From New Yorker cartoonist Roz Chast's *There Was a Crooked Man* to *Bad Kitty* author Nick Bruel's *Three Little Kittens* to First Second's own Gene Yang's *Pat-a-Cake*, this is a collection that will put a grin on your face from page one and keep it there. Each rhyme is one to three pages long, and simply paneled and lettered to ensure that the experience is completely accessible for the youngest of readers. The Big Book of Nursery Rhymes (Classic Reprint) Walter Jerrold, 2017-09-12 Bring an experience from your

childhood back or pass the joy of nursery rhymes on to the next generation with this fantastic illustrated collection. The Big Book of Nursery Rhymes contains a huge array of rhymes and songs, enough to satisfy any reader. It has all the most popular rhymes and is a great resource for anyone who remembers these charming parts of childhood but has less than perfect recall of them. As is natural with an originally oral tradition some of the versions here may be slightly different to the ones you remember from childhood, additionally some are greatly extended from the simple versions we remember to a full length rhyme. Most of us remember Simple Simon met a pie man going to the fair, but few probably know that once Simon made a great snowball and brought it in to roast. This is just one extra verse of many from the full length nursery rhyme. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
