Deborah M. Shamoon

Iron Man Tom Mes,2005 Shinya Tsukamoto has become one of the most widely praised filmmakers in Japan today. Edgy, intense and overwhelming, Tsukamoto's films are nightmarish visions of a world in which man's greatest enemy is his own environment of cold concrete and twisted technology. Illustrated with hundreds of stills, behind-the-scenes pictures and rare photographs from the director's own collection, Iron Man reveals the mind, methods and madness of Japan's most unique and influential filmmaker.

Manga Toni Johnson-Woods,2010-04-15 Once upon a time, one had to read Japanese in order to enjoy manga. Today manga has become a global phenomenon, attracting audiences in North America, Europe, Africa, and Australia. The style has become so popular, in fact, that in the US and UK publishers are appropriating the manga style in a variety of print material, resulting in the birth of harlequin mangas which combine popular romance fiction titles with manga aesthetics. Comic publishers such as Dark Horse and DC Comics are translating Japanese classics, like Akira, into English. And of course it wasn't long before Shakespeare received the manga treatment. So what is manga? Manga roughly translates as whimsical pictures and its long history can be traced all the way back to picture books of eighteenth century Japan. Today, it comes in two basic forms: anthology magazines (such as Shukan Shonen Jampu) that contain several serials and manga 'books' (tankobon) that collect long-running serials from the anthologies and reprint them in one volume. The anthologies contain several serials, generally appear weekly and are so thick, up to 800 pages, that they are colloquially known as phone books. Sold at newspaper stands and in convenience stores, they often attract crowds of people who gather to read their favorite magazine. Containing sections addressing the manga industry on an international scale, the different genres, formats and artists, as well the fans themselves, Manga: An Anthology of Global and Cultural Perspectives is an important collection of essays by an international cast of scholars, experts, and fans, and provides a one-stop resource for all those who want to learn more about manga, as well as for anybody teaching a course on the subject.

Tongan Culture and History Phyllis Herda,Jennifer Terrell,Niel Gunson,1990

When You're Ready, This Is How You Heal Wiest,2022

Excess Baggage Karen Ma,2013 With vivid prose, Karen Ma takes us on a momentous journey with a Chinese family as it tries to grow new roots in a foreign land.-Geling Yan, author of Banquet Bug, White Snake, and The Flowers of War Karen Ma's debut novel chronicles two Chinese sisters, one raised in China during the desolate years of the Cultural Revolution; the other in Japan during the freewheeling years of bubble capitalism. They reunite as adults in Tokyo in the early 1990s, and as the sisters circle warily, their distrust grows, fueled by family lies and secrets. Exploring themes of identity, alienation, love, jealousy, and family obligations in the face of cultural and geographic adversity, ultimately each must confront a fundamental question: what's the meaning of home when your roots aren't secure? Karen Ma is the author of The Modern Madame Butterfly (Tuttle Publishing, 2006). She has lived a combined twenty years in China and Japan working as a writer and journalist.

The Art of Star Wars: Visions Zack Davisson,2022-12-06 An expertly crafted, full-color, oversized volume showcasing the creative forces behind the hotly anticipated animated anthology series! Star Wars: Visions, an original series of animated short films, celebrates the Star Wars galaxy through the lens of the world's best Japanese anime creators. Coming in 2021 to Disney+. Dark Horse Books and Lucasfilm invite fans to enjoy the universe of Star Wars from a thrilling new point of view with The Art of Star Wars: Visions.

Find out about the biggest-selling games, the highest scores, and the world's most amazing gamers. Read about the latest hardware developments in the battle of the eight-generation consoles, and explore the most exciting news stories across all the major gaming genres.

Nature Form & Spirit Mira Nakashima,2003-12-01 A richly illustrated retrospective of the life and work of noted furniture designer Geoge Nakashima examines the original furniture creations of the acclaimed artist, his influence on contemporary design, his work as an architect, and his remarkable craftsmanship and emphasis on the organic use of the natural lines and grain of wood.

Women and the Media in Asia Y. Kim,2012-05-22 At a time of significant change in the precarious world of female individualization, this collection explores such phenomena by critically incorporating the parameters of popular media culture into the overarching paradigm of gender relations, economics and politics of everyday life.

Dr. STONE Reboot: Byakuya Riichiro Inagaki,Boichi,2021-03-02 Learn what happened when the world turned to stone in this special side story to Dr. STONE. As Senku and his friends are being turned to stone, his father Byakuya is on the International Space Station. This is the story of the crew as they try to survive as the only humans who remain flesh and blood! -- VIZ Media

Sand Land Akira Toriyama,2013-06-04 In the far future, war has destroyed the entire Earth, leaving only a barren wasteland where the supply of water is controlled by the greedy king. In search of a long-lost lake, Sheriff Rao asked the king of the demons for help...and got the king's son, Beelzebub, and his assistant, Thief. Together the unlikely trio sets off across the desert, facing dragons, bandits and the deadliest foe of all... the King's army itself! It's travel adventure and tank action in this new story from Akira Toriyama, the creator of Dragon Ball Z! -- VIZ Media

Shōjo Across Media Jaqueline Berndt,Kazumi Nagaike,Fusami Ogi,2019-02-22 Since the 2000s, the Japanese word shōjo has gained global currency, accompanying the transcultural spread of other popular Japanese media such as manga and anime. The term refers to both a character type specifically, as well as commercial genres marketed to female audiences more generally. Through its diverse chapters this edited collection introduces the two main currents of shōjo research: on the one hand, historical investigations of Japan's modern girl culture and its representations, informed by Japanese-studies and gender-studies concerns; on the other hand, explorations of the transcultural performativity of shōjo as a crafted concept and affect-prone code, shaped by media studies, genre theory, and fan-culture research. While acknowledging that shōjo has mediated multiple discourses throughout the twentieth century—discourses on Japan and its modernity, consumption and consumerism, non-hegemonic gender, and also technology—this volume shifts the focus to shōjo mediations, stretching from media by and for actual girls, to shōjo as media. As a result, the Japan-derived concept, while still situated, begins to offer possibilities for broader conceptualizations of girlness within the contemporary global digital mediascape.

Japanese Cinema Encyclopedia Thomas Weisser,Yuko Mihara Weisser,1997 Those familiar with the author's previous forays into the world of Hong Kong Cinema and Spaghetti Westerns will know pretty much what to expect here, and it falls far short of any dictionary definition of essential. Short, cursory capsule reviews, short on insight, style and cultural context and high on typographical and factual errors, accompanied by an arbitrary star rating from one to four. The main virtue of Weisser's self-published book is its rigorously completist approach. Even though it states that it is not the aim to include every single film from Japan ever released, with separate editions available for a more complete look at Horror, Science Fiction and Fantasy, and Sex Films, and one planned for animation (please check our subsequent books [sic], Weisser writes in the intro for the fourth edition), this initial volume certainly covers a lot of films and does give quite a good indication as to how much is actually out there.

Yankee Samurai Joseph Daniel Harrington,1979 Author Joseph D. Harrington has written an informative and insightful history of the Nisei (Second-generation Japanese Americans), working for the U.S. armed forces in the Pacific during World War II. This is no whitewashed narrative, as it exposes U.S. internment camps, prejudices, and the frustrations of patriotic Japanese-Americans who wanted to fight for their country, but were initially rebuffed. As the book relates, not all Nisei were in favor of fighting, and even those that did encountered another kind of prejudice at first, from Hawaiian-born Nisei who more than occasionally felt that continental Japanese-Americans just didn't measure up, linguistically-speaking. Like other children of immigrants, the Nisei were, to a large extent, caught between Japanese tradition and U.S. culture. The concept of honor, an

essential element in Japanese-American family life, ended up serving U.S. military interests well. The author has done an outstanding job of uncovering names and telling little-known stories. Especially fascinating are the ones that describe the analytical acumen of Nisei translators.

OPLL Atsushi Okawa,Morio Matsumoto,Motoki Iwasaki,Yoshiharu Kawaguchi,2020-05-14 This publication brings together information on all aspects of OPLL - epidemiology, etiology, diagnosis, and treatment. It contains contributions by Japanese researchers and surgeons, including members of the Ministry of Health and Welfare Investigation Committee, and by American surgeons with expertise in the field. Until now, little has been published on the subject in English. This collection of reports is amply augmented with illustrations.

Seventeen Syllables Hisaye Yamamoto,1994 On the surface, Seventeen Syllables is the story of Rosie and her preoccupation with adolescent life. Between the lines, however, lurks the tragedy of her mother, who is trapped in a marriage of desperation.

From Foreign Language Education to Education for Intercultural Citizenship Michael Byram,2008-05-27 This collection of essays and reflections starts from an analysis of the purposes of foreign language teaching and argues that this should include educational objectives which are ultimately similar to those of education for citizenship. It does so by a journey through reflections on what is possible and desirable in the classroom and how language teaching has a specific role in education systems which have long had, and often still have, the purpose of encouraging young people to identify with the nation-state. Foreign language education can break through this framework to introduce a critical internationalism. In a ‘globalised’ and ‘internationalised’ world, the importance of identification with people beyond the national borders is crucial. Combined with education for citizenship, foreign language education can offer an education for ‘intercultural citizenship’.

The Comiq Kazuki Takahashi,2022-06-28 Ryota Sakamaki is a struggling artist who finally gets his big break when his manga series is serialized. Sakamaki’s life is thrown into turmoil, however, when he learns that his backgrounds are drawn by an inmate charged with the infamous Halloween Murder. But is his assistant truly guilty of that heinous crime?! -- VIZ Media

Passionate Friendship Deborah M. Shamoon,2012-03-13 Shoyo manga are romance comics for teenage girls. Characterized by a very dense visual style, featuring flowery backgrounds and big-eyed, androgynous boys and girls, it is an extremely popular and prominent genre in Japan. Why is this genre so appealing? Where did it come from? Why do so many of the stories feature androgynous characters and homosexual romance? Passionate Friendship answers these questions by reviewing Japanese girls’ print culture from its origins in 1920s and 1930s girls’ literary magazines to the 1970s “revolution” shoyo manga, when young women artists took over the genre. It looks at the narrative and aesthetic features of girls’ literature and illustration across the twentieth century, both pre- and postwar, and discusses how these texts addressed and formed a reading community of girls, even as they were informed by competing political and social ideologies. The author traces the development of girls’ culture in pre-World War II magazines and links it to postwar teenage girls’ comics and popular culture. Within this culture, as private and cloistered as the schools most readers attended, a discourse of girlhood arose that avoided heterosexual romance in favor of “S relationships,” passionate friendships between girls. This preference for homogeneity is echoed in the postwar genre of boys’ love manga written for girls. Both prewar S relationships and postwar boys’ love stories gave girls a protected space to develop and explore their identities and sexuality apart from the pressures of a patriarchal society. Shoyo manga offered to a reading community of girls a place to share the difficulties of adolescence as well as an alternative to the image of girls purveyed by the media to boys and men. Passionate Friendship’s close literary and visual analysis of modern Japanese girls’ culture will appeal to a wide range of readers, including scholars and students of Japanese studies, gender studies, and popular culture.
