*The Feline Mystique* Clea Simon,2013-08-06 What is it with women and cats? *The Feline Mystique* is the first serious examination of the intense relationship between woman and their cats and of the repercussions that bond can have on others. Richly researched and searchingly personal, *The Feline Mystique* uses history, science, art, and literature as touchpoints to explain and explore contemporary women's lives with their cats. From a glamorous tiger trainer to a feral-cat rescuer, from a show breeder to Simon and her own relationship with the gray longhair Cyrus, this book will introduce you to women both ferocious and nurturing and animals both whimsical and noble. It's a fresh, fascinating exploration of the timeless bond between women and cats, and will deepen your understanding of your relationship with your own feline-be he or she tiger or tabby. A cat person's answer to *Pack of Two* and *The Secret Life of Dogs*, *The Feline Mystique* is an eye-opening and soul-soothing book for all cat lovers.

**The Way of Cats** Pamela Merritt,2018-05-31 *The Way of Cats* is a way of playing games with our cat. These communication, training, and affection games are fun and easy to learn. Then we have well-behaved and happy cats.

**Every Cat Has a Story** Jasmine Kinnear,2007-11-15 *Every Cat Has A Story* is an exploration of the intimacy that exists between felines and their owners. Submitted from writers throughout the world, these stories touch on the synchronicity of Universal intervention which unites a cat with their person. As you enjoy these stories, possibly a new perspective of your own cat's special qualities may become evident. Your feline's life has not gone unnoticed, for you have been a living testament to the delight and enchantment they have brought into your family. Every cat does indeed have a story, a moment and a legacy that touches their owner's world in a significant manner. A sampling of the 16 stories includes: *The Blue Angel & Her Garden of Pets*, one man's connection to feline spirituality which ultimately connects us one to the other. *Finding Karma at the SPCA* is a story of Universal destiny in which a cat immediately recognizes her owner, yet neither had ever met before. *My Cat is So Insolent, She Has A Price on Her Head*, is written with a dry sense of humor exploring the what ifs of a cat lover and her lessons learned. *Caterina, Portrait of a Feline Soul Mate*, is the kitten we all seek but would we have the awareness to recognize her in a room full of kittens? Then again, would she recognize us? This is an intriguing, educational and entertaining collection of cat stories that you may fondly recall during those private moments shared only with your cat.

**I Draw on Cats** A. R. Coffelt,2016-03-29 Inspired by the viral blog *I Draw on Cats*(20.2k Instagram followers / 35k views on BuzzFeed feature), this is a book of connect-the-dot puzzles superimposed on photos of adorable cats. From easy puzzles (5 dots) to more complex (50 dots), you can follow your inner artist and discover the secret visual joke of each piece (a cat in a garden is transformed into an astronaut while another sitting by the window becomes Marcel Proust). An accordion book of 24 four-color, double-sided 7 x 7 posters, each masterpiece can be torn out for display or gifting (the jacket folds into itself like a trapper keeper so you can use the package as a portfolio to keep the remaining puzzles safe!).

**Connecting with Enchanting Cats** Terry Masear, 2022-05-21 Connecting with Enchanting Cats shares the adventures of four unique and engaging cats who live with the author and her husband in West Hollywood, California. This heartwarming true story is intended for animal lovers and, specifically, cat lovers who appreciate the powerful bonds that arise between pets and their humans. Readers will instantly connect with the cats' colorful and distinctive personalities, deep affection for each other, and close relationships with their guardians that drive this fast-paced narrative. Unlike most cat books, which lean toward simplistic prose and focus of the author's life, personal problems, and human relationships, this entertaining and strongly cat-centered story is written for a more sophisticated adult audience.

**Iris Grace** Arabella Carter-Johnson, 2017-04-25 Iris Grace is a beautiful little girl who, from a very young age, barely communicated, avoided social interaction with other people, and rarely smiled. From both before her diagnosis of autism and after, she seemed trapped in her own world, unable to connect with those around her. One day, her mother brought home a Maine Coon kitten for Iris, even though cats aren't typically thought of as therapy pets. Thula, named after one of Iris's favorite African lullabies and meaning "peace" in Zulu, immediately bonded with Iris. Thula knew right away how to assuage Iris when she became overstimulated; when to intervene when Iris became overwhelmed; and how to provide distraction when Iris started heading toward a meltdown. Whether exploring, playing, sleeping, or taking a bath with Iris or accompanying the family on a bike ride, Thula became so much more than a therapy cat. With Thula's safe companionship, Iris began to talk and interact with her family. This heartwarming story is illustrated with sixty of Iris's gorgeous impressionistic paintings, works of art that have allowed her to express herself since the age of three. A gifted artist, Iris sees the natural world in a profoundly vivid and visceral way. With Thula by her side, she'll sit and paint for hours, and the results are stunning. Inspiring and touching, Iris Grace follows the struggles and triumphs of a family—and a miracle cat—as they learn to connect with an amazing child.

**How to Say it to Your Cat** Janine Adams, 2003 How to say it to your cat: solving behavior problems in ways your cat will understand.

**Decoding Your Cat** Tony Denegal, 2021-05-08 Do you sometimes look at your pet and think 'I wish I knew what you were thinking!'. While we all speak to our kitties from time to time, unfortunately we can't have two-way conversations - though they may seem to understand, our cuddly kitties just can't speak back (in human words that is!). But what if you could tell exactly what your cat wanted to say, just by looking at them? From body language to miaows, our cats communicate in many different ways. Being able to read kitty signals is the first step to not only understanding your pet, but supporting them through their life with you. So to help you and your furry friend understand each other, here's how to decode some common kitty signals!

**Conversations with Cat** Kate Solisti-Mattelon, 2004 Cats have lived alongside humans for thousands of years, but until now, they've remained silent partners. In Conversations with Cat, professional animal communicator Kate Solisti-Mattelon poses some of life's most challenging questions to our feline friends, and the cats' responses offer surprising insights

into the spiritual, physical, and mental awareness of our feline neighbors. Cat people won't be surprised to learn that by connecting with our cats and being humble enough to understand how they perceive us, we can actually learn more about ourselves and begin to model cats' examples of detached love in our human and animal relationships. In addition, Lynda Niemeier's photography captures the essence of cats, making this book the perfect gift for anyone wishing to understand more about these beautiful creatures.

**How to Be a Cat** Nikki McClure, 2013-03-12 "The simplicity and flow of page design are beautifully done as viewers follow a kitten and his mother as she teaches him basic feline behavior." —School Library Journal (starred review) In cut-paper artist Nikki McClure's latest picture book, a kitten practices the basics of feline behavior over the course of a day. A single word of text per spread teaches readers "how to be a cat"—how to stretch, clean, pounce, feast—while the striking paper cuts illustrate the kitten's attempts to imitate an adult cat's mastery of each skill. At times the kitten triumphantly succeeds, and at other times the kitten struggles, in vignettes that range from whimsical to profound. A celebration of all things feline, *How to Be a Cat* also tells a universal story of mastering life skills, and of the sometimes tender, sometimes stern relationship between parent and child, teacher and pupil. Cat lovers of all ages will connect to this loving portrayal of a mentor-student relationship. "Purrrrrfect for beginning readers and little artists with an eye for fine cut-paper compositions and craftsmanship." —Kirkus Reviews (starred review) "The lively verbs and pictures will inspire young readers to imitate the kitten's actions, all the way to the last page, when the two cats curl up to 'Dream.' Part concept book of actions, part a day in the life of a cat, the pages provide two kinds of narratives, no small feat for such a simple-looking story." —New York Journal of Books "McClure's cut-paper spreads can be mesmerizing." —Publishers Weekly "McClure wonderfully captures the shape and movement of the feline form." —The Bulletin of the Center for Children's Books

*Every Cat Has a Story* Jasmine Kinnear, 2013 *Every Cat Has a Story* is an exploration of the intimacy that exists between felines and their owners. Submitted from writers throughout the world, these stories touch on the synchronicity of Universal intervention which unites a cat with their person. As you enjoy this collection of 16 stories, possibly a new perspective of your own cat's special qualities may become evident. Your feline's life has not gone unnoticed, for you have been a living testament to the delight and enchantment they have brought into your family. Every cat does indeed have a story, a moment and a legacy that touches their owner's world in a significant manner. This is an

intriguing, educational and entertaining collection of cat stories that you may fondly recall during those private moments shared only with your cat. About the Author Jasmine Kinnear has been active in the world of cats for many years as a writer, Feline Behavior Consultant, registered cat breeder and cattery mentor. Her compassion, sensitivity and understanding of the human condition lends itself to the Every Story series of books. *Every Cat Has A Story* is Jasmine Kinnear's third book.

The Cat Connection L. Matthews, 2013-05-01 A memoir with surprising twists and turns, this book is the true story of a man with multiple careers and discoveries. Weaving his tale among experiences with a lifetime of cats, he takes us places such as the pilot's seat of his airplane as he fights to get home in terrible weather, and deep in a cave under a Virginia mountain where he discovers a section never explored by man and uncovers a mystery still unsolved. Realizing that cat DNA is more than 99% the same as human, he makes an amazing discovery about how the two species can communicate. This is a remarkable journey and one you will not soon forget.

Have you ever wondered why your cat sleeps on your keyboard, why they bully the dog or why they insist on drinking from the bathroom tap — or if they even like you? Cats (unlike the dogs they look down on) are not always easy to understand. This cat psychology book will show you that they do show their feelings, albeit subtly, in the way they relate to you, other animals and their home environment. Stunning illustrations of a wide range of breeds and informative text will help you understand your cat's body language, so you know when they are happy and when they aren't! Aside from learning to understand your cat, this guide includes “catwatching” spreads that provide helpful tips and advice on dealing with some common kitty challenges like moving home and introducing a new cat into the family. So when they are sitting on your head at 4 a.m., you will at least know why!

*If You Give a Cat a Cupcake* Laura Numeroff, 2008-09-30 If you give a cat a cupcake, he'll ask for some sprinkles to go with it. When you give him the sprinkles, he might spill some on the floor. Cleaning up will make him hot, so you'll give him a bathing suit . . . and that's just the beginning! The lovable cat who first appeared in *If You Give a Pig a Party* now has his very own book! Written in the tradition of the bestselling *If You Give a Mouse a Cookie*, Laura Numeroff and Felicia Bond's newest story will show everyone that Cat is where it's at!

For the Love of Cats Carol Kline, Gina Spadafori, Marty Becker, DVM, Mikkel Becker Shannon, 2012-09-04 The closer we get to our cats (or the closer they let us get to them!), the more we find to love about them. *For the Love of Cats* celebrates this complex bond, revealing, with heart-tugging emotion, how cats transform our lives in both spectacular and subtle ways. For example, BB, a sweet grey kitten, helps a hearing-impaired boy connect with the silent world around him; Queenie, a cat rescued from war-torn Afghanistan, proves that the universal love for an animal can transcend cultures and politics; and Motley, an intuitive feline, helps a grieving mom over three catastrophic losses, showing her that she

can find joy again. With chapters on Cats as Teachers and Healers, Furry Family Members, Love and Loss, and Mischief and Mayhem, this is a must-read for all of those people who unabashedly declare themselves Cat People. It's a fitting tribute to our favorite felines, who--through their snuggles, meows, and playful pats--make the world a better place.
