Big Moves Anthony Perl, Matt Hern, Jeffrey Kenworthy, 2020-09-23 All countries have distinctive urban regions, but Canadian cities especially differ from one another in culture, structure, and history. Anthony Perl, Matt Hern, and Jeffrey Kenworthy reveal that despite the peculiarities and singular traits that each city embodies, a common logic has guided the development of transportation infrastructure across the country. *Big Moves* analyzes how Canada's three largest urban regions - Montreal, Toronto, and Vancouver - have been shaped by the interplay of globalized imperatives, aspirations, activism, investment, and local development initiatives, both historically and in a contemporary context. Canadian urban development follows a distinct pattern that involves compromise between local viewpoints and values and the pursuit of global capital at particular historical junctures. As the authors show, the success or failure of each city to construct major mobility infrastructure has always depended on the timing of investments and the specific ways that cities have gained access to necessary capital. Drawing on urban mobility history and global city theory, this book delves into the details of the big moves that have affected transport infrastructure in major Canadian cities. Knowing where urban development will head in the twenty-first century requires understanding how cities' major mobility infrastructures were built. *Big Moves* explains the shape of Canada's three biggest cities and how their mix of expressways and rapid transit emerged.

Dream Big Casey Gwinn, 2010 Though help is out there for victims of domestic violence, it's not always easy to find. The people who seek it often go from agency to agency, telling their story again and again. The rapidly developing Family Justice Center movement seeks to bring all community services for family violence, elder abuse, stalking, and sexual assault under one roof. In *Dream Big*, the visionaries behind the Family Justice Center movement use testimonies of survivors, staff in existing Centers, and domestic violence movement leaders to paint a future where families come first, and professionals come together to stop family violence. Everyone can play a role. *Dream Big* will show you how. Praise for *Dream Big* Casey Gwinn's work with women and families that are survivors of domestic abuse is nothing short of extraordinary. I have been inspired by his vision and dedication to ending the cycle of violence against women in this country and I hope *Dream Big* will inspire others as well. Reese Witherspoon, Actress, Avon Global Ambassador Every police chief and law enforcement policy maker in America should read *Dream Big*... [The book] challenges us all to be in the lifesaving business together. Lt. Mark Wynn, Nashville Metro Police Department (Retired) *Dream Big* is an easy read for anyone who wants to join their community's effort to stop violence against women and children. Sue Else, President, National Network to End Domestic Violence Casey Gwinn and Gael Strack are leading the way forward in the domestic violence movement. They are challenging us to think outside the box--to keep growing, changing, and evolving as we work to prevent family violence. Sarah Buel, Survivor, Advocate, Law Professor *Dream Big* persuasively tells the story of a dream made real... This book teaches the principles that can help any community reduce violence and save lives. Gavin de Becker, Bestselling Author, *The Gift of Fear*

Emerging Pedagogies for Policy Education Sreeja Nair, Navarun Varma, 2022-02-28 This edited book captures key trends that are driving changes in policy education and presents a repertoire of pedagogies to

prepare educators and policy programme designers to teach for better impact in learning and policy practice. Supported with observations from selected Asian universities the chapters cover the experiences of authors in working with students at undergraduate and postgraduate levels, as well as professional programmes such as executive education, training, and capacity building for mid-career professionals and practitioners. Part I of this book presents ideas that are asserting the need for incorporation of new content as well as teaching practices for policy education. Part II covers selected cases of application of pedagogical approaches and strategies in Asian universities, tested at different education levels, modes of teaching, and disciplines.

Emerge Vivian Cynthia, 2021-11-30 We all have dreams, but some dreams never pass the idea phase. If you allow your dream to remain at the idea phase for long, it may die, and dispare into becoming just a mere wish. Whatever sits too long without moving will go bad. Your mind will deteriorate if you don't use it. A baby who sits longer than the expected 40 weeks in the womb, becomes still born. Your dreams will be aborted at potential stage if you do not make a conscious decision to emerge! You have to push through every adversary and figure out what is holding you back. You have an important assignment to fulfil, that is why you have survived against all odds. Emerge! Refuse to die full of seeds. Refuse to die before you see the goodness of the Lord in the land of the living. This book 'EMERGE' has a timeless relevant inspirational message, regardless of the era and season you are in. Reading it while still battling COVID-19, post the pandemic or beyond. You can EMERGE from obscurity, mediocrity and comfort zones. This book, will propel you to arise, emerge, look up, look forward to the future God has in store for.

Technology is moving forward at a rapid pace and we have been coming up with new inventions and discoveries almost every single day. And more the ideas we come up with, more the doors it opens to the world of entrepreneurship. Start-ups are fast emerging everywhere across the globe and we are getting to see more and more people venture into this exciting journey. Some of them already have jobs and want to have a fresh start while for some, this will be a first try. The good part is that there is still enough space and supportive eco-system for anyone who wants to join in and make a difference to the business world. This book is a starter guide for anyone who wants to try their hand at entrepreneurship. The author has written this book based on his own life experiences and has spoken about Emerging Business opportunities in five trending topics based on which one could initiate a start up and also discuss about modern entrepreneurial mind-sets and business strategies required to survive and thrive in today's dynamic environment. The contents in this book are based on years of experience, research, current trends and future prospects. This is a must read for any aspiring entrepreneur who is dealing with that initial set of jitters, fear and lack of confidence.

The Roles of Peace and Security, Political Leadership, and Entrepreneurship in the Socio-Economic Development of Emerging Countries Adu-Amanfoh Francis, 2014 The works of contemporary global security and political analysts, and experiences from today's highly industrialized nations, conclude that the existence of peace and security, effective and exemplary political leadership, and sustained entrepreneurship are critical ingredients and catalysts for national socio-economic development. Certainly, these ingredients have helped in building the nations of the 'developed world, ' but how can these ingredients help the nations of the 'emerging world'? This book searches for a response and lessons to be learnt. Hence, the purpose of the book, essentially, is to examine the roles that peace and security, political

leadership, and entrepreneurship can play in the sustainable socio-economic development of emerging countries, exemplified by sub-Saharan Africa. The book first reviews the nature of the 'emerging world', discusses the subject matter in detail, and concludes with a compendium of lessons to be learnt by, primarily, political leaders, national security practitioners, entrepreneurs and investors, and academicians

Leadership Divided Ron A. Carucci, 2006-09-30 How senior leaders can re-connect to the emerging leaders hidden in their organizations A sea change has taken place throughout the culture of leadership; today's emerging leaders are opting out of the same positions their predecessors coveted in years past. But many senior managers trained in traditional leadership still hang onto outdated approaches of command and control despite how much they've heard about empowerment and inclusion. At the core of this book is the fictional suspense story of Brookreme Corporation, whose leaders are challenged to chart a course to a global future, navigating relational land mines along the way. With both story telling and hard research, *Leadership Divided* reconnects generations and instructs both senior and emerging leaders on how the relationships of the future will be the path to revolutionary performance. Ron A. Carucci (Seattle, WA) is a founding partner with Passages Consulting, LLC, where he works with CEOs and senior executives in pursuit of profound organizational change and executive leadership capability. He is Graduate Professor of Leadership at Mars Hill Graduate School in Seattle. He is also faculty member at Fordham University, serving as Associate Professor of Organizational Behavior, and has served as an adjunct at the Center for Creative Leadership. His clients have included Edward Jones Investments, Bristol-Myers Squibb, Amgen, McDonald's, PepsiCo, Gates Corporation, Accenture, and many others.

I Still Dream Big Penny B. Wolf MSW, 2009-10-29 Kelly was a seventeen-year-old star of her high school basketball team Gevon was a twelve-year-old who played linebacker for his middle school football team Crystle was a nineteen-year-old college student with big plans for the future One day you're hanging out with friends at the mall, playing basketball at school, dreaming about your latest crush, and the next

you're in the hospital hooked up to tubes and wondering whether or not you'll ever feel normal again. Getting sick was never part of the plan. Lupus. Diabetes. Rheumatoid Arthritis. Crohns. Multiple Sclerosis. No matter what the diagnosis, teens with chronic illnesses share one thing in common: their lives have been changed forever by illness. Seventeen young adults share their personal stories in *I Still Dream Big*. Their tenacity and spirit are an inspiration to us all. The voices of the teens profiled in this book are filled with hope and optimism despite the very real challenges they face. While some of their goals may have changed, these kids still have high hopes and big dreams for the future. Above all, they refuse to be defined by illness. Seventeen-year-old history buff, Jamie, sums it up with these words, You define yourself, not something written in a medical chart. When someone gets sick, family and friends are affected as well. The stories of these seventeen teens are important, not only for teens with chronic illness, but for the people who love them and want so much to understand the emotional and physical challenges their best friends and loved ones face. *I Still Dream Big* is a celebration of life and a reminder to all of us to hold onto our own dreams for the future and to remember to DREAM BIG.

Whole Systems Design Diana Claire Douglas, 2022-03-18 *Whole Systems Design: Inquiries in the Knowing Field* is an open invitation and an inspiration for Innovators, System Designers, Leaders, Change Agents, and Constellators—anyone who wishes to live and work from a whole systems perspective. It is for people new to working with complex systems as well as for those who will enjoy engaging with its practitioners, its concepts, and its emerging history. It is a book of stories, conversations, and interviews, about finding ways to serve Life, to serve humanity, to serve the Whole, through a process which has been emerging through the author—Constellating for the Collective—a process that itself has emerged from Systemic Constellation Work and the Knowing Field. *Whole Systems Design* opens with the author's journey, letting readers behind the curtain of facilitation. She describes the pragmatic steps and tools she has developed with deep dedication over many years. She includes a succinct description of the impact of this work on participants and for the Collective. Lively conversations with colleagues trace the collaboration and co-creation vital in this evolving field. Breakthrough Women's Running Neely Spence Gracey, Cindy Kuzma, 2022-04-06 *Breakthrough Women's Running* is written just for you—a woman runner who has big goals and needs a plan to achieve them. In her trademark fun and upbeat style, professional runner and coach Neely Spence Gracey will set you up for success with an inside look at her own story in the sport—paired with the science, experience, strategies, and insights that have worked for her and countless other female runners who set challenging goals and achieved them. Told with engaging storytelling and packed with colorful images and practical recommendations to improve your running, *Breakthrough Women's Running* offers 5K, 10K, half-marathon, marathon, and run-walk training plans to suit your current distance or pacing goals. With the strength and mobility workouts included in the plans, you don't have to wonder where and how to fit in these important (but often overlooked) components of a successful running training program. Learn how to breathe in rhythm and how to focus with mantras and mindfulness exercises. Get specific guidance on how to best manage unique challenges that women confront such as hormone fluctuations; training through the menstrual cycle, while pregnant, or after childbirth; and training while also raising a family. Know how to train to prevent injury as well as how to return to running should an injury occur. And fuel your training with five simple recipes that are nutrient dense and simple to prepare. You'll hear from well-known, successful women runners such as Sara Hall and Nell Rojas on how even elite runners experience highs

and lows in their training as well as how they themselves overcame obstacles to reach their goals. At the ends of chapters, you'll find Breakthrough Goals—a section of small, tangible actions that you can apply in your own training to overcome specific obstacles. If you're looking for a strategic and progressive approach for breaking through your physical or mental barriers to achieve more successful and fulfilling running, you've found it with Breakthrough Women's Running.

Dream Big, Laugh Often Hanoch Piven, Shira Hecht-Koller, 2023-03-21 This clever, informative, and artful picture book from Hanoch Piven and Shira Hecht-Koller imagines what advice 14 Biblical figures would have given. And who better to learn these lessons from than Biblical characters themselves? Dream Big, Laugh Often: And More Great Advice from the Bible contains portraits of 14 Biblical figures, brought to life with Hanoch Piven's joyful and clever art made from found objects, including Abraham and Sarah, Moses and Miriam, David and Deborah and more. Read, learn, play, search, and find! You'll love studying each portrait and imagining what piece of advice each character from the Bible would offer.

Profiles in a Dream Big Enough Don C. Davis, 2017-08-04 How do we build a positive vision for a better future in this age of immense possibilities? For esteemed professor Dr. James Kelly a man beloved and highly respected by students, friends, and family alike the answer lies in a dream: that the Big Ten Universal Qualities will be taught to all children in all the learning centers of the world. Profiles in a Dream Big Enough follows Dr. Kelly through his own and his grandsons eyes as he promotes a partnership of science, technology, and a knowledge-based faith in order to build a better world by being better people. Using the Big Ten Universal Qualities kindness, caring, honesty, respect, collaboration, tolerance, fairness, integrity, diplomacy, and nobility each person can guide his or her own story. These qualities are universal and overarch religion, politics, and culture, so they can be chosen by anyone, anytime, and anywhere. The stories Dr. Kelly tells on the farmhouse porch extend the visionary dream of the Master Teacher for a great new tomorrow on the earth. Dr. Kelly's dream includes the ongoing hope that the human family will reach for the best we can what President Abraham Lincoln called the better angels of our nature. We live in an age of enormous possibilities, and Profiles in a Dream Big Enough is about reaching for those possibilities. It's the new sacred.

Flourishing in Emerging Adulthood Laura M. Padilla-Walker, Larry J. Nelson, 2017 Flourishing in Emerging Adulthood highlights the third decade of life as a time in which individuals have diverse opportunities for positive development. There is mounting evidence that this time period, at least for a significant majority, is a unique developmental period in which positive development is fostered. Dr. Lene Arnett Jensen highlights the importance of this work in an engaging foreword, and chapters are written by leading scholars in diverse disciplines who address various aspects of flourishing. They discuss multiple aspects of positive development including how young people flourish in key areas of emerging adulthood

(e.g., identity, love, work, worldviews), the various unique opportunities afforded to young people to flourish, how flourishing might look different around the world, and how flourishing can occur in the face of challenge. Most chapters are accompanied by first-person essays written by a range of emerging adults who exemplify the aspect of flourishing denoted in that chapter and make note of how choices and experiences have helped them transition to adulthood. Taken together, this innovative collection provides rich evidence and examples of how young people are flourishing as a group and as individuals in a variety of settings and circumstances. This unique resource will be useful to students, faculty, professionals, clinicians, and university personnel who work with young adults or who study development during emerging adulthood.

Time for Africa's Emergence? Sa'ah François Guimatsia, 2016-05-30 Where do things stand today in Africa, after some 56 years of independence? Well, the continent is not just a land of crises and hardships; it also has what it takes to become emergent this 21st century – abundant natural resources, a youthful and dynamic population, a great potential for growth, etc. But most wounds inflicted by the colonial and neocolonial systems to date remain unhealed. Africans therefore have three crucial prerequisites to fulfill for their continent's renaissance: regain their lost cultural balance, put in place a solid economic backbone, and promote a leadership committed to good governance and continental integration. In this illuminating book written from a refreshing African perspective, the author examines the facts and shares his deep conviction – without indulging in angst or finger-pointing– that Africans should build their continent's emergence on a great sense of patriotism combined with sound preparation and intelligent cooperation, bearing in mind the potent examples set by Nelson Mandela, Thomas Sankara and other world political icons.

Live Forever Dream Big, Big Dreams That Only a Child Could Dream Russ Meyers, 2010-12 Big, Big Dreamer unequivocally your time is now! As a big, big dreamer creating a legacy that will live forever, you may be broke, broken or breaking. You maybe a single mum alla J K Rowling who in 1997 as you may know was living in a rented flat, surviving on part-time earnings and benefits and just eleven months later securing a hugely lucrative publishing deal that gave her the freedom to create a big, big dream that will live forever. Because you see when you're holding big, big dreams neither your colour, sex, money, status or your health matters because dreaming big dreams and making them happen every day is an unalienable right, a freedom to all. Yet Its true isn't it, that we operate within and out of parallel universes with conflicting energies, danger and chaos at every turn oft accompanied by brief snatches of joy, love and passion unimaginable, but still we can't seem to escape the dread that at any moment we may be!
