosta, Georgia, with three students who paid \$10 a year for tuition and \$12 per month for food and board. Colonel W.S. West donated land for the campus to the state, the Georgia Senate allocated \$25,000 to the school, the city of Valdosta raised \$50,000, and Richard Holmes Powell was chosen as the school's first president. From this early ambitious endeavor to educate the traditionally underserved students of South Georgia grew a

college that has served not only as an institution of higher learning but also as a valuable resource for citizens all over the region. Known as Georgia State Womens College (1992-1950) and Valdosta State College (1950-1993), Valdosta State University boasts a long and distinguished history. What was once a training school for teachers now offers a wide variety of undergraduate programs and awards masters and several doctorate degrees. Within these pages, the colorful characters, cherished traditions, memorable social and sporting events, and picturesque campus of VSU are all brought to life. Photographs taken from the Valdosta State University Archives date back to the school's beginnings, before the student body became co-educational. View the early May Queens and their courts parading on school grounds and the Old English Christmas Feast; step back to the days when men first arrived on campus, bringing a variety of new social, civic, and athletic organizations with them; and discover the remarkable beauty of the school's Spanish Mission-style campus.

Starving For Salvation Michelle Mary
Lelwica, 1999-09-02 In recent years, eating disorders among American girls and women have become a subject of national concern. Conventional explanations of eating problems are usually framed in the language of psychology, medicine, feminism, or sociology. Although they differ in theory and approach, these interpretations are linked by one common assumption--that female preoccupation with food and body is an essentially secular phenomenon. In *Starving for Salvation*, Michelle Lelwica challenges traditional theories by introducing and exploring the spiritual dimensions of anorexia, bulimia, and related problems. Drawing on a range of sources that include previously published interviews with sufferers of

eating disorders, Lelwica claims that girls and women starve, binge, and purge their bodies as a means of coping with the pain and injustice of their daily lives. She provides an incisive analysis of contemporary American culture, arguing that our dominant social values and religious legacies produce feelings of emptiness and dissatisfaction in girls and women. Trapped in a society that ignores and denies their spiritual needs, girls and women construct a network of symbols, beliefs, and rituals around food and their bodies. Lelwica draws a parallel between the patriarchal legacy of Christianity, which associates women with sin and bodily cravings, and the cultural preference for a thin female body. According to Lelwica, these complimentary forces form a popular salvation myth that encourages girls and women to fixate on their bodies and engage in disordered eating patterns. While this myth provides a sense of meaning and purpose in the face of uncertainty and injustice, Lelwica demonstrates that such rigid and unhealthy devotion to the body only deepens the spiritual void that women long to fill. Although Lelwica presents many disturbing facts about the origins of eating disorders, she also suggests positive ways that our society can nourish the creative and spiritual needs of girls and women. The first step, however, is to acknowledge that female preoccupation with thinness and food signifies a strong desire for fulfillment. Until we recognize and contest the religious legacies and cultural values that perpetuate eating disorders, many women will continue to turn to the most accessible symbolic and ritual resources available to them--food and their bodies--in an attempt to satiate their profound spiritual hunger.

College Girls Daily Wallpaper Book Review:

Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **College Girls Daily Wallpaper**, a literary masterpiece that delves deep to the significance of words and their affect our lives.
