Tarot and Numerology Rhonda Waite Moon, 2020-11-06 2 Books in 1 Boxset This boxset includes 2 manuscripts: The Ultimate Collection of Tarot Reading Guide and Numerology for Beginners. Have you ever wondered about the magic of Tarot cards? Have you ever gone to a Tarot reading, and had it been spot on? Does the idea of Tarot cards simply draw you in out of curiosity? This book will guide you through the basics of Tarot so that you will feel enabled and empowered to do your own readings for yourself and others. The act of Tarot reading, as a form of divination, is an eclectic practice, and there are many different ways and paths to take on this journey. This book will help you figure those out! Numbers abound in this world, and studying the numbers will tell you more about the kind of person you are and the person that you can be and have been. Numerology is the science of using numbers to explain and describe people, what they do, and who they are. Numerology is a scientific-based system of converting information about a person to a number that corresponds to information on various charts. You will learn how to calculate the numbers that will mean the most to you as an individual. You will see how mixing combinations of numbers will give a very different result in your life. And you will even learn how you can use numbers to know what kind of life you lived in a past life. The worst part about not trying to make numerology work in your life is the knowledge of what you will be missing. If you do not calculate your numbers and see what they mean to you, then you might not even know what kind of person you truly are, what kind of values you believe in, or what motivates and drives you. You might feel that you could live forever not knowing these things, but think about how much more improved life would be if you had a way to interpret the meaning of the events in your life and how to handle them? Including in this book collection are: Tarot: The Ultimate Tarot Reading Guide for Beginners. Includes Tarot Card Meanings and Full Introduction to Numerology and Astrology Numerology: The Ultimate Guide to Numerology for Beginners, Including the Divine Triangle, the Relationships and Dating Compatibility. Ideal to Discover the Connection to Astrology
