J. R. Miller

For Those of Us Waiting on That Day! Ann Dillon,2015-08-20 Anyone that has had a loved one go home knows the pain and sorrow that can overwhelm them. The loss of a loved one can send you into a deep abyss of pain and sorrow. Do you wonder where your loved one is? What is he or she doing? What is Heaven like? How do you find comfort in the pain? Where is God when it hurts? This book was written as the author found herself asking the same questions when, while still grieving the loss of her dad, her strong, healthy husband had a sudden heart attack. On November 2, 2011, her husband of thirty-eight years was called home to heaven. Trying to hold on to her faith while reeling from shock and grief, she threw herself into studying Gods Word and holding on to her faith while she tried to seek answers and comfort. Being unable to find a devotional that was specifically for grieving Christians lead her to write her first book. You will find comfort and assurance that you will be reunited with your loved one in the scripturally based devotions as you read what God has laid on her heart. Ann gives you a daily devotional that helps you focus on heaven, Gods sovereignty and everlasting love, eternity, and that glorious day we will be reunited with our loved ones, and help you find comfort and an eternal perspective as you wait on that day.

Comfort and Joi Joseph Dougherty, 2004-12-17 She was one of the working stiff actors who made American movies a sort of extended family for me. If I don't do this for her, who will? Memory and movies collide when the narrator of *Comfort and Joi*, award-winning screenwriter Joseph Dougherty's imaginative blend of fiction and film fact, sets out to document the life and work of bosomy blonde bombshell Joi Lansing, a minor glamour girl who appeared in such classics as *Hillbillys in a Haunted House* and *Queen of Outer Space*. Alone in a borrowed house on the California coast during a winter weekend, he indulges his fascination with the pin-up who rose from extra girl to work with Orson Welles, only to end her career in grade-z horror pictures. Offbeat movie history from the fringes of Hollywood triggers haunting personal memories as he follows this beautiful beacon in a Sargasso of bad filmmaking and finds an unexpected path to his own past. Dougherty is a humanist who argues that each of us has to look, listen, choose, and commit. His work is as encouraging as it is enlightening. -Douglas Heil, Prime-Time Authorship

To Comfort Always David Clark, 2016 Palliative medicine was first recognised as a specialist field in 1987. One hundred years earlier, London based doctor William Munk published a treatise on 'easeful death' that mapped out the principles of practical,

spiritual, and medical support at the end of life. In the intervening years a major process of development took place which led to innovative services, new approaches to the study and relief of pain and other symptoms, a growing interest in 'holistic' care, and a desire to gain more recognition for care at the end of life. This book traces the history of palliative medicine, from its nineteenth-century origins, to its modern practice around the world. It takes in the changing meaning of 'euthanasia', assesses the role of religious and philanthropic organisations in the creation of homes for the dying, and explores how twentieth-century doctors created a special focus on end of life care. To Comfort Always traces the rise of clinical studies, academic programmes and international collaborations to promote palliative care. It examines the continuing need to support development with evidence, and assesses the dilemmas of unequal access to services and pain relieving drugs, as well as the periodic accusations of creeping medicalization within the field. This is the first history of its kind, and the breadth of information it encompasses makes it an essential resource for those interested in the long-term achievements of palliative medicine as well as the challenges that remain.
