Stuck in Halftime Bob Buford, 2010-06-23 Since the release of *Halftime* in 1994, more than 150,000 people have purchased that book and begun a journey from success to significance. In a way that no one could have predicted, *Halftime* started a widespread movement viewing midlife as an opportunity rather than a crisis. It helped men and women between the ages of 35 and 50 realize they may have another thirty years of active, vibrant living ahead of them. And, according to author Buford, retirement is not the optimal option. But now, many of the people who began the journey from success to significance have found themselves sidetracked, stuck in the middle of their transition. *Stuck in Halftime* coaches readers how to get past the barriers that stand in their way to maturity and fulfillment. It outlines eight myths of halftime and explains the new set of rules for this second half of life's journey. Combining practical guidance with personal stories of people who have become unstuck, *Stuck in Halftime* renews the vision and determination of those who heard the still, small voice of God calling them to a life of significance.

**A Queerly Joyful Noise** Julia Balen, 2017-11-10 *A Queerly Joyful Noise* examines how choral singing can be both personally transformative and politically impactful. As they blend their different voices to create something beautiful, LGBTIQ singers stand together and make themselves heard. Comparing queer choral performances to the uses of group singing within the civil rights and labor movements, Julia "Jules" Balén maps the relationship between different forms of oppression and strategic musical forms of resistance. She also explores the potential this queer communal space creates for mobilizing progressive social action. A proud member of numerous queer choruses, Balén draws from years of firsthand observations, archival research, and extensive interviews to reveal how queer chorus members feel shared vulnerability, collective strength, and even moments of ecstasy when performing. *A Queerly Joyful Noise* serves as a testament to the power of music, intimately depicting how participation in a queer chorus is more than a pastime, but a meaningful form of protest through celebration.

Controlando a depressão com tcc para leigos Matt Broadway-Horner, Brian Thomson, 2014-06-16 Este livro orienta o leitor no sentido de uma melhor compreensão da depressão e ajuda-o a reconhecer e lidar com os sintomas, usando uma abordagem chamada terapia cognitivo-comportamental (TCC). A grande vantagem da TCC é que ela usa métodos testados e aprovados para ajudá-lo a entender como se tornou deprimido e o que está mantendo-o deprimido. Além de preparar você para superar sua depressão e levar uma vida plena novamente, a TCC o capacita a ajudar outras pessoas. Uma paciente nos contou que sofreu de depressão durante toda sua vida e achava que a origem era genética, pois seus pais tinham sofrido de depressão ao longo de suas vidas. No entanto, concordou em experimentar a TCC e, já nas primeiras semanas, começou a entender melhor sua depressão e a sentir-se capacitada para assumir o controle de sua vida. Quando terminou seu tratamento, sentia-se confiante para lidar com o que quer que a vida lhe apresentasse, sem mergulhar na depressão novamente. Ainda, ela nos enviou um encantador cartão de agradecimento, em que dizia:

War of the Spark: Ravnica (Magic: The Gathering) Greg Weisman, 2019-04-23  
NEW YORK TIMES BESTSELLER • Experience the first official adventure in Magic: The Gathering's multiverse in nearly a decade as the ultimate battle begins on Ravnica. Teyo Verada wants nothing more than to be a shieldmage, wielding arcane energies to protect his people from his world's vicious diamondstorms. When he's buried alive in the aftermath of his first real tempest, the young mage's life is about to end before it can truly begin—until it doesn't. In a flash, a power he didn't know he had whisks him away from his home, to a world of stone, glass, and wonder: Ravnica. Teyo is a Planeswalker, one of many to be called to the world-spanning city—all lured by Nicol Bolas, the Elder Dragon. Bolas lays siege to the city of Ravnica, hungry for the ultimate prize: godhood itself. His unparalleled magic and unstoppable army appear poised to bring the city to utter ruin. Among those who stand in the way of Bolas's terrifying machinations are the Gatewatch, Planeswalkers sworn to defeat evil, no matter where it's found. But as they work to unite the other mages and mount a defense of the city and its people, the terrifying truth of Bolas's plan becomes clear. The Elder Dragon has prepared a trap to ensnare the most powerful mages from across the Multiverse—and it's too late to escape. As forces great and small converge on the city and the battle rages, the stakes could not be higher. If the Gatewatch falters and the Planeswalkers fail, the curtain will fall on the age of heroes—and rise on the infinite reign of Nicol Bolas.
