The Comfort Book Matt Haig,2021-07-06 An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. Named by The Washington Post as one of the best feel-good books of 2021. “It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard.” THE COMFORT BOOK is Haig’s life raft: it’s a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig’s future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.

Transition Jeffrey D. Millman M.D.,2021-09-27 Fear of death is probably most people's greatest fear. End of life is sad, but it does not need to be fearful. The best antidote to fear is knowledge. Dr. Millman addresses clearly and in detail concerns about getting affairs in order, obtaining help and assistance, DNR, POLST, and hospice. He discusses near death experiences that have revealed what happens to our body, and our soul, as we cross over to the other side. With a kind and caring manner he talks about the many emotions that arise and how best to cope with them. Approaching the transition process from a spiritual perspective reveals a big picture that brings us comfort and reassurance, uplifting us emotionally and spiritually.
