The Art of Wallpaper Victoria & Albert Museum,2018-01-16 Color, complete, and create wallpaper patterns inspired by a dazzling range of historical designs The choice of wallpaper—an intricate floral motif, a complex repeat pattern, or a bold abstract design—can transform a room. The Art of Wallpaper showcases inspirational wallpapers from the V&A's outstanding collection, from intricate hand-drawn designs to bold, woodblocked prints, and invites readers to create designs of their own. The book begins with a brief history of wallpaper manufacture and design. The activities are divided into four sections, becoming progressively more difficult: Experiment with Color, Complete the Repeat, Fill in the Gaps, and Create Your Own. Thumbnails at the end of the book identify all the featured designs. Wallpaper's ubiquity and versatility have allowed designers to innovate and experiment with color, technique, and style. The Art of Wallpaper encourages readers to explore the endless variety of this medium and provides inspiration for new designs.

Soul Talk Horina Uali-Wari,2019-12-06 Soul Talk - A Sense of Feeling is a compilation of love poems for young adults. Soul Talk are reflections, thoughts, emotions and imaginations that are sometimes kept and not spoken aloud. I wrote them for keeps - but I would like to share them now with others. I hope you enjoy reading and feel the love that I felt at the time I wrote them. It is a good and healthy exercise to allow yourself to imagine and feel love - even if from afar - than not imagine and not allow yourself to be consumed by love - at all. It is better to live and allow yourself to dream sometimes than not dream at all - and be a living person who is already dead inside.
