A place overflowing with magic and creatures that were once only heard of in fairy tales. In the heart of Aeristria is the capital city, Tolvade. Here you will find shops and taverns, laughter and fun, runesmiths looking for their next job, and sneaky pickpocketing imps. Steer clear of the galloping gang of centaurs and you will see the headquarters of the prestigious Coven. Within the Coven's lower ranks, you'll find Vanessa, a third-year Hunter itching to become a Spellweaver. She and her trusted demon partner, Botobolbilian, must investigate an explosion at the academy and bring the culprit responsible in. Easy job, right? Wrong. Vanessa and her partner find that this investigation runs deep in black magic and sprinkled with feral demon summonings. With countless lives on the line, Vanessa struggles with self-doubt and following her heart (and laws) as she tries to right the wrongs of these heinous criminals and bring them to justice before they do any more harm. But, with an oncoming yearly blizzard just days away, is it too late? Even with all the magic, spells, and power on Raen, this job might be the last that this duo ever faces...

Micromachined Mirrors Robert Conant,2013-04-17 Micromachined Mirrors provides an overview of the performance enhancements that will be realized by miniaturizing scanning mirrors like those used for laser printers and barcode scanners, and the newly enabled applications, including raster-scanning projection video displays and compact, high-speed fiber-optic components. There are a wide variety of methods used to fabricate micromachined mirrors - each with its advantages and disadvantages. There are, however, performance criteria common to mirrors made from any of these fabrication processes. For example, optical resolution is related to the mirror aperture, the mirror flatness, and the scan angle. Micromachined Mirrors provides a framework for the design of micromirrors, and derives equations showing the fundamental limits for micromirror performance. These limits provide the micromirror designer tools with which to determine the acceptable mirror geometries, and to quickly and easily determine the range of possible mirror optical resolution and scan speed.

In Every Mirror She's Black Lolá Ákínmadé Åkerström,2021-09-07 A Good Morning America Buzz Pick! As seen in Vulture, Essence, Good Morning America, The Independent, Goodreads, PureWow, and many more! A sexy, surprising, searing debut about love, loss, desire, and the many dimensions of Black womanhood.—Deesha Philyaw, 2020 National Book Award Finalist & award-winning author of The Secret Lives of Church Ladies An arresting debut for anyone looking for insight into what it means to be a Black woman in the world. Three Black women are linked in unexpected ways to the same influential white man in Stockholm as they build their new lives in the most open society run by the most private people. Successful marketing executive Kemi Adeyemi is lured from the U.S. to Sweden by Jonny von Lundin, CEO of the nation's largest marketing firm, to help fix a PR fiasco involving a racially tone-deaf campaign. A killer at work but a failure in love, Kemi's move is a last-ditch effort to reclaim her social life. A chance meeting with Jonny in business class en route to the U.S. propels former model-turned-flight-attendant Brittany-Rae Johnson into a life of wealth, luxury, and privilege—a life she's not sure she wants—as the object of his unhealthy obsession. And refugee Muna Saheed, who lost her entire family, finds a job cleaning the toilets at Jonny's office as she works to establish her residency in Sweden and, more importantly, seeks connection and a place she can call home. Told through the perspectives of each of the three women, In Every Mirror She's Black is a fast-paced, richly nuanced yet accessible contemporary novel that touches on important social issues of racism, classism, fetishization, and tokenism, and what it means to be a Black woman navigating a white-dominated society. Praise for In Every Mirror She's Black: In Every Mirror She's Black is a wise and complicated exploration of the lives of three Black women in America and Sweden. Lola Akinmade Åkerström offers a sharply written story with messy, deeply moving characters, raising brutal questions and steering clear of easy answers. A book that will stick with you long after you've turned the last page. —Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six and Malibu Rising In Every Mirror She's Black highlights the struggles of three women fighting to assimilate into a society that ignores their worth. These characters will pull at your heartstrings. Lola writes with a contemporary flair, highlighting the layered subtleties of the Black woman's plight. In Every Mirror She's Black will stay with readers for a long time. —Nicole Dennis-Benn, author of bestselling novels Here Comes the Sun and Patsy In her debut novel, Lola Akinmade Akerstrom has given us a story that is at once enjoyable and disturbing as it explores the painful price millions of women around the world pay for walking around with black skin. —Imbolo Mbue, New York Times bestselling author of Behold the Dreamers
