German Immigrants Gary J. Zimmerman, 1988 This is the third volume of the German Immigrants series (see also Items 6580, 6581, and 6583), this one listing passengers from Bremen to New York between 1863 and September 1867. Owing to the total destruction of the original Bremen passenger lists, this volume, like the others, is the only practical means of discovering information on thousands of individuals for whom immigrant origin data was thought to be irretrievably lost. In effect, it is a partial reconstruction of the Bremen records, based on official passenger lists and manifests in the custody of the National Archives. It is, therefore, a record of arrivals rather than departures, and it is the closest we are ever likely to come to duplicating information in the lost Bremen records--Publisher website (December 2007).
