Property Taxes and House Values John Yinger, Howard S. Bloom, Axel Börsch-Supan, 2016-04-20 Property Taxes and House Values: The Theory and Estimation of Intrajurisdictional Property Tax Capitalization explains the link between property taxes and house values and elaborates public policies that alter property taxes, such as assessment reform and state aid. This book introduces the concept of property tax capitalization and discusses the importance of tax capitalization for public policy. The topics include the simple algebra of property tax capitalization, inherent econometric difficulties, and household utility maximization problem. The anticipation of revaluation, revaluation in Brockton, and nonlinear two-stage least squares estimator are also described. This text likewise covers the estimates of the degree of property tax capitalization and horizontal equity of tax rate changes. This publication is recommended for academics, public officials, and homeowners.

Introduction to Personal Finance Kristen Carioti, 2024-03-18 Introduction to Personal Finance: A Step-by-Step Guide to Financial Freedom invites students to reflect on their values and behaviors with money and to set goals to reach financial freedom and financial wellness. Author Kristen Carioti provides clear, step-by-step guidance to teach students the basics, from setting up an emergency fund, to navigating student loans and investing for retirement. Students are encouraged to evaluate their personal relationship with money and how to mindfully assess their behavior so they can set and reach achievable financial goals.

International Management Paul D. Sweeney, Dean B. McFarlin, 2014-09-19 As the economies of many countries become more interrelated, international managers are facing huge challenges and unique opportunities associated with their roles. Now in its fifth edition, Sweeney and McFarlin's International Management embodies a balanced and integrated approach to the subject, emphasizing the strategic opportunities available to firms on a global playing field, as well as exploring the challenges of managing an international workforce. Integrating theory and practice across all chapter topics, this book helps students to learn, grasp, and apply the underlying principles of successful international management: Understanding the broad context of international business, including the critical trends impacting international management, the legal and political forces driving international business, and the ethical and cultural dilemmas that can arise Mastering the essential elements of effective interaction in the international arena, from cross-cultural understanding and communication to cross-border negotiation Recognizing and taking advantage of strategic opportunities, such as entering and operating in foreign markets Building and leading effective international teams, including personal and behavioral motivation, as well as taking an international perspective on the hiring, training, and development of employees These principles are emphasized in the text with current examples and practical applications, establishing a foundation for students to apply their understanding in the current global business environment. With a companion website featuring an instructor's manual, powerpoint slides, and a testbank, International Management, 5e is a superb resource for instructors and students of international management.

TORBIT 2020 Sanjeev Kathuria, Torbit 2020 is a major leap forward in contributing towards the building of a Credible Real Estate Industry! Some of the most eminent and respected leaders of the industry have shared their insights herein, with the aim to educate Customers and other Real estate players in the context of the present pandemic situation. Providing deep insights on building a transparent, robust industry, this book offers workable solutions to the situations being faced currently by Consumers, Developers, NBFCs, Policymakers, and the like. For the Customers / Consumer / Homebuyer: In a first for the country perhaps, Torbit 2020 gives an insight on how Real Estate, Real Estate Investment, Pricing, and the entire gamut work in India. It is an honest attempt at providing an overview of the market along with very important suggestions and guidance from industry experts, on how to deal with and understand particular situations, and ultimately enable them to make informed and fruitful decisions. Sanjeev Kathuria especially has shared learnings from his immense real estate experience. He has shared useful strategies and offered guidance and understanding of the market, government policies, and projects so that buyers and investors are not misled. He has also provided his valuable views on Ready to Move vs Under construction property. Through Torbit 2020 homebuyers/ investors will be able to segregate and select the best of the projects in the market and will be able to identify the finer points which one usually overlooks while selecting a project and be safe with their investments. Torbit 2020 attempts to throw some light on RERA and enable a better understanding of taking a Home loan, Rent, etc. It has touched upon topics such as the Home Loan paradox, legal rights of buyers, applied tax benefits, etc. For Developers and other Real estate players: Torbit 2020 provides a proactive outlook on developers and suggests steps and shares its vision on how Real Estate developers should approach their customers, employees and accordingly take corrective steps to be on track and most importantly HOW TO APPROACH SALES. Torbit 2020 has also thrown some light on how to avoid conventional selling, the role of channel partners, and the importance of Marketing - the main platform to increase Sales. Special inputs on Post Corona Pandemic issues and ways to kickstart business are significant for coming years. Sanjeev Kathuria has attempted to handhold readers and clarified through his vast experience where newer avenues are available for Developers and Real estate players alike, and how to best utilize existing assets, and above all which important policies must be availed. In a separate chapter on NBFCs and Developers, Torbit 2020 has made plain where the industry went wrong, and what are the steps that need to be followed to get out of that turmoil. Some of the best practices to be followed by Real Estate players to ensure a dependable, well-founded, professional, and unfailing environment have been shared by top industry experts.
