Icons of the American Comic Book [2 Volumes] Randy Duncan,Matthew J. Smith,2013-01-29 This book explores how the heroes and villains of popular comic books--and the creators of these icons of our culture--reflect the American experience out of which they sprang, and how they have achieved relevance by adapting to, and perhaps influencing, the evolving American character. Multiple generations have thrilled to the exploits of the heroes and villains of American comic books. These imaginary characters permeate our culture--even Americans who have never read a comic book

grasp what the most well-known examples represent. But these comic book characters, and their creators, do more than simply thrill: they make us consider who we are and who we aspire to be. Icons of the American Comic Book: From Captain America to Wonder Woman contains 100 entries that provide historical background, explore the impact of the comic-book character on American culture, and summarize what is iconic about the subject of the entry. Each entry also lists essential works, suggests further readings, and contains at least one sidebar that provides entertaining and often quirky insight not covered in the main entry. This two-volume work examines fascinating subjects, such as how the superhero concept embodied the essence of American culture in the 1930s; and the ways in which comic book icons have evolved to reflect changing circumstances, values, and attitudes regarding cultural diversity. The book's coverage extends beyond just characters, as it also includes entries devoted to creators, publishers, titles, and even comic book related phenomena that have had enduring significance. Includes contributions from 70 expert contributors and leading scholars in the field, with some of the entries written with the aid of popular comic book creators themselves Provides sidebars within each entry that extend readers' understanding of the subject Offers Essential Works and Further Reading recommendations Includes a comprehensive bibliography

Weekly Planner (Universal): Comic Book Limited Edition Adrian M.,2019-12-23 8.5x11 weekly Planner, Comic book version cover page, 110 pages, small size, handy, easy to carry around in your pocket or jacket and a great looking gift for family, friends, co-workers and colleagues. great success amongst college students.Add it to the cart and enjoy it. The Visual Story Planner ,2018-02-25 The Visual Story Planner is simply that-- A planner for visual stories. This version includes everything you would need to create a comic book or graphic novel from start to finish. The planner is broken down into 4 color coded sections: Exploration, World Building, Design, and Thumbnails. Each section is designed to guide your through your story. Exploration allows you to explore your ideas, World Building allows you to build the world, Design allows you to refine your ideas, and Thumbnails allow you to create the first roughs of your comic. In the end, your planner should allow you to create a more finished/polished version of your comic/graphic novel.

The Comic Creator's Varied Planner Someone Cares Media,2020
