

CONSTITUTION OF INDIA

ROHIT DE

📖 *India's Constitution, 16th Edition* Pylee M.V., 2017 A well-known comprehensive text on India's constitution with a holistic approach* A revised and updated edition providing a cumulative account of the changing scene of politics with the fifteenth general elections of 2014 bringing about the decimation of the Congress party and the triumph of BJP* Coverage of the new legislation regulating procedure for recommending new appointments to the Supreme Court of India

📖 *Constitution Of India, 10/e* Bakshi, P M, 2010

📖 *The Constitution of India* India, R. N. Mishra, 2001 Text with comments on constitution of India.

📖 *The New Constitution of India* Courtenay Ilbert, 1923

📖 *The Constitution of India* Dr. B. R. Ambedkar, 2023-08-30 The Constitution of India – Original Book by Dr. B. R. Ambedkar: The Constitution of India – Original Book by Dr. B. R. Ambedkar is a seminal work that presents the original text of the Constitution of India, along with insightful commentary by the author. Dr. B. R. Ambedkar, the principal architect of the Indian Constitution, provides valuable insights into the principles, intentions, and significance of the Constitution. This book serves as a vital resource for anyone seeking to understand the foundation of India's democratic system, the rights and duties of citizens, and the constitutional framework that governs the country. Key Aspects of the Book The Constitution of India – Original Book: Original Text of the Constitution: The book presents the original text of the Constitution of India, providing readers with access to the authoritative document that lays the foundation of the Indian democratic system. It includes all the articles, schedules, and amendments as initially adopted. Insightful Commentary by Dr. B. R. Ambedkar: Dr. B. R. Ambedkar, in his commentary, offers valuable insights into the various aspects of the Constitution. He explains the rationale behind specific provisions, discusses the principles of democracy, social justice, and equality enshrined in the Constitution, and provides a historical context to its formation. Understanding the Constitutional Framework: This book enables readers to gain a comprehensive understanding of the constitutional framework of India. It explores fundamental rights, directive principles of state policy, the structure of government, the powers of different branches, and the relationship between the center and the states, among other key aspects. Dr. B. R. Ambedkar, an eminent jurist, social reformer, and the chief architect of the Indian Constitution, authored The Constitution of India – Original Book. His profound knowledge of constitutional law and his vision for a just and inclusive society are reflected in this seminal work. Dr. Ambedkar's invaluable contribution to the drafting and framing of the Indian Constitution, along with his deep understanding of social issues, continues to inspire generations and shape the democratic fabric of India. This book serves as a testament to his immense scholarship and unwavering commitment to equality and justice.

📖 *Making of India's Constitution* Hans Raj Khanna, 2008

📖 *The Constitution of India* Sarbani Sen, 2007 This work focuses on the relationship between constitutionalism and popular sovereignty in India. The author contends that its identity was shaped by a prior period of prolonged popular engagement in resisting a colonial regime and goes on to show that the constitutional text can be meaningfully viewed within a specifically Indian tradition of political and intellectual history.

📖 *Constitutional Government in India* M.V.Pylee, 2003 Part I : Introductory Part II : The Growth Of Constitutionalism In India Part III : Preamble, Territory And Citizenship Part IV : Fundamental Rights And Directive Principle Part V : The Government Of The Union Part VI : The Machinery Of Government In The States Part VII : The Federal System Part VIII : Miscellaneous Provisions

📖 *The Constitution of India* Arun K Thiruvengadam, 2017-12-28 This book provides an overview of the content and functioning of the Indian Constitution, with an emphasis on the broader socio-political context. It focuses on the overarching principles and the main institutions of constitutional governance that the world's longest written constitution inaugurated in 1950. The nine chapters of the book deal with specific aspects of the Indian constitutional tradition as it has evolved across seven decades of India's existence as an independent nation. Beginning with the pre-history of the Constitution and its making, the book moves onto an examination of the structural features and actual operation of the Constitution's principal governance institutions. These include the executive and the parliament, the institutions of federalism and local government, and the judiciary. An unusual feature of Indian constitutionalism that is highlighted here is the role played by technocratic institutions such as the Election Commission, the Comptroller and Auditor General, and a set of new regulatory institutions, most of which were created during the 1990s. A considerable portion of the book evaluates issues relating to constitutional rights, directive principles and the constitutional regulation of multiple forms of identity in India. The important issue of constitutional change in India is approached from an atypical perspective. The book employs a narrative form to describe the twists, turns and challenges confronted across nearly seven decades of the working of the constitutional order. It departs from conventional Indian constitutional scholarship in placing less emphasis on constitutional doctrine (as evolved in judicial decisions delivered by the High Courts and the Supreme Court). Instead, the book turns the spotlight on the political bargains and extra-legal developments that have influenced constitutional evolution. Written in accessible prose that avoids undue legal jargon, the book aims at a general audience that is interested in understanding the complex yet fascinating challenges posed by constitutionalism in India. Its unconventional approach to some classic issues will stimulate the more seasoned student of constitutional law and politics.

📖 *Reconstitution of the Constitution of India* Kanahaiyalal Sharma, 2002

📖 *The Oxford Handbook of the Indian Constitution* Sujit Choudhry, Madhav Khosla, Pratap Bhanu Mehta, 2016 As the first major post-colonial constitution, the Indian Constitution holds particular importance for the study of constitutional law and constitutions. Providing a thorough historical and political grounding, this handbook examines key debates and developments in Indian constitutionalism and creates a framework for further study.

📖 *Universal's Guide to the Constitution of India* Rajesh Kumar, 2022

📖 *India's Founding Moment* Madhav Khosla, 2020 How did the founders of the most populous democratic nation in the world meet the problem of establishing a democracy after the departure of foreign rule? The justification for British imperial rule had stressed the impossibility of Indian self-government. At the heart of India's founding moment, in which constitution-making and democratization occurred simultaneously, lay the question of how to implement democracy in an environment regarded as unqualified for its existence. India's founders met this challenge in direct terms—the people, they acknowledged, had to be educated to create democratic citizens. But the path to education lay not in being ruled by a superior class of men but rather in the very creation of a self-sustaining politics. Universal suffrage was instituted amidst poverty, illiteracy, social heterogeneity, and centuries of tradition. Under the guidance of B. R. Ambedkar, Indian lawmakers crafted a constitutional system that could respond to the problem of democratization under the most inhospitable of conditions. On January 26, 1950, the Indian constitution—the longest in the world—came into effect. More than half of the world's constitutions have been written in the past three decades. Unlike the constitutional revolutions of the late-eighteenth century, these contemporary revolutions have occurred in countries that are characterized by low levels of economic growth and education; are divided by race, religion, and ethnicity; and have democratized at once, rather than gradually. The Indian founding is a natural reference point for such constitutional moments—when democracy, constitutionalism, and modernity occur simultaneously—

📖 *An Introduction to the Constitution of India, 5th Edition* Pylee M.V., 2009-11 An introduction to the Constitution of India, 5th Edition

📖 *The Constitution of India Simplified* G B Singh, Anmol Singh, 2018-12-06 Although political circles treat the Constitution of India as a sacred scripture which has guided the inner workings of the world's largest democracy since 1950, the document has mysteriously escaped critical inquiry. Why? Is it because of its bulkiness? Its complexity? Its inconsistencies and contradictions? The Constitution of India Simplified invites the common person to examine the internals of the Indian Constitution in order to comprehend its basic contents and discover how to make a little sense out of the document's seemingly bewildering set of principles.

📖 *Constitutional Law of India* H. M. Seervai, 1975

📖 *India's Living Constitution* Zoya Hasan, Eswaran Sridharan, R. Sudarshan, 2005 India became independent in 1947 and, after nearly three years of debate in the Constituent Assembly, adopted a constitution that came into effect on 26 January 1950. This constitution has lasted until the present, with its basic structure unaltered, a remarkable achievement given that the generally accepted prerequisites for democratic stability did not exist, and do not exist even today. Half a century of constitutional democracy is something that political scientists and legal scholars need to analyze and explain. This volume examines the career of constitutional-political ideas (implicitly of Western origin) in the text of the Indian Constitution or implicit within it, as well as in actual political practice in the country over the past half-century.

📖 *A People's Constitution* Rohit De, 2020-08-04 It has long been contended that the Indian Constitution of 1950, a document in English created by elite consensus, has had little influence on India's greater population. Drawing upon the previously unexplored records of the Supreme Court of India, *A People's Constitution* upends this narrative and shows how the Constitution actually transformed the daily lives of citizens in profound and lasting ways. This remarkable legal process was led by individuals on the margins of society, and Rohit De looks at how drinkers, smugglers, petty vendors, butchers, and prostitutes—all despised minorities—shaped the constitutional culture. The Constitution came alive in the popular imagination so much that ordinary people attributed meaning to its existence, took recourse to it, and argued with it. Focusing on the use of constitutional remedies by citizens against new state regulations seeking to reshape the society and economy, De illustrates how laws and policies were frequently undone or renegotiated from below using the state's own procedures. De examines four important cases that set legal precedents: a Parsi journalist's contestation of new alcohol prohibition laws, Marwari petty traders' challenge to the system of commodity control, Muslim butchers' petition against cow protection laws, and sex workers' battle to protect their right to practice prostitution. Exploring how the Indian Constitution of 1950 enfranchised the largest population in the world, *A People's Constitution* considers the ways that ordinary citizens produced, through litigation, alternative ethical models of citizenship.

📖 *Preamble of the Constitution of India* Aparajita Baruah, 2007

📖 *Introduction to the Constitution of India (A Diagrammatic and Tabular Presentation)* CA. Ashish K Agrawal and Aditi Agrawal, 2021-12-07 Foreword by CA. (Dr.) Girish Ahuja Pages 359 (Edition 2021) Specially designed for competitive exams and students of B.Com, M.Com, BBA, MBA, LLB, CA/CS/CMA and other specialised courses. The main features of this book which make it better than other books, are :- 1. All the topics have been presented in a tabular form (no paragraphs

HAVE BEEN USED) WHICH MAKE IT EASIER TO READ AND UNDERSTAND. 2. DIAGRAMS FOR MOST OF THE TOPICS HAVE BEEN GIVEN IN THIS BOOK. THIS MAKES IT VERY EASY FOR THE STUDENTS TO UNDERSTAND AND REMEMBER THE CONTENTS. 3. ALL THE CONCEPTS HAVE BEEN GIVEN POINTWISE WHICH MAKES READING VERY FAST AND EASY. 4. THIS BOOK GIVES CONCEPTUAL CLARITY OF THE LAW. 5. THIS BOOK NOT ONLY HELPS IN SCORING VERY GOOD MARKS IN EXAM, BUT ALSO IN USING THE LAW IN PRACTICAL WORLD.
