

Command Crisis

Richard A. Gabriel, Paul L. Savage

Crisis in Command Richard A. Gabriel, Paul L. Savage, 1978 *Crisis in Command*, written in the aftermath of the Vietnam War, details the mismanagement of the US Army's leadership. Former soldiers Richard A. Gabriel and Paul L. Savage provide documented evidence that the military forces of the United States are ill-prepared for war, having been weakened by officer-corps members who have abandoned honor and integrity to further their individual careers.

Command in Crisis Joseph F. Bouchard, 1991-01-01 Bogen bringer fire eksempler fra det internationale sikkerhedspolitiske område på kriser, som blev løst med magtanvendelse, dvs. da militærmagt brugtes som politisk løsning. Bogen fortæller om to tilfælde fra Mellemøsten, Taiwan-krisen samt den kendte Cuba-missilkrise.

Crisis of Command Stuart Scheller, 2022-09-06 Wall Street Journal Bestseller USA Today Bestseller Publishers Weekly Bestseller As Seen on Tucker Carlson Combat-decorated Marine officer Stuart Scheller speaks out against the debacle of the Afghan pullout as the culmination of a decades-long and still-ongoing betrayal of military members by top leadership, from generals to the commander in chief, comes to light. Lieutenant Colonel Stuart Scheller was the perfect Marine. Battle tested. A leader. Decorated for valor. Yet when the United States acted like the Keystone Cops in a panicked haphazard exit from Afghanistan for political reasons, Scheller spoke out, and the generals lashed out. In fact, they jailed him to keep him quiet, claiming he lost the "trust and confidence" bestowed upon him by the Marines. When the faith and trust is exactly what our generals and even our commander-in-chief betrayed by exercising such reckless and derelict policies. Now Scheller is free from the shackles of the Marine Corps and can speak his mind. And in *Crisis of Command*, that he does. He holds our generals' feet to the fire. The same generals who play frivolously with the lives of our service men and women for political gain. The same general who lied to political leaders to further their own agendas and careers. Stuart Scheller is here to say that the buck stops here. Accountability starts now. It's time to demand accountability and stand up for our military. In this book, Stuart Scheller shows us how.

Command and Control in Military Crisis Harald Hoiback, 2012-11-12 Harald Hoiback's study focuses upon two events - the 1918 Allied meeting at Doullens when the Allies ceded control to an officer, and the Norwegian decision in 1940 to leave control in the hands of a colonel which led to the Nazi invasion.

Command Crisis D. Clayton James, 1982

Crisis in Command Richard A. Gabriel, Paul L. Savage, 1990

Refighting the Last War D. Clayton James, 2010-06-15 Distinguished historian D. Clayton James offers a brilliant reinterpretation of the Korean War conflict. Focusing on the critical issue of command, he shows how the Korean War is a key to understanding American decision-making in all military encounters since World War II. Korea, the first of America's limited wars to stem the tide of world communism, was fought on unfamiliar terrain and against peasant soldiers and would become a template for subsequent American military engagements, especially Vietnam. And yet, the strategic and tactical doctrines employed in Korea, as well as the weapons and equipment, were largely left over from World War II. James, the master biographer of MacArthur, uses studies of military crises to examine the American high command in the Korean War. He explores the roles, leadership, personalities, and prejudices of five key commanders—President Harry S. Truman; Generals Douglas MacArthur, Matthew B. Ridgway, and Mark W. Clark; and Admiral C. Turner Joy—and then looks at six crucial issues confronting them in that conflict. From the decision made by Truman, without congressional approval, to commit United States forces to combat in Korea, to MacArthur's persistent fight for approval of his dangerous plan to assault Inchon, to the judgment to finally open truce negotiations, these turning points illuminate the American way of command in wartime. James analyzes the ground-level results and long-term implications of each choice, and sensitively explores the course that might have followed if other options had been taken. Probing the nature and consequences of these military resolutions, James shows how the conduct of the Korean War, like every new war, bears the imprint of the preceding one.

Command and Control in Military Crisis: Case 2 : the strategic colonel Harald Hoiback, 2003

Command Crisis: Influence Of Command Culture On The Allied Defeat At Suvla Bay Major Stuart J. Archer, 2015-11-06 The IX Corps of the British Mediterranean Expeditionary Force (MEF) achieved a complete tactical surprise of the Turkish defenders with its landing on 6 August 1915. Yet, despite a huge superiority in resources and a ten-to-one advantage in men, the IX Corps failed to obtain its planned objectives. This study examines the extent that the outcome of the British failure was influenced by the prevalent British Army command culture. The British Army command culture of 1916 was directly linked to its past as a colonial police force. Although well suited for that role, it was unable to effectively deal with the changes in warfare and the rapidly expanding sizes of armies in 1916. The British command culture of the time consisted a personalized system that exercised a reliance on a system of seniority, a hands-off method of command at the senior and operational levels, and a restrictive method of control at the tactical level.

A Crisis in Confederate Command ,

Command and Control of Disaster Operations Walter G. Green, III, 2001 Originally written as a study guide to assist individuals preparing for the Certified Crisis Operations Manager examination, this volume provides a reference manual for emergency managers on the organizational structures, facilities, and procedures used to manage disaster response operations. The focus is on management of operations during the period immediately prior to disaster onset, the event impact, and the immediate post impact period. Topics covered include the Incident Command System, Command Posts, Emergency Operations Center facilities and organization, emergency plans and guidance documents, information management, interface procedures, communications, strategy and tactics, decision processes, risks and safety, media relations, documentation, stress management, and standards and ethics.

Crisis of Command in the Army of the Potomac Jay W. Simson, 2008-08-14 With the ascendancy of Ulysses S. Grant in late 1863, the command tone of the United States Army underwent a dramatic change. While Grant's predecessor George McClellan had been overly cautious about committing troops and resources to fight the South, Grant held the philosophy that a war fought for total ends required total means. Philip Sheridan set about reorganizing the army to reflect Grant's new style. During the last six months of the war, he relieved three generals of their commands because of their inability to follow his orders precisely. William Averell, Alfred Torbert and Gouverneur Warren found themselves and their careers casualties of Sheridan's intense determination to bring an end to the hostilities. Only Ranald S. Mackenzie managed to survive Sheridan's search for effective leaders, proving himself the ideal subordinate.

Command and Control in Military Crisis Harald Hoiback, 2012-11-12 Harald Hoiback's study focuses upon two events - the 1918 Allied meeting at Doullens when the Allies ceded control to an officer, and the Norwegian decision in 1940 to leave control in the hands of a colonel which led to the Nazi invasion.

Commanders In Crisis #3 (of 12) Steve Orlando,2020-12-16 The Crisis Command interrogates a ticking clock corpse! But how can heroes save a world without empathy? FIRST they have to figure out how to save it within themselves, as Nina Next, the incredible science hero FRONTIER, takes John Doe Empathy out on the town...to discuss their secrets.

Command Crisis Stuart K. Archer,1998 The IX Corps of the British Mediterranean Expeditionary Force (MEF) achieved a complete tactical surprise of the Turkish defenders with its landings on 6 August 1915. Yet, despite a huge superiority in resources and a ten-to-one advantage in men, the IX Corps failed to obtain its planned objectives. This study examines the extent that the outcome of the British failure was influenced by the prevalent British Army command culture. The British Army command culture of 1916 was directly linked to its past as a colonial police force. Although well suited for that role, it was unable to effectively deal with the changes in warfare and the rapidly expanding sizes of armies in 1916. The British command culture of the time consisted of a personalized system that exercised a reliance on a system of seniority, a hands-off method of command at the senior and operational levels, and a restrictive method of control at the tactical level.

Crisis and Command John Yoo,2011-02-01 New and updated in paperback—the remarkable history of American presidential executive power from one of today’s most famous legal scholars. “...an eloquent, fact-laden history of audacious power grabs by American presidents going back to George Washington.” – New York Times Magazine However bitter, complex, and urgent today’s controversies over executive power may be, John Yoo reminds us that they are nothing new. In *Crisis and Command*, Yoo explores a factor too little consulted in current debates: the past. Through shrewd and lucid analysis, he shows how the bold decisions made by Washington, Jefferson, Jackson, Lincoln, and FDR changed more than just history—they transformed the role of the American president. The paperback edition of *Crisis and Command* features a new preface and epilogue by the author, giving the most up-to-the-minute insight into the ongoing national debate over presidential power. Written in clear, accessible prose, *Crisis and Command* maintains a manageable scope by focusing on the strongest and most relevant examples throughout history, from George Washington to Barack Obama.

The Mayaguez Crisis, Mission Command, and Civil-military Relations Christopher Jon Lamb,2018 Preface -- Abbreviations -- Key figures in the Mayaguez Crisis -- Introduction -- Day one: Monday, May 12 -- Day two: Tuesday, May 13 -- Day three: Wednesday, May 14 -- Day four: Thursday, May 15 -- Critical crisis decisions -- Explaining decisions, behaviors and outcomes -- Refining the explanation: rationality, bureaucracy and beliefs -- Findings, issues, prescriptions -- Conclusion.

Commanders in Crisis #10 (of 12) Steve Orlando,L.A. Thornhill,2021-07-07 The Crisis Command faces off with the Revenge Regiment as Frontier and Originator pump Doctor Dracula, the blood historian, for information that could save us all! But even if the Crisis Command can defeat Executrix's crazed clones, what'll they do about the skies turning deadly purple? The apocalypse is here!

Commanders in Crisis #12 (of 12) Steve Orlando,2021-09-01 All this time, the Crisis Command has fought to undo what’s been done. From the death of empathy, to the passage of the American Individuality Act, they’ve tried to preserve what they thought was right, what the world needed. But with all of existence in the hands of the world’s population, in OUR hands, thanks to the power of a word, will the ideas of the past save us? Or will they die to give birth to something new? Superheroes haven’t saved the world, so the Crisis Command, and all of us, have to be something better.

COMMANDERS IN CRISIS VOL. 2: THE REACTION Steve Orlando,2021-12-08 Our world sits in the final reality. Empathy, unity, decency...every day, we lose something we thought we couldn’t live without. To save us all, the Crisis Command must give up everything they know—from their egos to their idealism—and go on a journey of rediscovery as the clock ticks towards annihilation. Standing in their way is the Extinction Society, an organization convinced that the only reasonable act for civilization is self-destruction. To survive, the Crisis Command has to be something more than superheroes, they have to be something better—and they have to inspire the last earth to do the same, so they can all meet tomorrow, together. The emotional conclusion to a prescient series from acclaimed writer STEVE ORLANDO (Wonder Woman, Doom Patrol: Milk Wars, Martian Manhunter) and artist DAVIDE TINTO (Marvel Action: Spider-Man). Collects COMMANDERS IN CRISIS #7-12

Delve into the emotional tapestry woven by in Dive into the Emotion of **Command Crisis** . Command Crisis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Command Crisis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Command Crisis has opened up a world of possibilities. Downloading Command Crisis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Command Crisis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Command Crisis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Command Crisis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Command Crisis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Command Crisis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Command Crisis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Command Crisis is one of the best book in our library for free trial. We provide copy of Command Crisis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Command Crisis. Where to download Command Crisis online for free? Are you looking for Command Crisis PDF? This is definitely going to save you time and cash in something you should think about.
