Marie Farrow Patterson,U. L. Patterson

A Fair Is Fun Alice Tu,2003-09 Discusses a visit to a fair in an easy-to-read text that incorporates phonics instruction and rebuses.

Fairs' Point Melissa Scott,2014 During Dog Moon, the chief entertainment in the great city of Astreiant, for nobles and commons alike, is the basket-terrier races at New Fair. This year, with spectacularly bad timing, the massive and suspicious bankruptcy of a young nobleman has convulsed the city, leading to suicides, widespread loss of employment, and inconvenient new laws around the universal practice of betting on the races. As well, a rash of mysterious burglaries seems to suggest a magistical conspiracy. Pointsman Nicolas Rathe is naturally in the midst of all these disturbances--as is his lover, foreign former mercenary Philip Eslingen. When Eslingen receives a basket-terrier puppy in the redistribution of the bankrupt's household goods, he makes the best of it by having the pup trained for the races, an action that draws him and Rathe deeper into the coils of a mystery somehow involving New Fair's dog races, bookies and bettors, the bankruptcy and its causes and fallout, burglaries, and a new uncanny form of murder. Fourth in the Astreiant series,Fairs' Point once again demonstrates Melissa Scott's mastery of fantasy world building, detective-story plotting, and the provision of sheer delight.

Cleveland County Fair Marie Farrow Patterson,U. L. Patterson,2012 In the fall of 1923, the Shelby Kiwanis Club developed a plan to create a county-wide fair combining the Boiling Springs, Fallston, and Union community fairs into one event. Through the sales of \$20 shares of stock, \$15,000 was raised to establish the Cleveland County Fair. The first fair was held in 1924 with 70,000 in attendance. Since then, the theme has always been to celebrate city and farm life coming together through such popular attractions as agricultural exhibits, livestock, carnival rides, stage show revues, stock car racing, tractor pulls, and demolition derbies. Today, the Cleveland County Fair remains the largest county fair in North Carolina and the county's largest continuing attraction, drawing attendees in from a 75-mile radius of Shelby. The average annual attendance holds strong at over 175,000 people.

Minnesota County Fairs ,2009 It's a blustery day, and I'm thumbing through Susan Miller's county fair photos, and suddenly-it's summer. The sun is baking my shoulders, and I'm eating my annual corn dog. I can smell French fries and hay, and I can hear kids squealing with delight as they're flung around on the Tilt-a-Whirl. Flipping through these pages, the best days of the season come back to me. -from the foreword by Shannon Olson

State Fair Phil Stong,2015-01-15 Once a year, a tent city springs up overnight around the exhibition halls in Des Moines as farmers and their families pour in from across Iowa to attend the State Fair. After months of hard and often lonely work, farm families are given the chance to step out of their rural routines — picnic and gossip, sing and dance, take a chance at the hoopla stands, and strut their stuff in stiff competition for ribbons and prizes. When the close-knit Frake family set out from Brunswick, Iowa, Abel's hog, Blue Boy rode proudly in the back of the truck — manicured, curried and rubbed to enameled perfection — ready to compete and win the sweepstakes, the highest honor which any hog could attain. Melissa, Abel's wife, had her hopes set on beating the competition with the prize-winning quality of her pickles. Their teenage children, Wayne and Margy, found themselves faced with a pickle of another kind. Although committed to sweethearts in their hometown, brother and sister are each seized by a new love that sweeps them along, secretly and illicitly, somewhere between the sweet taste of cotton candy and the breathtaking plunge of a roller coaster ride. State fairs were a subject that Phil Stong knew well. For several years his grandfather had been superintendent of the swine division at the Iowa State Fair and, as a reporter for the Des Moines Register, Stong was assigned to cover the evening stock shows at the fair. Iowa held its first state fair in 1854, and for some time fairs were held at various locations around the state before permanently settling in Des Moines. State Fair is very much an Iowa book, filled with incidents and details from the author's own life. Although State Fair suggests a deep satisfaction and fondness for rural life, it shocked some readers in 1932 and was banned in the city library of Keosauqua, Iowa (Stong's hometown) for twenty-five years after it was published. However, judging from the success of the book and the enthusiasm shown for the movies that followed, most readers were captivated by the Frakes' down-home talk and whimsical humor and commended the author's portrayal of rural America.

The Maryland State Fair Celebrating 125 Years Paige Horine,Maryland State Fair,2006-07-26 According to Gov. Robert L. Ehrlich Jr., “[The Maryland State Fair] is an annual opportunity as Marylanders to come together to celebrate the history, tradition, and charm of our State during the best days of summer.” The Maryland State Fair has continued the tradition of delighting Marylanders near and far since the late 1800s. Hosting governors to 4-H'ers, farm animals to farm hands, home arts to computer arts, the fair has always promised something for everyone. Fair favorites such as the sweet, intoxicating scent of warm cotton candy and the heartthundering excitement and majesty of Thoroughbred racing were as much a part of the Maryland State Fair 125 years ago as they are today. Readers can find it all in The Maryland State Fair: Celebrating 125 Years.

Nebraska State Fair Mary L. Maas,2011 The Nebraska State Fair commenced in Nebraska City in 1859, long before Nebraska became a state. Agriculture was recognized as the prime industry in the region, and the promotion of land and products was a driving influence for developing an exposition to put Nebraska on display. In 1901, the state legislature passed a bill declaring Lincoln as the official permanent site for the annual event. In the fair's 140-year history, Lincoln held 108 Nebraska State Fairs. The event was cancelled twice--in deference to the Trans-Mississippi Exposition, a world's fair held in Omaha in 1898, and when the government suspended all fair events in 1945 due to World War II. The fair offers food, entertainment, exhibits, and competitions for visitors of all ages and interests. Each year, there are bigger and better shows, midways, and performers to entice new crowds and to draw those who attend year after year. The history is preserved in precious photographs and memorabilia. Though the fair bids a sad farewell to Lincoln, new memories await as it moves to the centrally located community of Grand Island for its grand opening in late August 2010.

Masonic Temples William D. Moore,2006 In *Masonic Temples*, William D. Moore introduces readers to the structures American Freemasons erected over the sixty-year period from 1870 to 1930, when these temples became a ubiquitous feature of the American landscape. As representations of King Solomon's temple in ancient Jerusalem erected in almost every American town and city, Masonic temples provided specially designed spaces for the enactment of this influential fraternity's secret rituals. Using New York State as a case study, Moore not only analyzes the design and construction of Masonic structures and provides their historical context, but he also links the temples to American concepts of masculinity during this period of profound economic and social transformation. By examining edifices previously overlooked by architectural and social historians, Moore decodes the design and social function of Masonic architecture and offers compelling new insights into the construction of American masculinity. Four distinct sets of Masonic ritual spaces—the Masonic lodge room, the armory and drill room of the Knights Templar, the Scottish Rite Cathedral, and the Shriners' mosque – form the central focus of this volume. Moore argues that these spaces and their accompanying ceremonies communicated four alternative masculine archetypes to American Freemasons—the heroic artisan, the holy warrior, the adept or wise man, and the frivolous jester or fool. Although not a Freemason, Moore draws from his experience as director of the Chancellor Robert R Livingston Masonic Library in New York City, where he utilized sources previously inaccessible to scholars. His work should prove valuable to readers with interests in vernacular architecture, material culture, American studies, architectural and social history, Freemasonry, and voluntary associations.

Puck Fair Seán Moraghan,2013-07-01 Puck Fair, Ireland's oldest festival, was established by a royal patent in October 1613, granted to the Welsh planter, Jenkyn Conway, of Killorglin. It first became a famous, however, as a result of the parading and display of a male goat, which is awarded a crown and named as the King of the Town. 2013 saw the celebration of Puck Fair's 400 year anniversary, which was promoted and celebrated as part

of The Gathering. This book was launched in August of that year, as part of these festivities.

Seattle's 1962 World's Fair Bill Cotter,2015 When the United States entered the 1960s, the nation was swept up in the Space Race as the United States and the Soviet Union competed for supremacy in rocket and satellite technologies. Cities across the country hoped to attract new aerospace companies, but the city leaders of Seattle launched the most ambitious campaign of all. They invited the whole world to visit for the 1962 Seattle World's Fair, and more than nine million people took them up on the offer. A colorful collection of exhibits turned 74 acres of rundown buildings into a futuristic wonderland where dozens of countries and companies predicted life in the future. The entire city was transformed with the addition of the soaring Space Needle and the futuristic monorail. When the fair ended, the site became a complex of parks and museums that remains a vibrant part of Seattle city life today.

This book examines whether different kinds of 'freedoms' (absolutist, parliamentary and republican) caused different economic outcomes, and shows the effect of different political regimes on long term development. The Tunbridge World's Fair Euclid Farnham,2008 Since its opening in 1867, the Tunbridge Worlds Fair has drawn hundreds of thousands of people to its one-of-a-kind event, showcasing the best of regional agriculture and entertainment. The fair, originally intended to determine who owned the fastest horse or best-looking cow, began as an improvised event in farmer Elisha Lougees North Tunbridge pasture and quickly grew into the complex it is today, with well-developed fairgrounds centered around a half-mile racetrack. During the 1929 fair, the Log Cabin Museum was opened with many local residents reenacting the skills of the early settlers. Over the generations, the fair has matured into the best of its kind in northern New England.
