Confessions of a Scholarship Winner Kristina Ellis,2013-03-20 Kristina Ellis was awarded a full scholarship through her PhD. How she managed to get that kind of a scholarship offer is revealed in this book. Raised by a single mother, Kristina appeared to have everything stacked against her -- years of living below the poverty level, imperfect grades and sub-par SAT scores. Yet Kristina discovered the secrets to effectively presenting herself as a unique and desirable scholarship candidate. And she's sharing her secrets for scholarship success with students (and their parents) so that they too can obtain money for college.

Cash for Grad School (TM) Cynthia R. McKee,Phillip C. McKee,2004-08-10 Cash For Grad School Learn the secrets of experienced scholarship winners! Cynthia and Phillip McKee have created the sourcebook on finding scholarship money that includes more than 2,500 entries representing over \$2 billion in scholarships and grants! But this book is more than just a compendium of scholarships. It is also a step-by-step road map through the entire financial application process. The McKees explain how to create a sparkling résumé, write persuasive essays, obtain recommendation letters, negotiate the financial-aid maze, avoid common pitfalls, and learn the useful shortcuts that can pave the way for success. Sample letters, schedules, and charts show you how to prepare your strongest application and stay on top of deadlines. A comprehensive index helps you find all the scholarship opportunities for which you may be eligible.

Scholarship Strategies Jean O'Toole,2019-04-23 Scholarship Strategies empowers students to be uniquely proactive towards their scholarship search process, enabling them to find more scholarships than with the traditional approach through the guidance and college offices at their schools. The current approach to finding scholarships to reduce college costs is not giving families the results they need. College costs continue to rise and so does student loan debt. As a recipient of an academic college scholarship as well as several outside scholarships, Jean O'Toole was able to attend Wagner College, but she and her family still had to pay for the remainder

of her education with student loans. A different approach is needed to provide families with different results. In *Scholarship Strategies*, Jean simplifies the scholarship application process in easy-to-follow steps which any student can incorporate into their already busy schedules. She provides students and parents with a clear plan to decipher which scholarships have the best chances of winning and should be applied to. This easy-to-follow, out-of-the-box approach was developed over a decade of working with thousands of students, giving students and families ownership of the scholarship search process to build on the efforts that their school counselors are already providing. A future can be designed without college debt, and *Scholarship Strategies* with its 25 clear strategies, along with 15 additional ways to reduce college costs, helps students live that future.

Debt-Free Degree Anthony O'Neal, 2019-10-07 Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

Scholarships 101 Kimberly Ann STEZALA,2008-07-23 In the next five years, sixteen million high school students will graduate, making up the largest group of high school graduates in this country's history. Those students who are fortunate enough to be on the honor roll or the star quarterback of the football team will have access to the best scholarships. But what will happen to the rest of them—those students who have the potential for a great college career, but not necessarily the financial backing to attend the school of their dreams? Author Kimberly Stezala passionately believes that every student should have access to a quality education. Now, she shows parents and their kids how to approach the scholarship process like a pro. Filled with inspiring advice from successful students and scholarship providers, Scholarships 101 shows aspiring college students how to: apply for those scholarships that are the best match for their profile and skills • create a scholarship application that will stand apart from the rest and impress the judges • find the buried treasure of scholarships that aren't necessarily available on common websites • build a team of supporters in their scholarship quest Straightforward and savvy, this book provides the extra boost many students need to plan for their futures and receive the education they deserve.
