Mobsters In Our Midst: The Kansas City Crime Family William Ouseley,2011-03 This is the story of the rise and fall of Kansas City's longest-reigning mob boss, Nick Civella, and his powerful crime family, as told by the FBI agent who helped bring down Civella and his cronies. The book includes never-before-published detail of the crimes and investigations that led to the demise of Civella mob rule. The book also features 20 pages of archival photographs.

We Own This City Justin Fenton,2021-02-25 Baltimore, 2015. Riots were erupting across the city as citizens demanded justice for Freddie Gray, a twenty-five-year-old black man who died in police custody. At the same time, drug and violent crime were once again surging. For years, Sgt Wayne Jenkins and his team of plain-clothed officers - the Gun Trace Task Force - were the city's lauded and decorated heroes. But all the while they had been skimming from the drug busts they made, pocketing thousands in cash found in private homes and planting fake evidence to throw Internal Affairs off their scent. Because who would believe the dealers, the smugglers or people who had simply been going about their daily business over the word of the city's elite task force? Now, in light of their spectacular trial of late 2018, and in a work of astounding reportage and painstaking self-discovery, Justin Fenton has pieced together a shocking story of systemic corruption.

*Heroes Often Fail* Frank Scalise,Frank Zafiro,2007-01-01 The men and women of the River City Police Department are sworn to protect and to serve. But when six-year-old girl is kidnapped off a residential street in broad daylight, each cop must rise to heroic levels. Detectives scramble to solve the kidnapping while patrol officers comb the streets looking for the missing girl. Racing against time, every cop on the job focuses on finding her. Before it is too late. Before they fail her.
