The Plus Greg Gutfeld,2020-07-28 NEW YORK TIMES BESTSELLER Greg Gutfeld wants to be your new guru, and he hates himself for it. Before Greg Gutfeld was a Fox News star and a New York Times bestselling author, he was a self-help writer for health magazines who had no idea what he was talking about. But now, after years of experience, he finally feels qualified to guide people on the journey of life—call this book punishment for his sins, and a huge reward for you! In The Plus, Greg teaches you how to brainwash yourself into better behavior, retaining the pluses in your life and eliminating the minuses. His approach to self-help is simple, and perfect for cynics; it's not about positive thinking in the short term, it's about positive being in the long term. With tough love and more than a little political incorrectness, he delivers sage wisdom such as: -If you aren't getting happier as you're getting older, you're doing it wrong. -Resist the media's command to expand destructive narratives. -If you're in the same place you were three years ago, wake up. -Don't tweet when drinking. Modern life grows emptier and emptier as society becomes increasingly polarized, and even those who don't subscribe to New Age beliefs are seeking comfort and meaning. In The Plus, Greg shows how skeptics too can advance themselves for the betterment of their lives and the healing of their communities.

Self-Realization and Other Awakenings Ed Muzika,2013-02-01 Ed Muzika received his Ph.D. in Psychology during 1987 after having spent 12 years as a Zen monk under six Zen masters, and a two year stint with Baba Muktananda. In 1989 he met his Advaita teachers: Robert Adams, a student of Ramana Maharshi, and Jean Dunn, successor to Nisargadatta; both were highly instrumental for his own awakening. Ed went on to develop his own style of teaching, which is more personal, more about bringing God, the Self-Transcendent, back into everyday life, loving relationships, and helping all sentient beings through compassionate action. This book is about the practical aspects of attaining Self-Realization, an awakening as to all that YOU are by getting rid of all of the concepts, habits, conventions and conditioning that blind you to the greater YOU. To become the Self that you are you have to become naked and unknowing. Can you walk with me into Nothingness to discover the miracle you really are?

*The Villa of Death* Joanna Challis,2011-12-06 Young Daphne du Maurier must defend a friend who has been accused of murder in the next installment in the beguiling mystery series that readers of Rebecca will love. It's the summer of 1927 and aspiring novelist Daphne du Maurier is headed to Cornwall for the wedding of her dear friend Ellen Hamilton to American millionaire Teddy Grimshaw. Having met during the chaos of the Great War, the lovers were cruelly separated for nearly a decade by circumstance and family interference. Now the wedding ceremony—held at Thornleigh Manor, a grand estate that has been in the Hamilton family for five centuries—marks a renewed hope for the future. But joy quickly turns to devastation when Teddy is found murdered right after the wedding. Wealth, jealousy, and buried secrets provide no shortage of suspects—or danger to everyone at Thornleigh, including Daphne herself. When Ellen is suspected of being the murderess, the independent-minded Daphne, along with the dashing Major Browning, is inspired to uncover the truth, and to write her next novel.

**Cart Girls** DH Verbeek,2005-03-14 Mike and Jack walked down the path to the beverage cart but didn't see anyone attending the beverage cart. Well, someone must have parked it here, Jack said, looking over the stocked beverage cart and opening a few containers to inspect the contents. Jack walked around the back of the beverage cart and noticed some sneakers behind a bush. Mike, look over here, he said. They pulled back the bush and immediately Mike turned and ran a few feet. He bent over and violently vomited from the sight of what he had just witnessed. Sandy Creek Country Club is thrust into the center of a horrific scandal when one of its cart girls is found murdered on the thirteenth hole of the golf course. Lieutenant Ron Carr, the lead investigator on the case, struggles to connect the meager evidence to any of the suspects. Lieutenant Carr receives help from the county medical examiner, Dr. Jean Loreno, an attractive single mother who is looking for a father for her son, Jake. Carr and Loreno spend hours together examining the evidence and interrogating the long list of suspects—and everyone is a suspect. The two begin to develop feelings for each other, but will the grueling task of solving the murder get in the way of their growing relationship?

*The Art Collector in Early Modern Italy* Monika Schmitter,2021-09-23 Lorenzo Lotto's Portrait of Andrea Odoni is one of the most famous paintings of the Italian Renaissance. Son of an immigrant

and a member of the non-noble citizen class, Odoni understood how the power of art could make a name for himself and his family in his adopted homeland. Far from emulating Venetian patricians, however, he set himself apart through the works he collected and the way he displayed them. In this book, Monika Schmitter imaginatively reconstructs Odoni's house – essentially a 'portrait' of Odoni through his surroundings and possessions. Schmitter's detailed analysis of Odoni's life and portrait reveals how sixteenth-century individuals drew on contemporary ideas about spirituality, history, and science to forge their own theories about the power of things and the agency of object. She shows how Lotto's painting served as a meta-commentary on the practice of collecting and on the ability of material things to transform the self.

*Everyone in Silico* Jim Munroe, 2017-08-14 In Vancouver in 2036, people are tired of the rain. They're willing to give up a lot for guaranteed sunshine, a life with no wasted hours. A life free of crime and disease. A life that ends when you want it to, not when some faceless entity decides it's your time. Those who don't buy in - the poor, the old, the paranoid - have to watch as their loved ones, their friends, and their jobs leave the city. They have to watch as the latest prestige technology, Self, changes everything - not just the world but humanity itself. On the bright side, the rents have dropped. And in several unexpected ways, resistance is growing. This fascinating work of fiction tells what can happen when the cyberworld becomes more important than the real world. Munroe is a Canadian science fiction author, who publishes his works independently under the imprint No Media Kings. He was managing editor at the magazine Adbusters in the 1990s, before publishing his debut novel Flyboy Action Figure Comes With Gasmask in 1999. The following he release Angry Young Spaceman through his No Media Kings imprint and, in the U.S., Four Walls Eight Windows. A couple of years later he published Everyone in Silico, which was promoted partly by Munroe's attempt to invoice corporations mentioned in the novel for product placement. Munroe's most recent books are graphic novels set in post-Rapture Chicago and Detroit. Munroe was the founder of Perpetual Motion Roadshow, a North American indie touring circuit that sent 100 writers, performers and musicians on the road between 2003-2007. A former video games columnist for Eye Weekly, he is a founding board member of the Hand Eye Society and has produced projects such as the Toronton.

**Animal Wife** Lara Ehrlich, 2020-09-08 In this award-winning debut collection, fifteen magical realism stories portray girls and women searching for an escape from their everyday lives. “In villages where women bore most of the weight of a constricted life, witches flew by night on broomsticks,” said Italo Calvino of the way imagination bridges the gap between everyday existence and an idealized alternative . . . The fifteen stories of Animal Wife are unified by girls and women who cross this threshold seeking liberation from family responsibilities, from societal expectations, from their own minds. A girl born with feathers undertakes a quest for the mother who abandoned her. An indecisive woman drinks Foresight, only to become stymied by the futures branching before her. A proofreader cultivates a cage-fighting alter ego. A woman becomes psychologically trapped in her car. A girl acts on her desire for a childhood friend as a monster draws closer to the shore. A widow invites a bear to hibernate in her den . . . Animal Wife was selected as the winner of the Red Hen Fiction Award by New York Times– bestselling author Ann Hood, who says, “From the first sentence Animal Wife grabbed me and never let go. Sensual and intelligent, with gorgeous prose, it made me dizzy with its exploration and illumination of the inner and outer lives of girls and women.” Praise for Animal Wife “Whimsy and fantasy meet the way things really turn out in stories from a strong new voice.” —Kirkus Reviews “Strange, funny, fearsome, Animal Wife is a gorgeous book, weird in its very bones.” —Elizabeth McCracken, author of Bowlaway: A Novel “Lara Ehrlich has written a collection of stories that allow for escapism.” —F(r)iction “I was particularly intrigued by the way Lara beautifully portrays the inner struggle between wildness and domesticity, the surreal elements of each story lending a mythical complexity to these conflicts. Really lovely and thought-provoking. Perfect for fans of Aimee Bender, Karen Russell, and Angela Carter.” —Joy Baglio, founder of Pioneer Valley Writer’s Workshop
