**Karnali Blues** Buddhisagar,2022-02-15 Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship-a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail-the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes-the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival-are universal, and will resonate with readers the world over.

**Hana Khan Carries On** Uzma Jalaluddin,2021-04-06 From the author of Ayesha at Last comes a sparkling new rom-com for fans of “You’ve Got Mail,” set in two competing halal restaurants Sales are slow at Three Sisters Biryani Poutine, the only halal restaurant in the close-knit Golden Crescent neighbourhood. Hana waitresses there part time, but what she really wants is to tell stories on the radio. If she can just outshine her fellow intern at the city radio station, she may have a chance at landing a job. In the meantime, Hana pours her thoughts and dreams into a podcast, where she forms a lively relationship with one of her listeners. But soon she’ll need all the support she can get: a new competing restaurant, a more upscale halal place, is about to open in the Golden Crescent, threatening Three Sisters. When her mysterious aunt and her teenage cousin arrive from India for a surprise visit, they draw Hana into a long-buried family secret. A hate-motivated attack on their neighbourhood complicates the situation further, as does Hana’s growing attraction for Aydin, the young owner of the rival restaurant—who might not be a complete stranger after all. As life on the Golden Crescent unravels, Hana must learn to use her voice, draw on the strength of her community and decide what her future should be.

**Kathmandu Dilemma** Ranjit Rae,2021-09-27 "...unmatched in its meticulous and careful research into the wellsprings of a truly unique relationship between two neighbouring states." SHYAM SARAN "Ranjit Rae's portrayal of India-Nepal relations from the Indian perspective is meticulous, nuanced and insightful. S.D. MUNI "Ranjit Rae breaks down the paradox of India's very intimate yet troubled relationship with Nepal." C. RAJA MOHAN The first two decades of the new millennium have witnessed a dramatic socio-political transformation of Nepal. A violent Maoist insurgency ended peacefully, a new constitution abolished the monarchy and established a secular federal democratic republic. Nevertheless, political stability and a peace dividend have both remained elusive. Nepal is also buffeted by changing geopolitics, including the US-China contestation for influence and the uneasy relationship between India and China. As a close neighbour, India has been deeply associated with the seminal changes in Nepal, and the bilateral relationship has seen many twists and turns. Partly a memoir, this book examines India's perspective on these developments, in the context of the civilizational and economic underpinnings of the India-Nepal relationship, as well as issues that continue to prevent this relationship from exploiting its full potential. Though there are several Nepalese accounts that deal with this subject, there are few from an Indian point of view. Kathmandu Dilemma fills this gap.

**Between Queens and the Cities** Niranjana Kunwar,2020-11-13 Between Queens and the Cities is the riveting tale of a 19-year-old Nepali gay man and his long journey from Kathmandu to New York and back. Set against the backdrop of contemporary Nepal, the author reveals, with elan and ease, queer spaces where friendships are fostered outside the normalcy accorded to family and marriage. In the process, he introduces many fellow travellers of the LGBTIQ community. With rare courage and outrageous emotional honesty, the author lays bare the ceaseless conflict of the mind and heart in exploring sexuality. He also compels the reader to interrogate dominant notions regarding love and longing and in doing so, reveals dynamic relationships that are not confined to the realm of queer intimacy alone. This memoir on the shaping of queer identity in the South Asian context bristles with deeper questions regarding belonging. By showing us how he negotiated a life for himself, Kunwar helps queer Nepalis reimagine their lives anew. He also shows all of us Nepali society as we have never seen it before: young, dynamic, open, and urbane. There is hope yet for social change. -Manjushree Thapa, Author of Forget Kathmandu Brave and beautifully written. --Samrat Upadhyay, Author of Arresting God in Kathmandu

*Contemporary Environmental Problems in Nepal* Keshav Bhattarai,Dennis Conway,2020-11-23 This monograph examines contemporary environmental challenges facing Nepal, this landlocked country’s representativeness in the wider South Asian context is both distinct and generalizable. In large part, this is because of its extremes of physiographical structure- plains, hill ranges, mountainous massifs - and wide range of altitudinal terrains, which represent and replicate South Asian and East Asian continental conditions differing as markedly as humid tropical lowlands, sub-tropical hill ranges and temperate to sub-arctic mountainous environments. Associated forest regimes, in which deforestation and reforestation patterns have evolved in recent times, and differing densities of settlement and cleared agricultural landscapes in each of these altitudinal zones, add to the environmental diversity of Nepal. Associated fauna and exotic species are in various states of endangerment especially Bengal tigers, one horned rhinos, wild elephants, crocodile, musk deer, and peacocks, to name a few- so that their forested and mountainous habitats as ‘Wild Life Reserves’ also deserve our attention, and are featured in this monograph’s remit.

*Ayo Gorkhali* Tim I Gurung,2023-03-13 Nepal, 1767. The tiny kingdom of Gorkha is on the ascendant under its ruler Prithvi Narayan Shah. Over the next few decades, his Gorkhali army establishes a mighty kingdom, the borders of which extend from Kangra in the west to the Teesta river in the east. The territory encompasses a large part of present-day Himachal Pradesh, Uttarakhand and almost all of present-day Nepal and Sikkim. When they are eventually reined in by the mighty British army in 1815, it sparks off a new engagement between the imperial power and Nepal. Impressed by the fighting abilities on display, the British army begins recruiting them. The Gurkhas (the prevalent spelling today) go on to serve with distinction in many theatres of war over the next hundred-odd years, their exploits in World War I and II earning them a number of bravery medals. With Indian independence in 1947 comes further change: the Gurkhas are now split across three armies: the British, Indian and the Nepalese. Ayo Gorkhali by Tim I. Gurung, a former British Gurkha, is the first work of history by a member of the community and brings alive the story of a people who have served flags other than their own with honour, even as they have attempted to keep their native warrior traditions alive in letter and spirit. The history of the Gurkha serviceman is one that goes beyond soldiering and bravery-it is in equal measure a story of the resilient human spirit, and of a tiny community that carved for itself a niche in world history.

Backfire in Nepal Sanjay Upadhyay,2021 Backfire in Nepal explores how China has become the ultimate beneficiary of India's democracy-promotion agenda in Nepal. New Delhi had made a bold bet in 2005, but one that contained two mutually fortifying flaws: the abolition of the monarchy and the empowerment of the former Maoist rebels. The world's only Hindu monarch and kingdom were bound to India in a special relationship that neither country needed to define or assert. True, Indians had been put off by successive Nepalese monarchs playing New Delhi off

against Beijing. In retrospect, a little more compassion for Nepal's compulsions might have put things into sharper relief. Nepalese Maoists, being communists first, were trained to denounce Indian 'expansionism' before American 'imperialism'. Experience may have impelled the senior leadership to make practical compromises. It was a leap of faith for New Delhi to trust the leadership to rein in their cadres' radicalism. More broadly, since India had also enlisted Western democracies, it needed to address their often-contradictory concerns throughout Nepal's turbulent transition.

**Progressive Education in Nepal: The Community is the Curriculum** Bertram C. Bruce, 2018-10-28 Nepal is a country with daunting needs in terms of basic education and other social services. At the same time, its cultural and moral wealth provide a strong basis for meaningful life and learning. In particular, it offers fertile ground for progressive education, in which learning grows out of experiences in the community. Thus, despite material poverty, the country holds the possibility of significant advances, even international leadership, in the area of progressive education. This book reports on recent educational innovations. There are more than 100 color photos.

The Joy of Living Yongey Mingyur Rinpoche, Eric Swanson, 2007-03-06 A New York Times Bestseller! For millennia, Buddhists have enjoyed the limitless benefits of meditation. But how does it work? And why? The principles behind this ancient practice have long eluded some of the best minds in modern science. Until now. In this groundbreaking work, world-renowned Buddhist teacher Yongey Mingyur Rinpoche invites us to join him in unlocking the secrets behind the practice of meditation. Working with neuroscientists at the Waisman Laboratory for Brain Imaging and Behavior, Yongey Mingyur provides clear insights into modern research indicating that systematic training in meditation can enhance activity in areas of the brain associated with happiness and compassion. He has also worked with physicists across the country to develop a fresh, scientifically based interpretation of the Buddhist understanding of the nature of reality. With an infectious joy and insatiable curiosity, Yongey Mingyur weaves together the principles of Tibetan Buddhism, neuroscience, and quantum physics in a way that will forever change the way we understand the human experience. Using the basic meditation practices he provides, we can discover paths through everyday problems, transforming obstacles into opportunities to recognize the unlimited potential of our own minds. With a foreword by bestselling author Daniel Goleman, *The Joy of Living* is a stunning breakthrough, an illuminating vision of the science of Buddhism and a handbook for transforming our minds, bodies, and lives.

Investigating Modern Art Liz Dawtrey, Elizabeth Dawtrey, Toby Jackson, Mary Masterton, Pam Meecham, Paul Wood, 1996-01-01 Modern art sometimes seems difficult - or even impossible - to understand. In this appealing book, modern art becomes accessible through clear and informative discussions about modern artists, art movements, and art works. Charting the development of modern art from the nineteenth century through the present day, each chapter focuses on particular artists and works of art, placing them in their artistic contexts and discussing them from a variety of viewpoints. Issues of gender and ethnicity, criticisms of the accepted canon of modern art, and important social and political influences on the institutions of art are woven into the discussion of key artists such as Picasso, Matisse, Pollock, and Warhol and movements such as Cubism, Surrealism, Abstract Impressionism, and Minimal Art.

**All Roads Lead North** Amish Raj Mulmi, 2022-05-01 During the June 2020 territorial dispute over Kalapani, India blamed tensions on a newly assertive Nepal's deepening relations with China. But beyond the accusations and grandstanding, this reflects a new reality: the power equations in South Asia have been redrawn, to make space for China. Nepal did not turn northwards overnight. Its ties with China have deep historical roots built on Buddhism, dating to the early first millennium. While India's unofficial 2015 blockade provided momentum to the rift with Delhi, Nepal has long wanted deeper ties with Beijing, to counteract India's oppressive intimacy. With China's growing South Asian and global ambitions, Nepal now has a new primary bilateral partner and Nepalis are forging a path towards modernity with its help, both in the remote borderlands and in the cities. *All Roads Lead North* offers a long view of Nepal's foreign relations, today underpinned by China's world-power status. Sharing never-before-told stories about Tibetan guerrilla fighters, failed coup leaders and trans-Himalayan traders, Nepal analyst Amish Raj Mulmi examines the histories binding mountain communities together across the Sino-Nepali border. Part history, part journalistic account, Mulmi's is a complex, compelling and rigorously researched study of a small country caught between two neighbourhood giants.

His Holiness the Fourteenth Dalai Lama Tenzin Geyche Tethong, 2020-11 This biography of the Dalai Lama--blessed by His Holiness himself--is the most authentic and intimate profile of the world's greatest living spiritual figure. Tenzin Geyche Tethong, a close aide of His Holiness for forty years who became family, offers readers unprecedented access to the Dalai Lama in this beautifully illustrated book. The Dalai Lama's youngest brother, Ngari Rinpoche Tenzin Choegyal, who was only 12 years old when he accompanied His Holiness on his dangerous 1959 escape to India, is a personal friend of Tethong and the mentor for this book project. As elders to the Tibetan community in exile, these men have come together to tell the true story of His Holiness--their brother, friend, and leader. Featuring previously unpublished photographs, as well as interviews and memories of those closest to him, this book renders unparalleled insights into the Dalai Lama's experiences as the preeminent leader of Tibet, and the wealth of his compassion and gentle humor in the face of the ongoing conflict. This is in no small part due to Tethong and Ngari Rinpoche's unique perspectives on many sensitive issues. Richly compelling, *His Holiness the Fourteenth Dalai Lama: An Illustrated Biography* is a stunning visual celebration of the Dalai Lama, sketching a memorable portrait of an icon and a cause that have won the attention and hearts of billions across the world. \* As his long-time personal secretary, Tethong was privy to the Dalai Lama's difficult relationship with India during his exile, with many challenges arising from his host country's ambivalence to Tibet. Tethong candidly discusses India's lackluster attempts at uplifting his people--denying them official documentation, restricting employment, and crowding refugees in the remote location of Dharmasala--citing its fear of angering China as the reason behind its ambivalence towards Tibet. \* Ngari Rinpoche revisits his own profound memory of their exile: his time in the Special Frontier Force, or the 22 of the Indian Army, a period of his life for which there had previously been little recorded information. Ngari Rinpoche and his wife, Rinchen Khando, were one of the many Tibetans who joined this covert force with the intent of fighting the Chinese, under the guidance of intelligence agencies such as India's RAW and the American CIA. For the very first time, they discuss their American colleagues, the disappointments they faced as part of the 22, and the experiences that led to Ngari Rinpoche's depressive episode. \* Tethong also sheds much-needed light on the Dalai Lama's Nobel Prize-winning campaign for the spiritual and political liberation of his people. He adopts a nuanced approach towards the Dalai Lama's non-violent struggle for Tibetan autonomy, writing frankly about their attempts to mediate the political differences between younger Tibetans in Dharmasala and the Tibetan administration. He also explores the numerous political difficulties faced by the Dalai Lama's cause in the years before its worldwide recognition.
