Striking Inside Angola with 32 Battalion Marius Scheepers,2012 Join 'The Terrible Ones' on clandestine operations and in conventional warfare during the harsh bush war that raged through southern Angola in the 1980s. The conflict ended with the last major battle of the Cold War, one of the largest land battles of the latter part of the 20th century. This book presents an eyewitness account by a South African Defense Force (SADF) Signals Officer, Marius Scheepers, who served in arguably the most formidable battle unit that ever existed in the history of the South African Defense Force: 32 Battalion. It describes how members lived and fought in the bush during 1983 under the most difficult conditions. Being the Signals Officer of 32 Battalion, Scheepers was privy to all major command

decisions of the time. Although he focuses primarily on operations during the year 1983, including Operations Snoek and Dolfyn, he includes concise descriptions of all other major operations that took place inside Angola between 1966 and 1988, including Operation Askari (1983/84) and the decisive battle at Cuito Cuanavale in 1987/88. Extensive appendices include 32 Battalion sitreps, radio-code cards, SADF radio equipment used by 32 Battalion and details on SADF, SAAF and SWAPO.

The Women of Berkshire Hathaway Karen Linder, 2012-05-08 A fascinating look at the top women at Berkshire Hathaway and how they got there Although proportionally women continue to lag far behind men as CEOs and board members at major institutions, there has been a marked uptick in the number of female business leaders in recent years. Looking at the changes that have happened at Berkshire Hathaway—Warren Buffett's holding company, *The Women of Berkshire Hathaway: Lessons from Warren Buffett's Female CEOs and Directors* provides a unique look at the gradual shattering of the glass ceiling at one of America's top firms. An influx of female leadership over the past few years—today there are four female CEOs, up from just one a decade ago—has invigorated Berkshire

Hathaway with energy and unique female insight. Profiling these remarkable women, the book provides motivational and management information for a wide range of readers, from business students to Buffett fans. Looks closely at the female board members of Berkshire Hathaway and the female managers who run Berkshire Hathaway companies Follows the paths that brought these women to their current positions Explores their working relationship with their employees and Warren Buffett, and how they balance work and their private lives The only book focusing on eight of the most powerful women at Berkshire Hathaway, *The Women of Berkshire Hathaway* is an inspirational read about the triumph of a group of remarkable women within a company once dominated by men.

Like a Virgin Richard Branson,2012-09-25 It’s business school, the Branson way. Whether you’re interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and insights that have made him one of the world’s most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He’ll teach you how to be

more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic?
