Finding North George Michelsen Foy, 2016-05-10 Navigation is the key human skill. It's something we do everywhere, whether feeling our way through a bedroom in the dark, or charting a ship's course. But how does navigation affect our brains, our memory, ourselves? Blending scientific research and memoir, and written in beautiful prose, *Finding North* starts with a quest by the author to understand this most basic of human skills---and why it's in mortal peril. In 1844, Foy's great-great grandfather, captain of a Norwegian cargo ship, perished at sea after getting lost in a snowstorm. Foy decides to unravel the mystery surrounding Halvor Michelsen's death---and the roots of his own obsession with navigation---by re-creating his ancestor's trip using only period instruments. Beforehand, he meets a colorful cast of characters to learn whether men really have better directional skills than women, how cells, eels, and spaceships navigate; and how tragedy results from GPS glitches. He interviews a cabby who has memorized every street in London, sails on a Haitian cargo sloop, and visits the site of a secret navigational cult in Greece. At the heart of Foy's story is this fact: navigation and the brain's memory centers are inextricably linked. As Foy unravels the secret behind Halvor's death, he also discovers why forsaking our navigation skills in favor of GPS may lead not only to Alzheimers and other diseases of memory, but to losing a key part of what makes us human.

The Photographer's Guide to Drones, 2nd Edition Colin Smith, 2022-06-28 **Learn to master your drone—the gear, the technique, the photography, the video—and create jaw-dropping visuals!**

Over the last few years, drones and quadcopters have become the hottest new gear in photography, whether you're a professional photographer or an amateur shooter. These "flying tripods" have given photographers the ability to place their cameras virtually anywhere they want, creating still images and video footage that was previously impossible to capture. Many photographers have a drone or quadcopter right at the top of their "I want" list. And many others have already purchased a drone but haven't mastered its use yet.

No matter what model you may own—whether that's a popular Mavic, Mini, Air, or Phantom from DJI, or another brand—you need to learn how to put this new gear to good use in your aerial photography. You need to learn how to safely operate and fly a drone, how to create compelling photos and video, and how to make your work stand out from the crowd.

In this fully updated and revised edition of the bestselling first edition, photographer and bestselling author Colin Smith guides you toward mastering your drone and creating powerful and impactful imagery. Featuring his award-winning and beautiful aerial photography throughout the book, Colin will teach you:

- How to fly a drone, including practice flight patterns and controller tips that will help you master the basics
- New rules of composition for aerial photography as they apply to drone and quadcopter imagery
- How to create the best files for both still photos and video
- Post-processing techniques—both basic workflow and advanced techniques—unique to aerial photography that you need to know, such as how to make videos look both dynamic and smooth

You'll learn everything you need to know about drones and quadcopters in order to take your photography to new levels...literally!

Theo's Compass SPRING 2018 Theo's Compass,Gary Drury,2019-08-29 This issue sports a Full-Color interior. When Theo's Compass goes to feature brave and creative authors, we encounter men and women such as yourself who are beautiful, brilliant, and generously kind-hearted. The unworldly, innocence of God pours from their pens onto white silken pages and, despite their enigmatic reserve, finds a muse in God. Their words

may not be scripture however the message is unmistakably clear. God is their inspiration, faith is their stone of strength, and prayer their salvation. Unable to resist the temptation to write each bear their soul and true spirit. People are shocked yet thrilled to know what's in the details, don't hesitate. For all the trappings of success-collections of material things and your tormenting demons you can find solace within these wonderful pages. All one needs do is open their eyes to the natural blessings given. Then see from the minds of authors within the crisp pages of The Drury Gazette. Your purchase will help support the goal of seeing new and innovative new works by new and exciting God-fearing authors. Theo's Compass promotes raising authors. Its non-profit private ministry encourages strong Christian values, defends and supports inalienable rights, The Republic-United States of America Constitution: freedoms of press, religion & speech, etc. *26 U.S. Code ♦ 508 (c) (1) (A). Theo's Compass Digital is made available for free. Please adhere to any (c) copyrights, (TM)trademarks, and SM service mark laws. This PDF publication must remain whole perpetually. No alterations or editing permitted. You are encouraged to share but not to sell, lease, rent or monetize publication in any way whatsoever. You may printout one copy for your own personal use. No authorization granted for mass-printed dissemination. Permission granted for email broadcasting provided no spamming and you are authorized to email such parties. Share with others to help authors gain attention. You may always direct individuals believed to be interested in Theo's Compass to www.drurypublishing.com to download their own FREE issue. Enjoy! Theo's Compass is a compilation quarterly publication featuring an entirely new look while still publishing the best of today's emerging writers. Theo's Compass sports various individuals from around the world offering you a wealth of insight and perspective from a plethora of demographics, greed, and race. Let us all walk in another man's shoes before settling into a belief that maybe misgiven. Theo's Compass champions free speech, free press, and free religious rights. Searching for Any Subject Matter, Any Style, and any genre (that doesn't demean, isn't pornographic). Upbeat moral and true-life stories are preferred. Aliens, good deeds, etc. The authors presented in this beautiful publication are relatable. As they find their niche in a relentless world. Holding steadfast to dreams for the sake of their art. Eager to share their highs and lows, joys and sorrows, forming their unique creativity. Theo's Compass is a great deal of fun for EVERYONE and the rewards are awesome. I welcome new and established writers to participate. You are NEVER under any obligation to purchase anything at any time. Submissions may be Any Subject, Any Style, And Any Genre.
