Toot & Puddle: You Are My Sunshine Holly Hobbie,2010-02-27 It's a glorious day in Woodcock Pocket. The sun is shining, the birds are singing . . . and Toot is moping. So, Puddle makes Toot's favorite dessert at dinnertime, takes him out for a little adventure, and even throws a party, but nothing seems to cheer up his friend. Then a big thunderstorm with lots of mud rocks Woodcock Pocket and changes everything. With light-hearted humor and exquisitely detailed watercolor paintings, Holly Hobbie tells the story of two pigs and their enduring friendship.

Ain't No Sunshine Candice Dow,2014-11-19 For Laila, the road to self discovery leads to shocking revelations, but she'll brave those dark times in order to see the light. When twenty-two-year-old Laila ran away from her controlling boyfriend and her job as a dancer in a Miami strip club, she thought her past had been buried for good. Determined to create a new life for herself in Philadelphia, she meets young and sexy Jordan Maxwell, who is more than willing to help. When Jordan introduces Laila to Poetry Night at a local club, she shines on stage and attracts the interest of an independent record producer. With a bright future just around the corner, Laila quickly discovers she is far from safe. Little Somebodies, Big Nobodies Kayla Joan Baur,2020-09-27 Willowdale High School is the typical breeding ground for teenage angst, ruthless bullying, and a screwed up social order that only favors the superficial and socially adept -- the big nobodies. Most students pass through the four uneventful years by keeping their heads down, while others are forced to trek through the social battlefield while trying to retain as few emotional scars as possible. For misfits like Mary, Leo, Paxton, and Rachel, braving their way through is just the way high school is for people like them -- that is, until an eccentric girl named Sloane Riley comes along and changes their lives. With a mysteriously secretive past and a rebellious demeanor that seems to always get her into trouble, Sloane manages to bring the four misfits together and shows them the value of friendship and individuality. From midnight swims and campfire gatherings to a fantastical school production and prom, their senior year becomes the best one yet as the five friends grow closer than they ever could have dreamed. However, they soon realize that no one is ever left unscathed by the harshness of society when Sloane's miserable past begins to bleed into her adventurous, carefree present. As the months pass by and Sloane struggles with personal trauma of her own, she shows her best friends the importance and the quiet, subtle beauty in being little somebodies -- in being a guiding light for those who may be drowning in the darkness of their own lives.

It's Like Heaven Dorothy H. Jordan,2020-06-01 In 1982 Dorothy H. Jordan founded Camp Sunshine to provide children with cancer a safe, normal childhood experience, to show them that others share their challenges, and to help them find community and support. In 1983 approximately forty campers between the ages of seven and eighteen attended the first summer camp, held in the north Georgia mountains. Thirty-five years later, more than four hundred campers attended the 2018 summer camp, and several hundred more children and family members participated in more than 150 additional recreational, educational, and supportive Camp Sunshine programs held throughout the year in metro Atlanta, Savannah, and other areas of Georgia. Today Camp Sunshine, a nonprofit organization, has hundreds of dedicated volunteers who help the leadership staff of the camp with its multiple year-round programs, as well as pediatric oncology nurses and other medical professionals who take care of the campers' medical needs while they attend those programs. It's Like Heaven documents the story of the first thirty-five years of Camp Sunshine through the voices of campers, their nurses, counselors, and other volunteers. Each chapter is a former camper's first-person story about childhood cancer and the Camp Sunshine journey, followed by reflections on the camper's experience by the camper's nurse or another member of the camp community, creating a unique narrative of each camper's struggle and path toward healing. Every story includes photos of both the camper and the camper's mentor as well as several photos that illustrate the connections, bonds, and strength of community created through Camp Sunshine.

The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your

home. "A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way."—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

The Two Lives of Lydia Bird Josie Silver, 2022-01-25 Two lives. Two loves. One impossible choice. From the #1 New York Times bestselling author of the Reese's Book Club Pick One Day in December . . . "I read The Two Lives of Lydia Bird in a single sitting. What a beautiful, emotional gift Josie Silver has given us."—Jodi Picoult Written with Josie Silver's trademark warmth and wit, The Two Lives of Lydia Bird is a powerful and thrilling love story about the what-ifs that arise at life's crossroads, and what happens when one woman is given a miraculous chance to answer them. Lydia and Freddie. Freddie and Lydia. They'd been together for more than a decade and Lydia thought their love was indestructible. But she was wrong. On Lydia's twenty-eighth birthday, Freddie died in a car accident. So now it's just Lydia, and all she wants is to hide indoors and sob until her eyes fall out. But Lydia knows that Freddie would want her to try to live fully, happily, even without him. So, enlisting the help of his best friend, Jonah, and her sister, Elle, she takes her first tentative steps into the world, open to life—and perhaps even love—again. But then something inexplicable happens that gives her another chance at her old life with Freddie. A life where none of the tragic events of the past few months have happened. Lydia is pulled again and again through the doorway to her past, living two lives, impossibly, at once. But there's an emotional toll to returning to a world where Freddie, alive, still owns her heart. Because there's someone in her new life, her real life, who wants her to stay.

The Whole Animal Corinna Chong, 2023-05-02 A refreshingly original debut collection of short stories that grapple with the self-alienation and self-discovery that make us human. For fans of Souvankham Thammavongsa, Lynn Coady, and Lisa Moore comes a striking debut collection of short stories that explore bodies both human and animal: our fascination with their strange effluences, growths, and protrusions, and the dangerous ways we play with their power to inflict harm on ourselves and on others. Throughout *The Whole Animal*, flawed characters wrestle with the complexities of relationships with partners, parents, children, and friends as they struggle to find identity, belonging, and autonomy. Bodies are divided, often elusive, even grotesque. In "Porcelain Legs," a pre-teen fixates on the long, thick hair growing from her mother's eyelid. In "Wolf-Boy Saturday," a linguist grasps for connection with a young boy whose negligent upbringing has left him unable to speak. In "Butter Buns," a college student sees his mother in a new light when she takes up body-building. With strange juxtapositions, beguiling dark humour, and lurid imagery, *The Whole Animal* illuminates the everyday experiences of loneliness and loss, of self-alienation and self-discovery, that make us human. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA).
