Medios de comunicación iberoamericanos y agregadores de noticias: análisis a las ediciones de Google News

Brasil, Colombia, España, México y Portugal Tania Lucía Cobos Cobos,2017 Esta tesis doctoral, de alcance exploratorio y descriptivo, se propuso como objetivo realizar un análisis de los medios de comunicación, con énfasis en los iberoamericanos, indexados en las ediciones de Google News Brasil, Colombia, España, México y Portugal, en aspectos como su identificación -cuántos y quiénes eran, y cuáles eran iberoamericanos-; su ubicación geográfica -país de origen-; sus cuotas de agregación de noticias -su visibilidad y rol de proveedores-; su empresa de medios propietaria -a quiénes pertenecían-; y las percepciones y experiencias sobre el agregador de noticias que tenían los editores en jefe, directores o propietarios de los medios iberoamericanos indexados es este. Se construyó un referente teórico en torno a los medios de comunicación y las noticias que abordó a los medios de comunicación como innovaciones tecnológicas; la economía de la comunicación de masas; los medios de comunicación como el cuarto poder, las compañías tecnológicas, internet y los medios de comunicación; la distribución de las noticias en la Web y los modelos de negocios, los agregadores de noticias y la infomediación. Posteriormente se hizo una aproximación a Google y a su agregador de noticias Google News en aspectos como su origen, evolución, estructura, funcionamiento, su significado para Google y su relación con los medios de comunicación. Se implementó una metodología mixta, tanto cualitativa como cuantitativa, y asimismo hizo uso de métodos digitales y de la etnografía virtual. Como técnicas de investigación se emplearon, en diferentes etapas, el web scraping, consultas documentales en línea y entrevistas, tanto presenciales como virtuales. La combinación de todas estas herramientas permitió triangular los datos recogidos, 5.048.150 millones de noticias de las cuales se construyeron diversos corpus, para intentar dar una respuesta integral a las preguntas de investigación planteadas. La limitación más importante fue el inesperado cierre de Google News España en diciembre de 2014 que significó también la eliminación de los medios españoles del agregador. La interpretación de los resultados se presenta tanto por idiomas, español y portugués, como por cada una de las ediciones del agregador seleccionadas y su detalle por canales. Se identificó que los medios de comunicación grandes, tradicionales y populares, naturales de estos países y cada uno con sus propias características, tenían las mayores cuotas de agregación de noticias capturadas -visibilidad- y noticias únicas -proveedor-, destacándose G1{bajo Globo.com} y Terra Brasil, en Google

News Brasil; ElTiempo.com y Caracol Radio, en Google News Colombia; El Universal en Google News México; y Público.pt y A Bola, en Google News Portugal. El Grupo PRISA fue la multinacional de medios con más medios iberoamericanos presentes en las cuatro ediciones y con un marcado peso en las de español destacándose de paso su relación de cooperación con Google. Por otro lado, en general, se observó una percepción positiva hacia la labor del agregador, a pesar del muy bajo tráfico referido y de los bajos ingresos mensuales en Google AdSense, así como la solicitud de compensaciones adicionales que no necesariamente fueran dinero, como control sobre sus noticias una vez agregadas y sobre los medios plagiadores. Finalmente, dado el cierre de la edición España, su análisis se abordó de manera separada, se destacó que, antes del cierre, diarios y agencias de noticias como ABC, La Vanguardia, Europa Press, 20 Minutos, El País y El Mundo eran los que contaban con las más altas cuotas de agregación de noticias en la edición. Posterior al cierre, se encontraron 34 medios españoles en las ediciones de México y Colombia, y, por otro lado, los actores del conflicto -Google News España, la AEDE y la AEEPP- mantuvieron sus posiciones.

Noticias de caciques muy mayores Carl Henrik Langebaek,1992

Recordar es morir Daniel Alfonso Coronell Castañeda,2016-07-01 Una antología de las mejores columnas de Daniel Coronell. Recordar es morir reúne los mejores trabajos de Daniel Coronell para su columna de la revista Semana. Con temas como Agro Ingreso Seguro, Saludcoop, la Yidispolítica, las Chuzadas del DAS y el Palacio de Justicia, entre otros, el autor introduce a los lectores en la labor del periodista investigativo, revelando, por primera vez, detalles de cómo realiza su trabajo, el detrás de cámaras de sus pesquisas, así como su forma de entender y ejercer el periodismo. Muchos reprocharán a Coronell que se ocupe de la podredumbre nacional y no de tantas cosas buenas y bonitas que tiene nuestro lindo país. No es esa su misión. La suya consiste en destapar los abusos, única manera de poder corregirlos, así como el médico, para recobrar la salud del paciente, debe diagnosticar primero la enfermedad. Por eso insisto en que este no es un libro de recuerdos. Es una gran colonoscopia de la política colombiana. Daniel Samper Pizano

Noticia de un secuestro Gabriel García Márquez,1996

Exemplary Violence Alberto Villate-Isaza,2021-03-12 Exemplary Violence explores the violent colonial history of the New Kingdom of Granada (modern-day Colombia and Venezuela) by examining three seventeenth-century historical accounts—Pedro Simón’s Noticias historiales, Juan Rodríguez Freile’s El carnero, and Lucas Fernández de Piedrahita’s Historia general—each of which reveals the colonizer’s reliance on the threat of violence to sustain order.

Humor político audiovisual en Colombia: de los gloriosos años noventa en televisión a Internet como alternativa Medina Cartagena, María Alejandra,2017-10-31 El humor político alrededor del mundo ha sido un recurso para

criticar al poder y a la esfera política con la mordacidad que otros escenarios no permiten y con lenguajes que generan empatía con el público. En la capacidad de criticar a todos los poderes –y a los poderosos– por igual, sin condescendencias, recae la credibilidad de esa crítica, la cual se debe poder hacer sin censura en una sociedad pluralista y democrática. En Colombia, el humor político en televisión emergió y vivió su época dorada en la década de los noventa, hasta que su principal exponente, Jaime Garzón, fue asesinado. Este trabajo de grado buscó indagar por qué, a pesar de que nuevos productos de crítica política con humor surgieron en el país, esa oferta no ha encontrado estabilidad en la televisión y, de hecho, desapareció por completo de la televisión abierta nacional y privada entre el 2013 y el 2016. La respuesta se pudo encontrar en múltiples factores: un nuevo modelo económico en la industria de la televisión, un ambiente político polarizado y la ausencia o falta de promoción de talentos detrás de los libretos. Asimismo, en medio de esta coyuntura, se plantea que Internet ha sido un vehículo para expresar, incluso de manera anónima, lo que miembros de la sociedad creen que anda mal con el poder y la política.

Noticias de la Anserma histórica Carlos Arturo Ospina Hernández,1992

Noticias del centenario y del medio siglo José Joaquín García,1990

Prohibido decir toda la verdad Raúl Benoit,2007 RAÚL BENOIT: UN DEBER CON LA VERDAD Por Esperanza Paz Raúl Benoit, de 47 años, es quizás uno de los periodistas colombianos más controvertidos en la historia de los medios de comunicación de su país. Se hizo conocer internacionalmente, a través de Univisión, por el cubrimiento de noticias en las épocas más difíciles del llamado “narco-terrorismo” y la guerra de guerrillas en Colombia. Amenazado de muerte y sobreviviente de cuatro atentados, Raúl Benoit relata en su libro “Prohibido decir toda la verdad”, hechos inéditos de su vida personal y periodística, desde su comienzo en la adolescencia, hasta su experiencia como corresponsal de noticias en Colombia de la cadena Univisión, donde en 2008 cumplió 21 años de servicio. Actualmente es reportero investigador del programa Aquí y Ahora y columnista de varios periódicos en español de Estados Unidos y Latinoamérica. - ¿De qué se trata Prohibido decir toda la verdad? - Es mi vivencia personal, pero también como reportero en Colombia. En una carta a mis hijos, relato hechos desconocidos y los acontecimientos más relevantes de los últimos 30 años de la historia de mi país. Narro el sufrimiento que viví junto a mi familia, como muchos otros paisanos, por causa de la violencia, el narcotráfico y la guerra de guerrillas. - ¿Por qué a través de una carta a sus hijos? - Mi propósito inicial era explicarles sólo a ellos la razón por la cual me dediqué de tiempo completo al periodismo, casi abandonándolos, pero a medida que iba escribiendo la carta descubrí que estaba revelándoles detalles de las noticias de las cuales fui testigo ocular; contándoles hechos noticiosos guardados en mi cerebro por años, que estaban ligados a mi vida personal. Entonces, decidí convertir la carta en relatos novelados para que, además de pedirles perdón por mi descuido, ellos pudieran entender la violencia que vive Colombia. Finalmente supe que, a través de estos relatos a mis hijos, podía darle a conocer al mundo, las sinrazones que rodea la violencia fratricida colombiana prolongada por más de 50 años. - ¿Qué es lo más impactante de su libro? - Considero que lo más fuerte es lo que descubro sobre el comienzo del paramilitarismo o autodefensas, las alianzas con el narcotráfico y cómo una unidad de soldados del ejército

colombiano se dedicó desde los años ochenta a ejercer justicia y decretar la pena de muerte sin juicio legal, secuestrando, torturando y matando ciudadanos. Por otra parte, descubro la decadencia de la guerrilla comunista y cómo se convirtieron en un cartel de las drogas. También revelo las evidencias sobre la corrupción que está intrínsecamente ligada a todos los problemas de ese país. A medida que pasaban los años fui descubriendo las atrocidades de la guerra y cómo muchos militares, políticos y narcotraficantes patrocinaban la violencia y la prolongaban por codicias personales. -¿Por qué el título "Prohibido decir toda verdad"?- - Porque en Colombia y Latinoamérica en general, es prohibido decir toda la verdad. Hay complicidad soterrada y a veces abiertamente descarada para mantener oculta la realidad al pueblo. El libro vence la mentira y pone en evidencia ese triste escenario. Los periodistas tenemos un deber con la verdad. - ¿Por qué en Colombia fue señalado por algunos colegas como antipatriota? - Por la misma razón que es prohibida decir toda la verdad. En el libro explico que quienes guardan silencio, encubren la verdad y minimizan el contexto real de las noticias, son los verdaderos antipatriotas de un país. -¿Cómo recopiló tanta información y entrevistas?- -Fue una labor de muchos años. Inicialmente utilicé archivos del noticiario donde trabajé en Colombia y posteriormente de Univisión, para reconstruir cronológicamente las historias. Rescaté las pruebas que durante toda mi carrera periodística había guardado. A ciertos personajes que entrevisté en el pasado, los volví a entrevistar e hice investigaciones profundas y detalladas para ratificar las denuncias. Cada reportaje y cada relato son reales y de todo hay pruebas visuales y escritas. - ¿Cómo logró que el ex presidente colombiano Ernesto Samper le revelara los secretos del "Narcoescándalo"? - El ex presidente quería deshacerse de pesados secretos y en el momento en que se enteró que yo le dedicaba un capítulo a ese tema, escogió el libro para hacerlo. Deshilvana parte de la madeja de ese misterio en el cual su campaña a la presidencia fue infiltrada por dineros del narcotráfico. Su entrevista es un "bombazo" noticioso. Además, lo confronto con su contradictor, el ex ministro de defensa Fernando Botero Zea, quien también me da una entrevista exclusiva. - ¿Qué otros develamientos hace? - Habló de los cuatro atentados contra mi vida y de quiénes pudieron estar detrás de ordenarlos. Relato los detalles de una matanza, la de Tacueyó, un crimen masivo de guerrilleros comunistas, que fue uno de los primeros laboratorios del ejército para entrenar paramilitares. Cuento la historia completa del Cartel de Cali y el Cartel de Medellín y sus alianzas con políticos corruptos.

Medios de comunicación y seguridad democrática Germán Ayala Osorio, Guido Germán Hurtado Vera, Oscar Duque Sandoval, 2006 CONTENIDO: Medios de comunicación y mediación política - Medios de comunicación y democracia - Mediadores políticos y políticas públicas - Seguridad democrática y medios de comunicación - Perspectivas de los estados de opinión generados desde los periódicos El Tiempo, El Espectador y El País.

Colombia Noticias Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Colombia Noticias PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to

effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Colombia Noticias PDF books and manuals is convenient and cost-effective, it

is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Colombia Noticias free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Colombia Noticias Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your

computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Colombia Noticias is one of the best book in our library for free trial. We provide copy of Colombia Noticias in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Colombia Noticias. Where to download Colombia Noticias online for free? Are you looking for Colombia Noticias PDF? This is definitely going to save you time and cash in something you should think about.
