Competitive Volleyball for Girls Claudia B. Manley, 2001

Get Recruited Traci Callahan, 2020-03-28 Are you interested in playing collegiate beach volleyball but don't know where to start? Do you have trouble understanding the recruiting process, what you can and can't legally do? Perhaps you are an international student? Whatever the case may be, if you want to play beach volleyball at an American university, then this book is for you! Beach volleyball is the fastest growing sport in the NCAA, creating more opportunities for women to compete at the college level, in addition to female athletic scholarships. **Get Recruited: Beach Volleyball** streamlines the recruiting process for both prospective student-athletes as well as time-crunched coaches. Although the recruiting process may feel like a daunting task, it is actually quite simple (and exciting!) once you come to understand the rules- what you can and can't legally do. After reading **Get Recruited: Beach Volleyball**, you will have all the tools and understanding you need

to put together a successful recruiting plan.
