Colorblast Illustrations for Coloring Greg Geisler,2020-11-30 Over 65 illustrations to assist you in exploring your creativity, relieve stress and experience the joy of working with color with fewer limitations. We think our illustrations offer more flexibility than others because we like to leave some of the lines and color cells open for blending and shadows leaving you the space to create the design you want and truly customize your color art. We've designed these illustrations so that the black lines create a pathway to self expression rather than dead ends and limiting factors. We don't color inside the lines and you don't have to, either! All ages.
