I Am Loved at Community Bible Church Sandi Adams Hutcheson,2015-01-14 Located in a suburb of Atlanta, Georgia, Community Bible Church grew out of a youth ministry that started fifty years ago on a donated piece of property containing only a cracked swimming pool and a rickety old pool house. The history of CBC and its ministries has been summarized as a cast of unlikely characters being used by God to accomplish great things. That cast of characters includes crooked politicians, a state senator, a crotchety judge, a used-car salesman, a wealthy bar owner, and a nuclear physicist. Learn the reason for its success and how they translate to personal growth and well-being.

Come Talk with Me Buddy Westbrook,2011-03 What I feel most guilty and ashamed about in my Christian walk is how little I pray. Why is this true for most Christians? Many of us have experienced prayer as a discipline and a duty. We aren't born knowing how to relate well with God in prayer we need to be taught. This is why Jesus' disciples asked Him to teach them how to pray. For many years, Buddy Westbrook has been training people how to relate with God using Jesus' lesson plan in Luke 11. In *Come Talk with Me*, he will coach you toward down-to-earth skills that will enable you to communicate with God instead of just talking to Him. Whether you use this book on your own or with a group, *Come Talk with Me* will walk you step-by-step into relational conversation with God. Through instruction, stories, examples, exercises, and interactive coaching, you will learn practical skills that will enable you to hear God accurately, relate with Him deeply, and receive His initiation. You will also discover how to wrestle with Him, enjoy Him, and receive His incredible parenting, friendship, understanding, care, and direction. The practical skills in *Come Talk with Me* will not only change how you pray, they'll change you. When God's sons and daughters hear and receive His tangible parenting, His personal affection, His perspective on their lives, and His customized directions, everything changes. You will truly experience being God's child. BUDDY WESTBROOK is a graduate of Dallas Theological Seminary and the pastor of CrossLand Community Bible Church in Fort Worth, Texas. He uses coaching-style leadership to teach others how to skillfully communicate with God. He has been married to his beloved wife, Letty, for more than forty-two years.

Great is Thy Faithfulness Brian S. Snyder,2023 In 2020 David's Community Bible Church celebrated its 250th anniversary, a major milestone. It is not, however, a celebration of man's achievements, but of God's faithfulness. God has been faithful to David's Church longer than the United States has been a country. This book is a celebration of God's faithfulness to the men, women, boys, and girls who have intersected with David's Church through more than 250 years. Some have been members all their lives while others have passed through briefly. Our hope is that everyone's relationship to our faithful God was, and will continue to be, strengthened as a result of the time spent here.--Amazon.

The Connecting Church Randy Frazee,2009-05-26 The development of meaningful relationships, where every member carries a significant sense of belonging, is central to what it means to be the church. So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community? Despite the best efforts of pastors, small group leaders, and faithful lay persons, church too often is a place of loneliness rather than connection.Church can be so much better. So intimate and alive. The *Connecting Church* tells you how. The answer may seem radical today, but it was a central component of life in the early church. First-century Christians knew what it meant to live in vital community with one another, relating with a depth and commitment that made the body of Christ a perfect metaphor for the church. What would it take to reclaim that kind of love, joy, support, and dynamic spiritual growth? Read this book and find out.

Suburbianity Byron Forrest Yawn,2013-04-01 Rick Warren famously wrote, "It's not about you." But much of the Western church seems to disagree, having settled for a self-centered message of personal fulfillment. With incisiveness and a passionate love for the church, pastor and author Byron Forrest Yawn offers a compelling call away from narcissism and back to the powerful and transforming gospel of Jesus. He shows the difference between... Sunday-morning life coaches selling self-help seminars, and preachers proclaiming God's redemptive work through Christ promises of prosperity and comfort, and a realistic and helpful perspective on suffering escape from unbelievers and their godless world, and redemptive engagement with people As Byron exposes the false gospel of "suburbianity," he offers readers a better alternative: to look beyond themselves and embrace God's call to be His image-bearers and ambassadors, partnering with Him as He restores people and all creation to His original design.

 - A New Kind of Big* Chip Sweney,Kitti Murray,2011-01-01 There's a growing desire among believers to reach beyond the walls of their churches to impact communities for God. But when the average church size hovers around 150 members and the problems of even midsized cities seem insurmountable, how can we hope to make a difference? A New Kind of Big tells the inspiring story of how Perimeter Church in suburban Atlanta started a partnership called Unite! with other area churches in order to increase its reach in a community that desperately needed God's light and aid. This partnership has grown to a network of nearly 150 churches that are bringing kingdom transformation to Atlanta. For instance, on just one weekend in 2007, 6,000 volunteers from over 60 churches in metro Atlanta gathered to work on 250 service projects inside the ten-mile radius around Perimeter Church. Thirty welcome baskets were delivered to refugees, a dozen homes were repaired, a thousand Bibles were given away, 750 encourage a teacher gift bags were distributed. And that's not all: volunteers orchestrated 20 block parties in low-income apartment communities and 65 neighborhood food drives that collected 25,000 pounds of food. Chip Sweney shows Christian leaders how they too can discover the power of this new kind of big to pool their resources, energy, and time to minister to their communities, no matter how long or short their membership rolls.
