How To Present To Absolutely Anyone Mark Rhodes, 2019-01-04 Master the art of public speaking with a mind- and content-based approach to success How to Present to Absolutely Anyone is the ultimate guide to successful public speaking. Presentations, talks, and speeches are unavoidable in school, work, and even social occasions (have you ever had to deliver a wedding toast?)—but fear of public speaking is statistically more common than fear of death. Author Mark Rhodes once pretended he had crashed his car to avoid doing a presentation! Permanent avoidance will eventually hold you back, but mastering the art of the successful presentation can take you to new heights! This book shows you how Mark eventually learned to love public speaking: by setting himself up for a self-sustaining cycle of presentation success. It takes more than stage presence to make a great presentation—you need great content. Without it, you won't get the result you're after, and you will dread the next talk. But if your presentation stands on its own two feet and you manage to banish the stage fright, you get a taste of success that ignites your passion and gets you excited to present every time! Packed with practical advice for both mental anguish and content creation, this book approaches public speaking holistically to arm you with real skills for success: Build confidence, reduce fear, and develop the right mindset for public speaking Engage your audience from the start, and reduce first-minute jitters Develop great content that you look forward to presenting each time Go beyond simple body language to reach your audience in a more authentic, organic way Don't mumble your way through a PowerPoint or try to put flash over substance. Craft an engaging, informative presentation that people want to see and that you want to present! This book covers performance anxiety, speaking skills, ideas/content, practice, preparation, and audience interaction. How to Present to Absolutely Anyone guides you from fear, to excitement, to success!

Five Stars Carmine Gallo, 2018-06-05 "As technology threatens to displace countless jobs and skills, the ability to communicate is becoming more important than ever. This book is full of examples to help you get better at transporting your thoughts and emotions into the minds of other people." —Adam Grant, New York Times bestselling author of Give and Take, Originals, and Option B with Sheryl Sandberg How to master the art of persuasion—from the bestselling author of Talk Like TED. Ideas don't sell themselves. As the forces of globalization, automation, and artificial intelligence combine to disrupt every field, having a good idea isn't good enough. Communication is no longer a "soft" skill—it is the human edge that will make you unstoppable, irresistible, and irreplaceable—earning you that perfect rating, that fifth star. In Five Stars, Carmine Gallo, bestselling author of Talk Like TED, breaks down how to apply Aristotle's formula of persuasion to inspire contemporary audiences. As the nature of work changes, and technology carries things across the globe in a moment, communication skills become more valuable—not less. Gallo interviews neuroscientists, economists, historians, billionaires, and business leaders of companies like Google, Nike, and Airbnb to show first-hand how they use their words to captivate your imagination and ignite your dreams. In Five Stars, you will also learn: -The one skill billionaire Warren Buffett says will raise your value by 50 percent. -Why your job might fall into a category where 75 percent or more of your income relies on your ability to sell your idea. -How Airbnb's founders follow a classic 3-part formula shared by successful Hollywood movies. -Why you should speak in third-grade language to persuade adult listeners. -The one brain hack Steve Jobs, Leonardo da Vinci, and Picasso used to unlock their best ideas.
