**To Make the Earth Whole** Marc Gopin,2009-06-15 To Make the Earth Whole studies the art of citizen diplomacy\_a process that can address clashes of religion and culture across regional lines even when traditional negotiations between governments can fail. While faith and regional differences have been sources of division around the world in recent decades, millions of citizens are also creating bonds of friendship and collaboration that are forming the basis of a global community. Drawing on the experiences gleaned from years practicing citizen diplomacy in some of the world's most politically charged climates, scholar-practitioner of conflict resolution and rabbi Marc Gopin describes his work in Syria as a central case study of the book. The author outlines the strategic basis for creating community across lines of enmity, the social network theory to explain how this happens, and the long term vision required for a progressive but inclusive global community that respects religious communities even as it limits their coercive power over others. This powerful and practical book outlines an incremental and evolutionary strategy of positive change that stands a strong chance of success, even in today's most conservative and repressive religious and political contexts. To Make the Earth Whole also examines the ethical challenges of citizen diplomacy from the perspectives of both Western and Eastern philosophies and religions. The world's wisdom traditions are essential in devising a way for citizens to develop the foundations for global community.

Rich People Problems Kevin Kwan, 2017-05-23 NEW YORK TIMES BESTSELLER • From the author of the international sensation *Crazy Rich Asians* and *China Rich Girlfriend*, here is the trilogy's uproarious conclusion. • "A memorable, laugh-out-loud Asian glitz fest that's a pure pleasure to read." —USA Today When Nicholas Young hears that his grandmother, Su Yi, is on her deathbed, he rushes to be by her bedside—but he's not alone. The entire Shang-Young clan has convened from all corners of the globe to stake claim on their matriarch's massive fortune. With each family member vying to inherit Tyersall Park—a trophy estate on 64 prime acres in the heart of Singapore—Nicholas's childhood home turns into a hotbed of speculation and sabotage. As her relatives fight over heirlooms, Astrid Leong is at the center of her own storm, desperately in love with her old sweetheart Charlie Wu, but tormented by her ex-husband—a man hell bent on destroying Astrid's reputation and relationship. Meanwhile Kitty Pong, married to China's second richest man, billionaire Jack Bing, still feels second best next to her new step-daughter, famous fashionista Colette Bing. A sweeping novel that takes us from the elegantly appointed mansions of Manila to the secluded private islands in the Sulu Sea, from a kidnapping at Hong Kong's most elite private school to a surprise marriage proposal at an Indian palace, caught on camera by the telephoto lenses of paparazzi, Kevin Kwan's hilarious, gloriously wicked new novel reveals the long-buried secrets of Asia's most privileged families and their rich people problems.

Esquire, 1966-07

**China Rich Girlfriend** Kevin Kwan, 2015-06-16 NEW YORK TIMES BESTSELLER • The author of the international sensation

Crazy Rich Asians delivers a “snarky ... wicked ... funny” follow-up (The New York Times) that’s a deliciously fun romantic comedy of family, fortune, and fame in Mainland China. It’s the eve of Rachel Chu’s wedding, and she should be over the moon. She has a flawless Asscher-cut diamond, a wedding dress she loves, and a fiancé willing to thwart his meddling relatives and give up one of the biggest fortunes in Asia in order to marry her. Still, Rachel mourns the fact that her birth father, a man she never knew, won’t be there to walk her down the aisle. Then a chance accident reveals his identity. Suddenly, Rachel is drawn into a dizzying world of Shanghai splendor, a world where people attend church in a penthouse, where exotic cars race down the boulevard, and where people aren’t just crazy rich ... they’re China rich.

**The After Collection** Anna Todd,2020-10-20 From the New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (Cosmopolitan), comes the complete collection of her sizzling After series—the inspiration behind the major motion picture After. After: Once she meets Hardin, good girl Tessa’s life will never be the same. He is rude, cocky, and the exact opposite of her reliable boyfriend back home—she should hate him, but then she finds herself alone with him one night. What follows is a passionate but tempestuous romance that turns Tessa’s

usually calm and traditional world upside down. After *We Collided*: Tessa and Hardin's tentative relationship takes a devastating turn when a dark secret from Hardin's mysterious past surfaces. Can Tessa manage to move on and forge a new life for herself? Or will Hardin be able to change enough to win back his one true love? After *We Fell*: Hardin isn't the only one with secrets. Everything Tessa thought she knew about her life goes up in smoke and she has no idea if Hardin will be willing to stay with her. Trapped in a seemingly unending cycle of jealousy and rage, neither has any idea if their passion is enough to keep their relationship alive. After *Ever Happy*: Each new challenge Tessa and Hardin face only makes their passionate bond stronger and stronger. But when a revelation about the past shakes Hardin's impenetrable façade to the core—and then Tessa suffers a tragedy—will they stick together again or be torn apart? Before: The ups and downs of Tessa and Hardin's relationship are explored by others in their lives before, during, and after the events of the series. Finally, Hardin reveals his own perception of his life with Tessa, which will completely change how you see the famous brooding boy and the angel who loved him.

Strangers on a Bridge James Donovan, 2015-08-04 The #1 New York Times bestseller and subject of the acclaimed major motion picture *Bridge of Spies* directed by Steven Spielberg, starring Tom Hanks as James B. Donovan. Originally published in 1964, this is the “enthral...truly remarkable” (The New York Times Book Review) insider account of the Cold War spy exchange—with a new foreword by Jason Matthews, New York Times bestselling author of *Red Sparrow* and *Palace of Treason*. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous “Bridge of Spies” which then linked

West Berlin to East. With him, walked Rudolf Ivanovich Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time. His trial, which began in a Brooklyn United States District Court and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country's enemies and did so with scrupulous skill. In *Strangers on a Bridge*, the lead prosecutor in the Nuremburg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of Donovan and Abel as well as trial notes and sketches drawn from Abel's prison cell—here is an important historical narrative that is “as fascinating as it is exciting” (The Houston Chronicle).

*The Five Secrets You Must Discover Before You Die* John Izzo, 2008-01-01 “What brought you the greatest joy? What do you

wish you had learned sooner? What ultimately mattered and what didn't?" asks Dr. John Izzo. Based on a highly acclaimed public television series, this book takes the reader on a heartwarming and profound journey to find lasting happiness. Imagine for a moment that you are about to take a foreign vacation to an exotic destination. You have saved your entire life to travel there. It is a destination with almost unlimited choices of how to spend your time and you know you will not have enough time to explore every opportunity. You are fairly certain that you will never get to take a second trip to this destination; this will be your one opportunity. Now imagine that someone informs you that there are several people in your neighborhood who have been to that country, explored every corner. Some of them enjoyed the journey and have few regrets, but others wish they could take the trip again knowing what they know now. Would you not invite them over for dinner, ask them to bring their photographs, listen to their stories, and hear their advice? This is precisely the journey explored in this book. Dr. John Izzo and his colleagues interviewed over 200 people, ages 60-106, who were identified by friends and acquaintances as "the one person they knew who had found happiness and meaning." From town barbers to Holocaust survivors, from aboriginal chiefs to CEOs, these people had over 18,000 years of life experience between them. He asked them questions like, "What brought you the greatest joy? What do you wish you had learned sooner? What ultimately mattered and what didn't?" Here Izzo shares their stories—funny, moving, and thought-provoking—and the Five Secrets he learned from listening to them. This book will make you laugh, bring you to tears, and inspire you to discover what matters long before you die.
