Rice Boy Evan Dahm,2017-12-01 Rice Boy is a surreal fantasy graphic novel set in a world called Overside. A lonely creature called Rice Boy and an ageless machine called The One Electronic venture through a strange world to fulfill a prophecy with implications few understand.

Evan Help Us Rhys Bowen,1998-08-15 Evan Evans, the new Constable of Llanfair, a village in North Wales, finds his everyday routine turned upside down by the return of a prodigal son with plans to build a tourist attraction, a divisive scheme that leads to a mysterious double homicide.

Between Ourselves Evan Thompson,2001 The first volume in this series (The View from Within, ed. Francisco Varela and Jonathan Shear) was a study of first-person approaches to the study of consciousness. Second-person 'I-You' relations are central to human life yet have been neglected in consciousness research. This book puts that right, and goes further by including descriptions of animal 'person-to-person' interactions from primatologists Barbara Smuts and Sue Savage-Rumbaugh. Other contributions are drawn from fields as diverse as Japanese philosophy and Buddhist studies, neurophysiology, phenomenology and neuropsychology - including clinical studies on autism and face-recognition disorders.

The Secret Battle of Evan Pao Wendy Wan-Long Shang,2022-06-07 Middle school can be a battlefield... From award-winning author Wendy Wan-Long Shang comes a poignant and timely take on prejudice, bullying, and claiming our own histories, perfect for fans of Front Desk. A fresh start. That's all Evan Pao wants as he, along with his mother and sister, flee from California to Haddington, Virginia, hoping to keep his father's notoriety a secret. But Haddington is a southern town steeped in tradition, and moving to a town immersed in the past has its own price. Although Evan quickly makes friends, one boy, Brady Griggs, seems determined to make sure that as a Chinese American, Evan feels that he does not belong. When Evan finds a unique way to make himself part of the school's annual Civil War celebration, the reaction is swift and violent. As all of his choices at home and at school collide, Evan must decide whether he will react with the same cruelty shown to him, or choose a different path. Wendy Wan-Long Shang, the critically acclaimed author of Asian/Pacific American Librarians Association Award for Children's Literature winner The Great Wall of Lucy Wu, weaves a timely and deeply moving portrait of all the secret battles Evan Pao must fight as he struggles to figure out how he fits into this country's past and how he will shape its future.

Dear Evan Hansen Steven Levenson,2017-11-21 The official behind-the-scenes book of the hit musical that won 6 Tony Awards, now also a major motion picture! A letter that was never meant to be seen, a lie that was never meant to be told, a life he never dreamed he could have. Evan Hansen is about to get the one thing he's always wanted: a chance to finally fit in. Both deeply personal and profoundly contemporary, Dear Evan Hansen is a new American musical about life and the way we live it. The book-produced by Melcher Media, the team behind Hamilton, Wicked, Rent, and many more-tells the story of the musical from its conception nearly a decade ago to the Broadway stage. From developing the idea to writing the show, composing, casting, and rehearsals, Dear Evan Hansen appeals to fans far and wide offering them the opportunity to continuously revisit the show, and for those who haven't seen the musical, reading the book will make them feel like they have. Filled with interviews with the cast and crew, original behind-the-scenes photography, a deeper look into Evan's fictional world and the visual world of the show, unreleased lyrics, and of course the libretto, as well as reflections on the creators own formative memories from their adolescence as it relates to the show's themes, and important examinations of how we present ourselves online and mental health, Dear Evan Hansen is a beautifully produced, thoughtful, and uplifting book.

Monster Blood II (Goosebumps #18) R. L. Stine, 2018-09-25 Evan Ross can't stop thinking about Monster Blood and what happened last summer. It was so horrible. So terrifying. Too bad Evan's science teacher doesn't believe him. Now he's stuck cleaning out the hamster's cage as punishment for making up stories. The Second Shift Arlie Hochschild, Anne Machung, 2012-01-31 An updated edition of a standard in its field that remains relevant more than thirty years after its original publication. Over thirty years ago, sociologist and University of California, Berkeley professor Arlie Hochschild set off a tidal wave of conversation and controversy with her bestselling book, *The Second Shift*. Hochschild's examination of life in dual-career households finds that, factoring in paid work, child care, and housework, working mothers put in one month of labor more than their spouses do every year. Updated for a workforce that is now half female, this edition cites a range of updated studies and statistics, with an afterword from Hochschild that addresses how far working mothers have come since the book's first publication, and how much farther we all still must go.

The Jaunt, 2020 The new and second book from the Jaunt documents the creative process of 40 artists traveling all over the world. During these 40 inspiring trips the artists take photos, write stories, draw in their sketchbooks and eventually make a design for a limited edition artwork. The book chronicles each stage of this process. 'The Jaunt' creates opportunities and possibilities for artists. The project allows artists to travel the world and find inspiration ? not just during the trip, but lasting inspiration that hopefully permeates their entire artistic practice. The Jaunt's mission is to catalyze progress and feed fresh insight into the creative process of our artists. The first step in this process is taking the artist out of their comfort zone and allowing them experience completely new surroundings. The books are made in co-operation with Jeroen Smeets & Jimme Bakker who took on the Art Direction of the book and translated all 40 trips in an easy to read book, the printing good guys from Wilco Art Books who translated the design in to printed pages, and last but not least the bookbinding magician Fopma Wier who worked together with us to build this handmade hardcover book from scratch.
