Arms and Armour of the Imperial Roman Soldier Raffaele D'Amato,Graham Sumner,2009-09-17 A survey of the various forms of armour worn by the Roman soldier from 112 BC to 192 AD, featuring a wealth of illustrations and plates. From the Latin warriors on the Palatine Hill in the age of Romulus, to the last defenders of Constantinople in 1453 AD, the weaponry of the Roman Army was constantly evolving. Through glory and defeat, the Roman warrior adapted to the changing face of warfare. Due to the immense size of the Roman Empire, which reached from the British Isles to the Arabian Gulf, the equipment of the Roman soldier varied greatly from region to region. Through the use of materials such as leather, linen and felt, the army was able to adjust its equipment to these varied climates. Arms and Armour of the Imperial Roman Soldier sheds new light on the many different types of armour used by the Roman soldier, and combines written and artistic sources with the analysis of old and new archaeological finds. With a huge wealth of plates and illustrations, which include ancient paintings, mosaics, sculptures and coin depictions, this book gives the reader an unparalleled visual record of this fascinating period of military history. This book, the first of three volumes, examines the period from Marius to Commodus. Volume II will cover the period from Commodus to Justinian, and Volume III will look at the period from Romulus to Marius. "An impressive achievement, a testament to an enormous scholarly effort—and it is a significant contribution to the understanding of the Roman army." —Bryn Mawr Classical Review "Without doubt, this is the definitive study of clothing, armour and weaponry worn by Roman soldiers during the golden age of their conquests...D'Amato has brought together a remarkable collection of archaeological photographs gathered over decades to illustrate every aspect of this military evolution . . . A treasure trove of facts and illustrations that is essential reading for any Roman military enthusiast." —Tim Newark, Military Illustrated Magazine
