Collins German-English, English-German Dictionary Peter Terrell, 1993 This German dictionary contains over 280,000 references and offers comprehensive coverage of current German and English. Examples and phrases are provided to illustrate constructions and usage. A feature of this book is a 72-page section at the back of the book entitled Language in Use, which is a grammar of communication in German and English, arranged thematically, to facilitate self-expression in the foreign language. Emphasis is placed on current German and English, with treatment of the basic vocabulary of each language, different meanings and context signposted throughout, style levels marked to provide advice and warnings to the non-native user, pronunciation in IPA, and full treatment of English phrasal verbs and US English coverage.--Amazon.com viewed Nov. 7, 2022.
