Andrew Kipple

The Reverse Coloring BookTM Kendra Norton,2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Stress Relieving Patterns Blue Star Press,2016-07-01 “Our favorite coloring book company.” – The Skimm The runaway bestseller, as featured in TIME Magazine, the New York Times, USA Today and publications around the world! Features over 35 detailed patterns, lovingly reproduced with industry-leading quality. Heavyweight, artist-grade paper and perforated edges provide an unmatched coloring experience and allows for experimentation with different media.

Worlds Within Worlds Kerby Rosanes,2020-03-17 THE NATIONAL BESTSELLER From the internationally bestselling artist that brought you the Morphia series, this incredible coloring book includes 96 double-sided pages of pure imagination in an all-new Kerby Rosanes universe. A new fantastic and super-detailed adult coloring book, in an entirely new world, from the prodigious bestselling illustrator. Colorists will find Kerby Rosanes's new creations to be hypnotic, with spread after dizzying spread featuring creatures, people, animals, and landscapes that blur the line between familiar and magical, between reality and imagination. Fans will be thrilled to see Kerby return with this 96-page book, providing an apparently endless coloring challenge for even his most dedicated and enthusiastic fans.

Flowerscape Maggie Enterrios,2021-03-23 In this immersive new coloring book, Maggie Enterrios, whose stunning illustrations inspire on Instagram and beyond, gives readers the opportunity to interact with her artwork first-hand and connect with their own creativity. Bold florals pop on every page and leave plenty of room for color, while intricate details keep things interesting. These designs go beyond simple florals, weaving in animals, shells and other natural elements for lush, unique scenes that provide a sense of discovery. It's been proven that adult coloring books are the perfect way to de-stress, and Maggie's compositions are specifically designed to delight, engage and provide a haven of relaxation during busy days. Perforated pages and high-quality watercolor paper make it easy to display and gift personalized artwork. Maggie's stylish, imaginative pen and ink drawings will bring out everyone's inner artist.

The Coloring Book Colin Quinn,2015-06-09 From former SNL Weekend Update host and legendary stand-up Colin Quinn comes a controversial and laugh-out-loud investigation into cultural and ethnic stereotypes. Colin Quinn has noticed a trend during his decades on the road-that Americans' increasing political correctness and sensitivity have forced us to tiptoe around the subjects of race and ethnicity altogether. Colin wants to know: What are we all so afraid of? Every ethnic group has differences, everyone brings something different to the table, and this diversity should be celebrated, not denied. So why has acknowledging these cultural differences become so taboo? In The Coloring Book, Colin, a native New Yorker, tackles this issue head-on while taking us on a trip through the insane melting pot of 1970s Brooklyn, the many, many dive bars of 1980s Manhattan, the comedy scene of the 1990s, and post-9/11 America. He mixes his incredibly candid and hilarious personal experiences with no-holds-barred observations to

definitively decide, at least in his own mind, which stereotypes are funny, which stereotypes are based on truths, which have become totally distorted over time, and which are actually offensive to each group, and why. As it pokes holes in the tapestry of fear that has overtaken discussions about race, The Coloring Book serves as an antidote to our paralysis when it comes to laughing at ourselves . . . and others.
